about African heritage Englands Queen Charlotte was black under the black codes one drop rule and she knew that if black native sons could lose their birthrights though the rule of law declares them to be Englishmen that pretenders to the kings throne might challenge her sons birthright The queen concerned herself with great interest in the habeas corpus case of a colony of Virginia born black named James Somerset The significance of the Somerset habeas corpus case was Englands emancipation of its slaves has escaped telling Told with all the power and drama of a novel Kings Native Sons Lies Lessons and Legacies is an extraordinary account of a pulse pounding human drama framed by political intrigue and raw human emotions Larry Kenneth Alexander cultural theorist Contact lalexander metroworksusa com for pricing of prints private book signings and speaking engagements Practical Radicalism and the Great Migration Thomas Aiello, 2023-02-15 This book s predecessor The Grapevine of the Black South emphasized the owners of the Atlanta Daily World and its operation of the Scott Newspaper Syndicate between 1931 and 1955 In a pragmatic effort to avoid racial confrontation developing from white fear newspaper editors developed a practical radicalism that argued on the fringes of racial hegemony saving their loudest vitriol for tyranny that was not local and thus left no stake in the game for would be white saboteurs Thomas Aiello reexamined historical thinking about the Depression era Black South the information flow of the Great Migration the place of southern newspapers in the historiography of Black journalism and even the ideological and philosophical underpinnings of the civil rights movement With Practical Radicalism and the Great Migration Aiello continues that analysis by tracing the development and trajectory of the individual newspapers of the Syndicate evaluating those with surviving issues and presenting them as they existed in proximity to their Atlanta hub In so doing he emphasizes the thread of practical radicalism that ran through Syndicate editorial policy Practical Radicalism and the Great Migration is a supplement to The Grapevine of the Black South providing a fuller picture of the Scott Newspaper Syndicate and the Black press in the 1930s 1940s and 1950s
