Corporate Messiah:

The Messianic Matrix Loren W Caudill, 2006-10 The Messianic Matrix is a thrilling journey of theological concepts that define the Pentecostal experience It is a ground breaking and sweeping endeavor that utilizes the best of modern scholarship Finally in this exciting redefinition of baptism in the Spirit Loren Caudill has produced a fascinating theology of Pentecost that is at once complex and compelling Reaching into modern scholarship and his Pentecostal experience the author lifts the veil on ultimate reality and its relationship to Spirit Baptism and to the heavenly places in Christ For the first time in modern history definitions of New Testament terms like born again new creation and yes even the term Christian are defined from within their original Pentecostal settings The reader will sense a fresh wind of excitement as the traditional concepts of eternal life the kingdom of God water baptism the mystery of Christ the church and of believers inheritance are scrutinized Just as believers in mass have become fatigued of church as usual The Messianic Matrix offers Pentecostals and Fundamentalists alike a new and biblical paradigm for life together in Christ

The Nonviolent Messiah Simon J. Joseph, 2014-06-02 When scholars have set Jesus against various conceptions of the messiah and other redemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Missing from those discussions Simon J Joseph contends are the unique conceptions of an Adamic redeemer figure in the Enochic material conceptions that informed the Q tradition and he argues Jesus own self understanding

The Messianic Theology of the New Testament Joshua W. Jipp, 2020-11-12 One of the earliest Christian confessions that Jesus is Messiah and Lord has long been recognized throughout the New Testament Joshua Jipp shows that the New Testament is in fact built upon this foundational messianic claim and each of its primary compositions is a unique creative expansion of this common thread Having made the same argument about the Pauline epistles in his previous book

Christ Is King Paul s Royal Ideology Jipp works methodically through the New Testament to show how the authors proclaim Jesus as the incarnate crucified and enthroned messiah of God In the second section of this book Jipp moves beyond exegesis toward larger theological questions such as those of Christology soteriology ecclesiology and eschatology revealing the practical value of reading the Bible with an eye to its messianic vision The Messianic Theology of the New Testament functions as an excellent introductory text honoring the vigorous pluralism of the New Testament books while still addressing the obvious question what makes these twenty seven different compositions one unified testament **Matthew's**

Non-Messianic Mapping of Messianic Texts Bruce Henning,2020-11-16 Scholars often explain Matthew s practice of applying non messianic texts to the messiah by postulating a Christological hermeneutic In Matthew s Non Messianic Mapping of Messianic texts Bruce Henning raises the question of how Matthew applies messianic texts to non messianic figures This neglected category challenges the popular view by stretching Matthew s paradigm to a broadly eschatological one in which disciples share in the mission of Jesus so as to fulfill Scriptural hopes Using Cognitive Linguistics this volume explores four case studies to demonstrate Matthew s non messianic mapping scheme the eschatological shepherd the vineyard care giver temple construction imagery and the Isaian herald These reveal how Matthew s theology of discipleship as participating in Jesus own vocation extends even to his hermeneutical paradigm of fulfillment **Drawn to Television**

M. Keith Booker,2006-08-30 Since late evening cartoons first aired in 1960 prime time animated series have had a profound effect on American television and American culture at large The characters and motifs from such shows as The Flintstones and The Simpsons are among the best known images in world popular culture and tellingly even series that have not done well in prime time series like The Jetsons for instance have yielded similarly iconic images The advent of cable and several new channels devoted exclusively to animated programming have brought old series back to life in syndication while also providing new markets for additional often more experimental animated series Even on the conventional networks programs such as The Flintstones and The Simpsons not to mention Family Guy and King of the Hill have consistently shown a smartness and a satirical punch that goes well beyond the norm in network programming Drawn to Television traces the history of prime time animation from The Flintstones initial extension of Saturday mornings to Family Guy and South Park s late night appeal in the 21st century In the process it sheds a surprising light on just how much the kid inside us all still has to say Drawn to Television describes the content and style of all the major prime time animated series while also placing these series within their political and cultural contexts It also tackles a number of important questions about animated programming such as how animated series differ from conventional series why animated programming tends to be so effective as a vehicle for social and political satire what makes animated characters so readily convertible into icons and what the likely effects of new technologies such as digital animation will be on this genre in the future **God-Walk** Frederick Herzog,2008-07-01 Challenging and disturbing and ultimately healing Robert McAfee Brown author of Liberation Theology

Stevens,2021-05-25 Stevens invokes a powerful synthesis of recent Pauline studies by insisting the category of Israel is the hermeneutical key to all of *Romans* Through Jesus the Messiah and the power of the Spirit Paul saw fulfilled Isaiah's vision of Israel's destiny to the nations to bring the good news of salvation Recapturing Isaiah's vision broke the spell for Paul of the Great Assembly's postexilic take on Israel Paul's apostleship first and foremost was to Israel not gentiles exclusively Paul used his expos of the gospel of God in *Romans* to challenge believers in Rome to embrace their place in the messianic Israel of God **Little Theologians** David M. Csinos,2020-11-18 Children don't just learn theology They actively create it playing with ideas and drawing together aspects of their own lives to form theological understanding David Csinos offers a groundbreaking exploration of how cultural contexts intersect with the theological meaning making of children Personnel Literature ,1984 **The Old Testament in Early Christianity** E.
