

Revision Notes for ACCA Paper P3 Business Analysis

Dear All

Welcome to the online revision course.
The questions I have chosen are focussed at the June 2009 exam and duplicate what I would expect to do on classroom -based revision course.

I apologise in advance, we have had a technical hitch with some of these. The original recordings have turned out to be unusable.

So, rather than leave you with no questions we have had to record them in a lower quality format. I am sorry you won't be able to see me as easily (that may not be a bad thing anyway!!!) but at least you can see what I am doing.

The most important thing is to practice these questions before you watch the videos.

I would suggest that you do most as essay plans but you MUST practice some under exam conditions (I would suggest ONA as a good one to do).

On the following pages I have reproduced most of the questions. Some of them are not allowed to be published due to copyright issues. For these ones I have included a link to the ACCA's website where they can be found (with the answers)

I would suggest you watch the videos in the following order

- Exam technique
- ONA (Strategic analysis and choice)
- Lakeside Business School (Stakeholders and change)
- Lawson Engineering (Internal analysis and performance)
- Bonar Paint (Strategic analysis and choice)
- Mediterranean Restaurant (Marketing)
- CCT (Quality)
- Clothing company (Project management)
- Institute of Information System Architects (Exam format)

It would also be useful to go back and have another go at

- NMS (particularly part c)
- Hair Care and
- John Dixon

All of which we did on the tuition part of the course
