## Contemporary Politics In Japan:

Contemporary Politics in Japan Junnosuke Masumi, 2023-11-15 This study by one of Japan's foremost political scientists examines the unfolding relationship between the Liberal Democratic Party LDP the state and the forces of industrialization in Japan from the 1950s through the 1980s It is the only book in English to describe and analyze in detail Japan's political development during this critical period Masumi argues that Japan's rapid economic growth was promoted by an iron triangle among three actors the LDP the bureaucracy and big business This growth fueled the enormous social changes of the 1960s and 1970s which in turn forced the transformation of the iron triangle and the basis of party power In a final chapter Masumi reflects on the end of LDP rule in 1993 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 *Japanese Contemporary Politics* Akio Igarashi, 2018-06-27 In the postwar period Japanese politics has evolved considerably with issues of gender representation and household economics becoming increasingly salient Meanwhile since the end of the Cold War Japan has joined other developed states in the process of decentralization and deindustrialization Yet its restructuring has come at a slower pace as the Japanese bureaucracy attempts to retain a more traditional approach This book a translated and updated version of the author's 2010 monograph *Nihon seijiron* traces these developments in Japanese politics from the end of the Asia Pacific wars to the present day Examining each of the key stages of transition it looks at four aspects of Japanese politics high politics interest centered politics life centered politics and globalization It also provides up to date analysis of contemporary themes including the Abe administration's challenge to international politics and coverage of nuclear issues Written by an experienced Japanese scholar this book ultimately demonstrates how globalization has transformed the nature of local politics as well as national security However as seen in the recent triple disaster of 2011 a chapter on which has been added Japanese politics retains traditional practices that have led to corruption scandal and political mistrust among the electorate Offering a comprehensive introduction to Japanese politics this book will be invaluable reading for students and scholars of Japanese politics and comparative and Asia politics in general *Contemporary Japanese Politics* Tomohito Shinoda, 2013-08-27 Tomohito Shinoda tracks slow yet steady changes in the operation of and tensions between Japan's political parties and the public's behavior in Japanese elections as well as in the government's ability to coordinate diverse policy preferences and respond to political crises **Politics in Modern Japan** Kōichi Kishimoto, 1988 **Party Politics in Japan** Ronald J. Hrebienar, Akira Nakamura, 2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions

however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan s government has been closely associated with the strengths and weaknesses of Japan s prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 Party Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly

Dictionary of the Modern Politics of Japan Prof J A A Stockwin, J. A. A. Stockwin, 2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system

**Party Politics in Japan** Ronald J. Hrebennar, Akira Nakamura, 2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan s government has been closely associated with the strengths and weaknesses of Japan s prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 Party

Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly      **Contemporary Politics in the Far East** Stanley Kuhl Hornbeck,1916

**Contemporary Japan, Second Edition** Duncan McCargo,2004-05-07 Now fully revised and updated this widely praised introductory text explores Japan through the prism of three alternative perspectives mainstream revisionist and culturalist Beginning with the noting of Japan as a contested territory the book focuses on debates about the real nature of Japan s successes and shortcomings      **Religion and Contemporary Politics** Timothy J. Demy,Jeffrey M. Shaw Ph.D.,2019-09-19

With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography      *Contemporary Japan* Duncan McCargo,2012-10-19 Japan is one of the world s

most important societies yet remains one of the least understood This book is designed to fill the gap for a concise but thought provoking introduction to all aspects of the country s political economic and social life set in a clear historical context The author s starting point is that the study of Japan is contested territory where even such apparently simple questions such as Who is in charge spark considerable disagreement and controversy among experts To understand contemporary Japan Duncan McCargo argues it is necessary to get to grips with a range of different perspectives on Japanese political and social structures Integrating contrasting perspectives throughout the core chapters of the book focus on the changing economy government and politics society and culture and Japan s place in the wider world The new third edition of this popular text has been fully revised and updated throughout to cover key developments such as the historic end of LDP rule in 2009 This accessible and lively book will be essential reading both for students and general readers who want to know more about this important country      **Japan's Emergence as a Modern State - 60th anniv. ed.** Herbert E. Norman,2011-11-01 Originally published in 1940 by the Institute of Pacific Relations IPR this classic work by a leading 20th century Japanologist has an enduring value Japan s Emergence as a Modern State examines the problems and

accomplishments of the Meiji period 1868 1912 This edition includes forewords by R Gordon Robertson a former member of the Canadian Department of External Affairs Len Edwards the present Canadian ambassador to Japan and William L Holland former secretary general of the IPR as well as a preface and introduction by Lawrence Woods Also included are 10 short essays by leading Canadian Japanese and American scholars of Japanese politics history and economics Environmental Politics in Japan, Germany, and the United States Miranda A. Schreurs, 2003-03-13 A decade of climate change negotiations almost ended in failure because of the different policy approaches of the industrialized states Japan Germany and the United States exemplify the deep divisions that exist among states in their approaches to environmental protection Germany is following what could be called the green social welfare state approach to environmental protection which is increasingly guided by what is known as the precautionary principle In contrast the US is increasingly leaning away from the use of environmental regulations towards the use of market based mechanisms to control pollution and cost benefit analysis to determine when environmental protection should take precedence over economic activities Internal political divisions mean that Japan sits uneasily between these two approaches Miranda A Schreurs uses a variety of case studies to explore why these different policy approaches emerged and what their implications are examining the differing ideas actors and institutions in each state **Performing the Politics of Translation in Modern Japan** Aragorn Quinn, 2019-12-09 Performing the Politics of Translation in Modern Japan sheds new light on the adoption of concepts that motivated political theatres of resistance for nearly a century and even now underpin the collective understanding of the Japanese nation Grounded in the aftermath of the Meiji Restoration in 1868 and analyzing its legacy on stage this book tells the story of the crucial role that performance and specifically embodied memory played in the changing understanding of the imported Western concepts of liberty jiy and revolution kakumei Tracing the role of the post Restoration movement itself as an important touchstone for later performances it examines two key moments of political crisis The first of these is the Proletarian Theatre Movement of the 1920s and 30s in which the post Restoration years were important for theorizing the Japanese communist revolution The second is in the postwar years when Rights Movement theatre and thought again featured as a vehicle for understanding the present through the past As such this book presents the translation of liberty and revolution not through a one to one correspondence model but rather as a many to many relationship In doing so it presents a century of evolution in the dramaturgy of resistance in Japan This book will be useful to students and scholars of Japanese history society and culture as well as literature and translation studies alike Changing Politics in Japan Ikuo Kabashima, Gill Steel, 2012-09-15 Changing Politics in Japan is a fresh and insightful account of the profound changes that have shaken up the Japanese political system and transformed it almost beyond recognition in the last couple of decades Ikuo Kabashima a former professor who is now Governor of Kumamoto Prefecture and Gill Steel outline the basic features of politics in postwar Japan in an accessible and engaging manner They focus on the dynamic relationship between voters and

elected or nonelected officials and describe the shifts that have occurred in how voters respond to or control political elites and how officials both respond to and attempt to influence voters The authors return time and again to the theme of changes in representation and accountability Kabashima and Steel set out to demolish the still prevalent myth that Japanese politics are a stagnant set of entrenched systems and interests that are fundamentally undemocratic In its place they reveal a lively and dynamic democracy in which politicians and parties are increasingly listening to and responding to citizens needs and interests and the media and other actors play a substantial role in keeping democratic accountability alive and healthy Kabashima and Steel describe how all the political parties in Japan have adapted the ways in which they attempt to organize and channel votes and argue that contrary to many journalistic stereotypes the government is increasingly acting in the interests of citizens the median voter s preferences

**Public Knowledge And Environmental Politics In Japan And**

**The United States** John C Pierce,Nicholas P Lovrich,Taketsugu Tsurutani,Takematsu Abe,2019-07-09 This book grows out of the authors conviction that as public policy issues become suffused with scientific and technical content they become difficult for the democratic citizens to understand It attempts to determine mass public capacity and their motivation to respond to the challenges

**Contemporary Japanese Politics and Anxiety Over Governance** Ken'ichi Ikeda,2022-12-30 This book is an integrated examination of Japanese politics in the first two decades of the 21st century as viewed from the perspective of anxiety over governance By empirically highlighting the social environmental political environmental and sociocultural changes that have underlined the long term political participation and voting behavior of Japanese citizens the book provides deep insight into how modern democracies function and are perceived in post industrial societies and reveals the specific processes by which Japanese politics have changed Additionally the book provides an analysis of the decline in social capital the shrinking variety of political parties and the intermingling of Asian values with liberal democratic values By examining anxiety over governance the chapters explore the links between anxiety and Japanese political behavior revealing that despite the high regard for democratic politics Japanese citizens generally experienced a high level of anxiety and negative evaluation of the government including countermeasures against COVID 19 Featuring surveys of Japanese political behavior over a period of more than 40 years this book will be valuable reading for students and scholars of Japanese Politics Political Behavior and Psychology The introduction chapter 4 and chapter 5 of this book are freely available as a downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

*Environmental Politics in Japan* Jeffrey Broadbent,1999-07-28 After World War Two Japan attained economic growth but suffered environmental disaster In response to massive protest in the 1960s and 1970s the Japanese government rapidly reduced the worst air and water pollution Jeffrey Broadbent s case study of industrial growth and pollution in a rural Japanese prefecture explains this response while testing political social movement and environmental theory The state conservative political party and big business pushed rampant growth until movements posed

a political and disruptive challenge Then the elites passed some pollution control but also demobilized local protest quashed discontent and prevented the formation of national environmental groups Without the protest threat business stymied other government pollution control plans The interaction of material institutional and cultural factors especially informal institutions explained the dominance of actors and the pattern of outcomes Through this syncretic lens in a non Western setting this study refines our theories of the state protest movements political process and environmental problems *Japan and the Contemporary Middle East* J. A. Allan, Kaoru Sugihara, 2005-08-18 Japan is an economic power of global significance it is also the world's largest single national importer of oil These two facts alone are sufficient to indicate the significance of Japan's relationship with the Middle East But in fact Japan's particularly strong interests in the Middle East extend well beyond oil and include banking investment and an increasing concern with economic assistance The studies in this book deal with the relevant period of the twentieth century and especially with the rapid transformation of Japan's relationship with the region since 1973 It provides access in English to the current economic and political analysis by Japanese specialists concerned with the Middle East and it will assist anyone interested in Japan's relationship with the region The dependence of Japan on Middle Eastern oil is examined together with the changing nature of Japan's energy consumption policies at home and its involvement in joint ventures in the Middle East Japan's role as a major provider of economic assistance is reviewed and its future potential role in this area is emphasised *Corruption in Contemporary Politics* M. Bull, J. Newell, 2002-12-13 Political corruption has recently emerged as a key area in the study of advanced industrial nations Not only has it become more visible than in the past its sheer scale in some countries has had a significant impact on the functioning of their political institutions Martin Bull and James Newell have assembled a group of experts to address the importance of this phenomenon for contemporary Western democracies as well as for the new democracies of Eastern Europe for the European Union and at the international level

This is likewise one of the factors by obtaining the soft documents of this **Contemporary Politics In Japan** by online. You might not require more era to spend to go to the ebook introduction as capably as search for them. In some cases, you likewise reach not discover the pronouncement Contemporary Politics In Japan that you are looking for. It will definitely squander the time.

However below, following you visit this web page, it will be correspondingly agreed easy to get as competently as download guide Contemporary Politics In Japan

It will not agree to many era as we notify before. You can reach it while perform something else at home and even in your workplace. fittingly easy! So, are you question? Just exercise just what we have enough money below as with ease as review **Contemporary Politics In Japan** what you taking into account to read!

## Contemporary Politics In Japan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Contemporary Politics In Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze.

This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Contemporary Politics In Japan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Contemporary Politics In Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Contemporary Politics In Japan Books

1. Where can I buy Contemporary Politics In Japan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
