imprisoned and murdered women and children become commodities and what is left of the government looks even less like the once beloved United States of America As the threat of a civil war becomes imminent Grant the Team and the 17th Irregulars at Marion Farm bond over their duty to protect the country and are soon a fully formed combat ready unit excited to go into combat but uncertain of what will happen to them Grant dreads what he knows is coming but he understands that he has been called to sacrifice potentially his life and probably his marriage to stop the Loyalists from hurting more people
