The Reading Mina Loy's Autobiographies Sandeep Parmar, 2013-08-08 Mina Loy is recognised today as one of the most innovative modernist poets numbering Gertrude Stein Marcel Duchamp Djuna Barnes and T S Eliot amongst her admirers Drawing on substantial new archival research this book challenges the existing critical myth of Loy as a modern woman through an analysis of her unpublished autobiographical prose Mina Loy's *Autobiographies* explores this major twentieth century writer's ideas about the modern and how they apply to the modernist writer based on her engagement with twentieth century avant garde aesthetics and charts how Loy herself uniquely defined modernity in her essays on literature and art Sandeep Parmar here shows how ultimately Loy's autobiographies extend the modernist project by rejecting earlier impressions of avant garde futurity and newness in favour of a late modernist aesthetic one that is more pessimistic inward and interested in the fragmentary interplay between the past and present

equally shares this universal mood A large number of Indians have committed themselves to the writing of their autobiographies in English as well as in the regional languages It is exciting to know that those in English have been produced by some of the finest minds of the country such as Raja Rammohun Roy Lal Behari Day Surendra Nath Banerjea Bipin Chandra Pal Lala Lajpat Rai Mahatma Gandhi Rabindranath Tagore Jawaharlal Nehru Subhash Chandra Bose P C Roy S Radhakrishnan Sachchidanand Sinha and Nirad C Chaudhury It is highly fascinating to read their testimony in the shaping of modern Indian history Even more exciting are the glimpses into their private lives and the interrelation between the portrait and the man This study is the first comprehensive attempt to critically evaluate these works and shows how in modern times Indians begin to get over the proverbial Indian inhibition in talking of private affairs hesitatingly first and then with a devastating even embarrassing frankness This study in passing also tries to dispel the impression that no autobiographical tradition existed in ancient and medieval India

Nabokov and his Books Duncan White,2017-02-23 At the outbreak of the Second World War Vladimir Nabokov stood on the brink of losing everything all over again The reputation he had built as the pre eminent Russian novelist in exile was imperilled In Nabokov and his Books Duncan White shows how Nabokov went to America and not only reinvented himself as an American writer but also used the success of Lolita to rescue those Russian books that had been threatened by obscurity Using previously unpublished and neglected material White tells the story of Nabokov the professional writer and how he sought to balance his late modernist aesthetics with the demands of a booming American literary marketplace As Nabokov s reputation grew so he took greater and greater control of how his books were produced making the material form of the book including forewords blurbs covers

part of the novel In his later novels including *Pale Fire* and *Invitation of a Small Evening* the idea of the novelist losing control of his work became the subject of the novels themselves These plots were replicated in Nabokov's own biography as he discovered his inability to control the forces the market success of *Lolita* had unleashed With new insights into Nabokov's life and work this book reconceptualises the way we think about one of the most important and influential novelists of the twentieth century

book is designed to influence our reading experience to enchant enrage delight and disturb us and our longstanding love affair with books in turn has had direct momentous consequences across time *Authorship in Nabokov's Prefaces*

Jacqueline Hamrit, 2015-01-12 Whereas literary criticism has mainly oscillated between the death of the author Barthes and the return of the author Couturier this work suggests another perspective on authorship through an analysis of Nabokov's prefaces It is here argued that the author being neither dead nor tyrannical alternates between authoritative apparitions and receding disappearances in the double gesture of mastery without mastery which Derrida calls exappropriation that is a simultaneous attempt to appropriate one's work control it have it under one's power and expropriate it losing control by loosening one's grip The intention of this is to approach through one's experience of reading and interpreting the experience of self effacement and impersonality pertaining to writing cf Blanchot Prefaces are considered to be suitable places for the deconstruction of the classical image of Nabokov's arrogance through the unearthing of his reserve and vulnerability This work provides an account of the mere intuition which therefore does not pretend to be a conclusive and definitive interpretation of another image of Nabokov whose undeniable talent for deception seems in accordance with a need for discretion and secrecy
