Closer Walk with God J. David Muyskens,2016-04-01 It s been said that Centering Prayer is like two friends sitting together in silence just being in each other s presence completely natural and comfortable Yet Centering Prayer is sometimes viewed as too mysterious too escapist too hard At first it even appeared that way to the author but events in his life and his further studies about prayer changed his views Through Muyskens insightful guidance you ll explore a method of prayer that goes deeper than verbal conversations with God This book teaches silent communion with God a method of being open to the gift of God s presence a way of receiving a deep ad intimate relationship with God Each day s reading has a focal scripture verse and the author s reflection ending with simple suggestions for contemplative prayer You ll begin with as few as 5 minutes of Centering Prayer By following the guidance in this book for 40 days you will be led to a closer relationship with God As you progress through the daily scripture and meditative readings in Forty Days to a Closer Walk with God you ll find greater understanding and fresh awareness of Jesus promise I am with you always *It's given!
