

CORPORATE SOCIAL RESPONSIBILITY POLICY

Our Principles:

At Carter and Faraday we recognise that we must integrate our business values and operations to meet the expectations of our clients, in relation to customers, employees, regulators, investors, suppliers, the community and the environment.

We will:

- recognise that our social, economic and environmental responsibilities to our clients are integral to our business;
- aim to demonstrate our commitment to our responsibilities through our actions and within our corporate policies;
- take seriously all feedback that we receive from our clients and their tenants and, where possible, maintain open dialogue with them to ensure that we fulfil the requirements of this policy.

The Proprietor is responsible for the implementation of this policy and will make the necessary resources available to realise our corporate responsibilities. However, all employees of Carter and Faraday are responsible for our successful performance of this policy.
