language and linguistics rhetoric and composition bibliography and textual criticism and women s studies **Resources in Education** ,1990 *A Reopening of Closure* Murray Krieger,1989 Surveying the expanding conflict in Europe during one of his famous fireside chats in 1940 President Franklin Roosevelt ominously warned that we know of other methods new methods of attack The Trojan horse The fifth column that betrays a nation unprepared for treachery Spies saboteurs and traitors are the actors in this new strategy Having identified a new type of war a shadow war being perpetrated by Hitler s Germany FDR decided to fight fire with fire authorizing the formation of the Office of Strategic Services OSS to organize and oversee covert operations Based on an extensive analysis of OSS records including the vast trove of records released by the CIA in the 1980s and 90s as well as a new set of interviews with OSS veterans conducted by the author and a team of American scholars from 1995 to 1997 *The Shadow War Against Hitler* is the full story of America s far flung secret intelligence apparatus during World War II In addition to its responsibilities generating processing and interpreting intelligence information the OSS orchestrated all manner of dark operations including extending feelers to anti Hitler elements infiltrating spies and sabotage agents behind enemy lines and implementing propaganda programs Planned and directed from Washington the anti Hitler campaign was largely conducted in Europe especially through the OSS s foreign outposts in Bern and London A fascinating cast of characters made the OSS run William J Donovan one of the most decorated individuals in the American military who became the driving force behind the OSS s genesis Allen Dulles the future CIA chief who ran the Bern office which he called the big window onto the fascist world a veritable pantheon of Ivy League academics who were recruited to work for the intelligence services and not least Roosevelt himself A major contribution of the book is the story of how FDR employed Hitler s former propaganda chief Ernst Putzi Hanfstengl as a private spy More than a record of dramatic incidents and daring personalities this book adds significantly to our understanding of how the United States fought World War II It demonstrates that the extent and limitations of secret intelligence information shaped not only the conduct of the war but also the face of the world that emerged from the shadows **Critical Confrontations** Meili Steele,1997 To broaden the interpretive scope of critical theory and increase its usefulness this text draws tradition based views of language and anti humanistic theories from their abstract frameworks into the field of cultural studies It examines major thinkers and contemporary writers Cervantes and His Postmodern Constituencies Anne J. Cruz,Carroll B. Johnson,2018-10-24 The essays in this collection represent the first effort in Hispanism to address the conflicted status of Cervantes studies by interrogating the possibility of continued critical dialogue in the context of postmodern theories that threaten to divide into oppositional discourses Comprising broad historical overviews as well as close readings of texts and wielding the rhetoric of scientific detachment and of impassioned political commitments the essays at once exemplify and critique multiple critical positions The collection takes a meaningful and timely look at the formation of cervantismo from the early twentieth century to the prevailing debates on postmodernism and the current crisis of literary studies Legal

Studies as Cultural Studies Jerry D. Leonard, 1995-01-13 Essays by noted theorists such as Drucilla Cornell Nancy Fraser Peter Goodrich and Gayatri Spivak provide a bridge between critical cultural studies in the humanities and the Critical Legal Studies movement demonstrating the transdisciplinary nature of both fields **A Dictionary of Cultural and Critical Theory** Michael Payne, Jessica Rae Barbera, 2013-05-06 Now thoroughly updated and revised this new edition of the highly acclaimed dictionary provides an authoritative and accessible guide to modern ideas in the broad interdisciplinary fields of cultural and critical theory Updated to feature over 40 new entries including pieces on Alain Badiou Ecocriticism Comparative Racialization Ordinary Language Philosophy and Criticism and Graphic Narrative Includes reflective broad ranging articles from leading theorists including Julia Kristeva Stanley Cavell and Simon Critchley Features a fully updated bibliography Wide ranging content makes this an invaluable dictionary for students of a diverse range of disciplines **An Investigation of Commodity Theory and Its Application to Critical Media Studies** Jeffrey R. Young, 1997 The theory of the commodity is used by critical theorists to explain the general organization and development of capitalist society It was originally proposed by Marx and subsequently developed by Lukacs and later Adorno and the Frankfurt School Media scholars such as Dallas Smythe Judith Williamson Robert Goldman and Eileen Meehan have identified the commodity structure in several forms throughout the process of mass communication Although commodity theory is not always articulated as a part of critical studies it is useful for understanding the process of mass communication under capitalism By investigating the dynamics of market processes and cultural innovation this paper shows where the theory of the commodity fits into Critical Media Studies and suggests where some productive applications may be found Book jacket **Axel Honneth and the Critical Theory of Recognition** Volker Schmitz, 2018-08-04 The critical theory of the Frankfurt School has undergone numerous and at times fundamental changes over the last ninety years Since the late 1960s it has been characterized primarily by Jürgen Habermas's communicative turn and a focus on normative foundations Today that second generation exists side by side with a third generation represented most prominently by Axel Honneth's turn toward recognition ethical life and the normative reconstruction of social institutions This volume brings together critical voices on the state and direction of Frankfurt School theory today by examining Honneth's theory in light of both current challenges and the intellectual and political ambitions that have shaped the tradition from its beginning United in their strong commitment to critical scholarship the authors collected here approach Honneth's work from different backgrounds employ a wide variety of methodologies and write in different genres ranging from the sober scholarly analysis to programmatic and political appeals The collective aim of these reflections is not to reject Honneth's theory but to build upon his work and incorporate his themes of recognition and social freedom into a new project of critical theory that can prove adequate to the political and social crises of our time *The Publishers' Trade List Annual*, 2000 *Reading Old English Texts* Katherine O'Brien O'Keeffe, 1997-08-28 *Reading Old English Texts* first published in 1997 focuses on the critical methods being used

and developed for reading and analysing writings in Old English The collection is timely given the explosion of interest in the theory method and practice of critical reading Each chapter engages with work on Old English texts from a particular methodological stance The authors are all experts in the field but are also concerned to explain their method and its application to a broad undergraduate and graduate readership The chapters include a brief historical background to the approach a definition of the field or method under consideration a discussion of some exemplary criticism with a balance of prose and verse passages an illustration of the ways in which texts are read through this approach and some suggestions for future work *The Ecocriticism Reader* Cheryll Glotfelty, Harold Fromm, 1996 This book is the first collection of its kind an anthology of classic and cutting edge writings in the rapidly emerging field of literary ecology Exploring the relationship between literature and the physical environment literary ecology is the study of the ways that writing from novels and folktales to U S government reports and corporate advertisements both reflects and influences our interactions with the natural world **CONTEMPORARY CRITICAL THEORY (Coursepack)** ,2024
