Modern Social Policy Michael Sullivan, 2018-10-08 Considers a range of approaches to social policy provision and applies these to developments in the British welfare state The author works from the basis that the theory and practice of social policy would benefit from a broader understanding of social political and economic contexts *Contemporary Issues in Public Disorder* Dr David Waddington, 2002-11-01 In a comparative study drawing on material from the United States and Britain David Waddington examines how various types of industrial political urban and sectarian disorder occur Contemporary Issues in Public Disorder critically appraises the theoretical approaches to understanding public disorder and contributes to the ongoing debates on police methods police accountability and the controversial role of the media A Social Geography of England and Wales Richard Dennis, Hugh Clout, 2013-10-22 A Social Geography of England and Wales considers the theoretical concepts of the social geography of England and Wales This book is composed of 11 chapters that discuss the theories of industrialization and urbanization The opening chapters deal with the origins and settlement of English people as well as the workings of feudal society with its hierarchy of groups of different legal status ranging from the king through the base of the system The succeeding chapters examine the vital formative phase in British social history Other chapters explore the strengths and weaknesses of several ecological and economic models of urban structure that are

transported from North America to Great Britain A chapter looks into the variations in housing type and quality form intriguing reflections of fundamental differences in British Society based on a theory of housing classes This text also surveys residents of the inner areas of many British cities now experience substantial social problems which are compounded in areas of multiple deprivation The final chapters cover the dispersion of urbanism into the countryside where it has provoked fundamental social and spatial changes related to commuting retirement migration and tourism This book is of value to historians sociologists researchers and undergraduate students

Social Progress in Britain Anthony F. Heath, Elizabeth Garratt, Ridhi Kashyap, Yaojun Li, Lindsay Richards, 2018-09-13 In his landmark 1942 report on social insurance Sir William Beveridge talked about the five giants on the road to reconstruction the giants of Want Disease Ignorance Squalor and Idleness Social Progress in Britain investigates how much progress Britain has made in tackling the challenges of material deprivation ill health educational standards lack of housing and unemployment in the decades since Beveridge wrote It also asks how progress in Britain compares with that of peer countries Canada France Germany Italy Japan Sweden and the USA Has Britain been slipping behind What has been the impact of the increased economic inequality which Britain experienced in the 1980s has rising economic inequality been mirrored by increasing inequalities in other areas of life too Have there been increasing inequalities of opportunity between social classes men and women and different ethnic groups And what have been the implications for Britain's sense of social cohesion

Underclass John Welshman, 2013-10-10 Who are those at the bottom of society There has been much discussion in recent years on both Left and Right about the existence of an alleged underclass in both Britain and the USA It has been claimed this group lives outside the mainstream of society is characterised by crime suffers from long term unemployment and single parenthood and is alienated from its core values John Welshman shows that there have always been concerns about an underclass whether constructed as the social residuum of the 1880s the problem family of the 1950s or the cycle of deprivation of the 1970s There are marked differences between these concepts but also striking continuities Indeed a concern with an underclass has in many ways existed as long as an interest in poverty itself This book is the first to look systematically at the question providing new insights into contemporary debates about behaviour poverty and welfare reform This new edition of the pioneering text has been updated throughout and includes brand new chapters on Problem Families and New Labour as well as Troubled Families and the Coalition Government It is a seminal work for anyone interested in the social history of Britain and the Welfare State

Contemporary British Muslim Arts and Cultural Production Sadek Hamid, Stephen H. Jones, 2023-06-01 This unique collaboration between scholars practitioners and Muslim artists profiles emerging forms of contemporary British Muslim art prompting a debate about its purpose and its inclusion in UK society It features analysis of Muslim art as a category as well as reflective accounts of people working in theatre popular music the heritage sector and ancient and modern visual arts often at the margins of the British arts industry Dealing with sociological and theological themes as well as art history and

practice the volume provides a timely intervention on a neglected topic The collection discusses diverse topics including how second and third generation British Muslims as part of a broader generational shift have reworked Sufi music and traditional calligraphy and fused them with new musical and artistic styles from Grime to comic book art alongside consideration of the experiences of Muslim artists who work in the theatre museums and the performing arts sectors It is a must read for students and researchers of theology and religious studies Islamic studies fine art cultural studies and ethnic and racial studies

Contemporary Issues in Teaching and Learning Peter Woods, 2013-11-05 Since the 1988 Education Reform Act our education system has undergone dramatic changes and this in turn has raised a number of controversial issues and questions This reader brings together key articles both recently published and specially commissioned which address these issues and place them in context Issues covered include the curriculum teaching and learning assessment school effectiveness and improvement Various themes run throughout the book include the quest for quality within a social context the application of theory and research to practice and the positive roles played by both teachers and students in adapting to recent change

The Victorian Social-Problem Novel Josephine M. Guy, 1996-09-18 This book describes various accounts of the Victorian social problem novel examining their strengths and limitations in the light of the historiographical assumptions which underlie them An alternative historical account is offered which focuses on the novels intellectual milieu specifically on mid Victorian concepts of the social and of what was understood by the term social problem In detailed readings of individual works the book argues that an appreciation of these concepts permits new ways of understanding the contradictions identified in these works together with their apparently conservative politics

Maggie Gee: Writing the Condition-of-England Novel Mine Özyurt Kiliç, 2013-03-14 The first female Chair of the Royal Society of Literature and translated into thirteen languages Maggie Gee is writing the Victorian condition of England novel for 21st century Britain In the first critical study of Gee's work Mine Özyurt Kiliç identifies the specific social problems her novels address and explains the social consciousness similarities Gee shares with the Victorians Analyzing how Gee adjusts the condition of England novel to reflect contemporary Britain enables Özyurt Kiliç to reveal the accuracy of Gee's rich portraits of Britain She focuses on Gee's ability to cut across the boundaries of race class and gender mix voices from the margin with the majority and challenge and change the idea of the mainstream As an active self-conscious and critical participant in the literary world Gee paints a panoramic view of society Her critiques of class race and the world of publishing allow Özyurt Kiliç to cover a wide range of topics and detail how English fiction shapes and influences and is shaped and influenced by the contemporary literary market

Contemporary Issues of the Law of the Sea Aleksandr Antonovich Kovalev, 2004 Originally published in Russian this book is the first major Russian treatise on the international law of the sea in the post Soviet era The book covers the legal status and legal regime of the sea expanses and follows their classification in the 1982 United Nations Convention In addition a separate section is devoted to the legal status of the Caspian Sea The author analyzes in depth the international legal norms

regulating the preservation of the marine environment and concludes that a system of international cooperation is essential both in the sphere of navigation and economic exploitation of oceanic resources Extensive attention is given to Russian practice As Russia plays a central and influential role in world maritime policy a book that specifically deals with Russian approaches in this field cannot fail to be of importance to anyone interested in the law of the sea *Making Health Policy* Andy Alaszewski, Patrick Brown, 2013-12-23 This new textbook opens up the policy making process for students uncovering how government decisions around health are really made Starting from more traditional insights into how ministers and civil servants develop policy with limited knowledge and money the book goes on to challenge the conception of policy as a rational process revealing it to be something quite different Knee jerk reactions to disasters keeping voters satisfied the powerful leverage of interest groups and the skewing of debate through ideology and the media are each considered in turn These processes render policy far from rational or at least require a much broader approach for considering policy logic one that is open to different rationalities of values norms and pragmatism The book draws on historical and contemporary examples to highlight that though challenges to policy makers may seem in some ways novel in many senses key processes endure and indeed are rooted in historical contexts Although the examples are drawn from UK health and social care the book's theory driven approach is applicable across national contexts especially for countries where uncertainty risk and resource pressures create significant dilemmas for policy makers The book's multi perspective thematic approach will be especially relevant to students as will the broad range of case study examples used *Making Health Policy* will be essential reading for students of health policy social policy social work and the sociology of medicine health and illness **A**

Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index *Eighteenth-Century Novel and Contemporary Social Issues* Stuart Sim, 2008-04-15 This study introduces readers to the eighteenth century novel through a consideration of contemporary social issues Eighteenth century authors grappled with very similar problems to the ones we face today such as what motivates a fundamentalist terrorist What are the justifiable limits of state power What dangers lie in wait for us when we create life artificially The book discusses key authors from Aphra Behn in the late seventeenth century to James Hogg in the 1820s covering the long eighteenth century It guides readers through the main genres of the period from Realism Gothic romance and historical romance to proto science fiction It also introduces a range of debates around race relations anti social behaviour family values and born again theology as well as the power of the media surveillance political sovereignty and fundamentalist terrorism Each novel is shown to be directly relevant to some of the most urgent moral issues of our own time
