Contemporary Debates In American Reform Judaism Conflicting Visions:

Contemporary Debates in American Reform Judaism Dana Evan Kaplan, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company

Contemporary Debates in American Reform Judaism Dana Evan Kaplan, 2013-01-11 This is a ground breaking collection of essays that takes a hard look at the Reform Movement today Opening essays look at the problem of building a religious community the competition in the spiritual marketplace and why people join or do not join a Reform synagogue Other contributors look at a host of controversial issues including Patrilineal Descent Outreach Intermarriage gender issues gay and lesbian participation and others

The Oxford Handbook of Jewish Law Oxford Handbooks, 2025-10-29 Jewish law known as halakhah is a unique legal system that developed over two millennia across multiple continents and in innumerable different contexts With contributions from an interdisciplinary cast of authors The Oxford Handbook of Jewish Law offers readers an in depth understanding of this rich and enduring legal tradition

The Transformation of American Religion Alan Wolfe, 2005-04 In this astounding account a leading sociologist demonstrates that religion in America has become so tamed and softened that it hardly serves any of its original functions

Judaism Dan Cohn-Sherbok, 2003-09-02 Written by an experienced university teacher who is also a scholar and rabbi this extensive textbook presents an unrivalled guide to the history belief and practice of Judaism Beginning with the ancient Near Eastern background it covers early Israelite history the emergence of classical rabbinic literature and the rise of medieval Judaism in Islamic and Christian lands It also explores the early modern period and the development of Jewry throughout the nineteenth and twentieth centuries Extracts from primary sources are used to enliven the narrative and provide concrete examples of Jewish civilization Judaism introduces texts and commentaries including the Hebrew Bible rabbinic texts mystical literature Jewish philosophy and Jewish theology provides the skills necessary to understand these step by step explains how to interpret the major events in nearly 4 000 years of Jewish history supports study with discussion questions on the central historical and religious issues includes key reading for each chapter and an extensive bibliography illustrates the development of Judaism its concepts and observances with nearly 200 maps and photographs A companion website links each chapter to other online resources and gives guidance on activities and support for teachers

American Judaism Jonathan D. Sarna, 2019-06-25 Jonathan D Sarna s award winning American Judaism is now available in an updated and revised edition that summarizes recent scholarship and takes into account important historical cultural and political developments in American Judaism over the past fifteen years Praise for the first edition Sarna has written the first systematic comprehensive and coherent history of Judaism in America one so well executed it is likely to set the standard for the next fifty years Jacob Neusner Jerusalem Post A masterful overview Jeffrey S Gurock American Historical Review This book is destined to be the new classic of American Jewish history Norman H Finkelstein Jewish Book World Winner of the 2004 National Jewish Book Award Jewish Book of the Year

The Cambridge Companion to American Judaism Dana Evan

Kaplan,2005-08-08 This volume provides readers with a comprehensive introduction to the most important and interesting historical and contemporary facets of Judaism in America Written by twenty four leading scholars from the fields of religious studies American history and literature philosophy art history sociology and musicology the book adopts an inclusive perspective on Jewish religious experience Three initial chapters cover the development of Judaism in America from 1654 when Sephardic Jews first landed in New Amsterdam until today Subsequent chapters include cutting edge scholarship and original ideas while remaining accessible at an introductory level A secondary goal of this volume is to help its readers better understand the more abstract term of religion in a Jewish context The Cambridge Companion to American Judaism will be of interest not only to scholars but also to all readers interested in social and intellectual trends in the modern world **The Oxford Handbook of Jewish Ethics and Morality** Elliot N. Dorff,Jonathan K. Crane,2016-01-23 For thousands of years the Jewish tradition has been a source of moral guidance for Jews and non Jews alike As the essays in this volume show the theologians and practitioners of Judaism have a long history of wrestling with moral questions responding to them in an open argumentative mode that reveals the strengths and weaknesses of all sides of a question The Jewish tradition also offers guidance for moral conduct by individuals communities and countries and shows how to motivate people to do the good and right thing The Oxford Handbook of Jewish Ethics and Morality is a collection of original essays addressing these topics historical and contemporary as well as philosophical and practical by leading scholars from around the world The first section of the volume describes the history of the Jewish tradition s moral thought from the Bible to contemporary Jewish approaches The second part includes chapters on specific fields in ethics including the ethics of medicine business sex speech politics war and the environment *Justice After Stonewall* Paul Behrens,Sean Becker,2023-01-31 Justice After Stonewall is an interdisciplinary analysis of challenges and progress experienced by the LGBT community since the Stonewall riots in 1969 The riots sparked by a police raid in New York City are a milestone in LGBT history Within a short time a new feeling of confidence emerged manifested in new LGBT organisations and the first Pride marches Legal and social change followed from the decriminalisation of homosexual activities to anti discrimination laws and the legalisation of same sex marriage This makes it tempting to think of modern LGBT history as an unequivocal success story But progress was not achieved everywhere in 70 States same sex relations are still criminalised violence against LGBT persons still occurs and transgender people still struggle to have their rights recognised The question whether the path since Stonewall represents success or failure cannot be answered by one discipline alone This book breaks new ground by bringing together experts from politics sociology law education language medicine and religion to discuss fields as diverse as same sex marriage transgender students the LGBT movement in Uganda and LGBT migrants in the Arabian Peninsula conversion therapy and approaches to LGBT matters in Judaism Christianity and Islam What emerges is a rich tapestry of LGBT life today and its consideration from numerous perspectives Based on thorough research this book is an ideal text for students and scholars

exploring LGBT matters At the same time its engaging style makes it a particularly valuable resource for anyone with an interest in LGBT matters and their reception in today s world

A History of Judaism Martin Goodman,2019-11-19 Judaism is one of the oldest religions in the world and it has preserved its distinctive identity despite the extraordinarily diverse forms and beliefs it has embodied over the course of more than three millennia A History of Judaism provides the first truly comprehensive look in one volume at how this great religion came to be how it has evolved from one age to the next and how its various strains sects and traditions have related to each other In this magisterial and elegantly written book Martin Goodman takes readers from Judaism s origins in the polytheistic world of the second and first millennia BCE to the temple cult at the time of Jesus He tells the stories of the rabbis mystics and messiahs of the medieval and early modern periods and guides us through the many varieties of Judaism today Goodman s compelling narrative spans the globe from the Middle East Europe and America to North Africa China and India He explains the institutions and ideas on which all forms of Judaism are based and masterfully weaves together the different threads of doctrinal and philosophical debate that run throughout its history

American Reform Judaism Dana Evan Kaplan,2003-04-29 The only comprehensive and up to date look at Reform Judaism this book analyzes the forces currently challenging the Reform movement now the largest Jewish denomination in the United States To distinguish itself from Orthodox and Conservative Judaism the Reform movement tries to be an egalitarian open and innovative version of the faith true to the spirit of the tradition but nonetheless fully compatible with modern secular life Promoting itself in this way Reform Judaism has been tremendously successful in recruiting a variety of people intermarried families feminists gays and lesbians and interracial families among others who resist more traditional forms of worship As an unintended result of this success the movement now struggles with an identity crisis brought on by its liberal theology which teaches that each Jew is free to practice Judaism more or less as he or she pleases In the absence of the authority that comes from a theology based on a commanding all powerful God can Reform Judaism continue to thrive Can it be broadly inclusive and still be uniquely and authentically Jewish Taking this question as his point of departure Dana Evan Kaplan provides a broad overview of the American Reform movement and its history theology and politics He then takes a hard look at the challenges the movement faces as it attempts to reinvent itself in the new millennium In so doing Kaplan gives the reader a sense of where Reform Judaism has come from where it stands on the major issues and where it may be going Addressing the issues that have confronted the movement including the ordination of women acceptance of homosexuality the problem of assimilation the question of rabbinic officiation at intermarriages the struggle for acceptance in Israel and Jewish education and others Kaplan sheds light on the connection between Reform ideology and cultural realities He unflinchingly yet optimistically assesses the movement s future and cautions that stormy weather may be ahead

Catholicism Engaging Other Faiths Vladimir Latinovic, Gerard Mannion, Jason Welle, O.F.M.,2018-12-08 This book assesses how Vatican II opened up the Catholic Church to encounter dialogue and engagement

with other world religions Opening with a contribution from the President of the Pontifical Council for Interreligious Dialogue Cardinal Jean Louis Tauran it next explores the impact relevance and promise of the Declaration Nostra Aetate before turning to consider how Vatican II in general has influenced interfaith dialogue and the intellectual and comparative study of world religions in the postconciliar decades as well as the contribution of particular past and present thinkers to the formation of current interreligious and comparative theological methods Additionally chapters consider interreligious dialogue vis vis theological anthropology in conciliar documents openness to the spiritual practices of other faith traditions as a way of encouraging positive interreligious encounter the role of lay and new ecclesial movements in interreligious dialogue and the development of Monastic Interreligious Dialogue Finally it includes a range of perspectives on the fruits and future of Vatican s II s opening to particular faiths such as Judaism Islam Hinduism and Buddhism

Das jüdische Eherecht Walter Homolka, 2009 Das j d ische Eherecht ist eines der religi sen Rechtsfelder die Rabbiner in ihrer Praxis am meisten besch ftigen Im Staat Israel ist das j d ische Familienrecht bis heute f r die Regelung von Eheschlie ung und Scheidung zwischen Juden relevant Das Buch f hrt in das J d ische Recht insgesamt und in seine Entwicklung in den verschiedenen Str mungen des Judentums ein Es folgt ein berblick ber Brautwerbung Verlobung Details der Eheschlie ung wie Zeugenregeln und Festsetzung des Trautermens sowie Eheverbote Dabei werden die Themen J d ischer Status Mischehe und bertritt zum Judentum ebenso behandelt wie die Entwicklung von der Polygamie zur Monogamie und die Leviratsehe Welche besonderen Regeln gelten f r Angeh rige der Priesterkaste Was beinhaltet der Ehevertrag die Ketubba Warum wird bei der Trauung ein Glas zerbrochen was hat es mit dem Ehering auf sich und mit den Segensspr chen w hrend der Eheschlie ung Welche ehelichen Pflichten bestehen nach erfolgter Eheschlie ung und k nnen gleichgeschlechtliche Paare heiraten Auch die Aufl sung der Ehe durch Scheidung wird eingehend behandelt Abfassung und Wortlaut des Scheidebriefes sowie die rechtlichen Folgen einer Scheidung werden erl utert Das Buch richtet sich insbesondere an Rabbiner in der Gemeindepraxis an Experten des kanonischen und kirchlichen Rechts und an Juristen die sich mit vergleichendem Familienrecht besch ftigen Auch Theologen und Judaisten lesen das Buch mit Gewinn

The Cambridge Guide to Jewish History, Religion, and Culture Judith R. Baskin, Kenneth Seeskin, 2010-07-12 The Cambridge Guide to Jewish History Religion and Culture is a comprehensive and engaging overview of Jewish life from its origins in the ancient Near East to its impact on contemporary popular culture The twenty one essays arranged historically and thematically and written specially for this volume by leading scholars examine the development of Judaism and the evolution of Jewish history and culture over many centuries and in a range of locales They emphasize the ongoing diversity and creativity of the Jewish experience Unlike previous anthologies which concentrate on elite groups and expressions of a male oriented rabbinic culture this volume also includes the range of experiences of ordinary people and looks at the lives and achievements of women in every place and era The many illustrations maps timeline and glossary of important terms enhance this book s accessibility to students and general readers

The

Wiley-Blackwell History of Jews and Judaism Alan T. Levenson, 2012-05-21 In *The Wiley Blackwell History of Jews and Judaism* a team of internationally renowned scholars offer a comprehensive and authoritative overview of Jewish life and culture from the biblical period to contemporary times Provides a comprehensive and authoritative overview of the main periods and themes of Jewish history from Biblical Israel through medieval and early modern periods to Judaism since the Holocaust the Arab Israeli conflict and Judaism today Brings together an international team of established and emerging scholars across a range of disciplines Discusses how to present Judaism to both non Jews and Jews as a religious system on its own terms and with its own unique vocabulary Explores the latest scholarship on a range of issues including folk practices politics economic structure the relationship of Judaism to Christianity and the nature of Zionism diaspora and its implications for contemporary Israel Considers Jewish historiography and the lives of ordinary people the achievements of Jewish women and the sustained interaction of Jews within the environments they inhabited Edited by a leading scholar in Jewish studies and history

Beyond Sectarianism Adam S. Ferziger, 2015-07-15 In 1965 social scientist Charles S Liebman published a study that boldly declared the vitality of American Jewish Orthodoxy and went on to guide scholarly investigations of the group for the next four decades As American Orthodoxy continues to grow in geographical institutional and political strength author Adam S Ferziger argues in *Beyond Sectarianism The Realignment of American Orthodox Judaism* that one of Liebman's principal definitions needs to be updated While Liebman proposed that the committed Orthodox observant rather than nominally affiliated could be divided into two main streams church or Modern Orthodoxy and sectarian or Haredi Orthodoxy Ferziger traces a narrowing of the gap between them and ultimately a realignment of American Orthodox Judaism Ferziger shows that significant elements within Haredi Orthodoxy have abandoned certain strict and seemingly uncontested norms He begins by offering fresh insight into the division between the American sectarian Orthodox and Modern Orthodox streams that developed in the early twentieth century and highlights New York's Congregation Kehilath Jeshurun as a pioneering Modern Orthodox synagogue Ferziger also considers the nuances of American Orthodoxy as reflected in Soviet Jewish activism during the 1960s and early 1970s and educational trips to Poland taken by American Orthodox young adults studying in Israel and explores the responses of prominent rabbinical authorities to Orthodox feminism and its call for expanded public religious roles for women Considerable discussion is dedicated to the emergence of outreach to nonobservant Jews as a central priority for Haredi Orthodoxy and how this focus outside its core population reflects fundamental changes In this context Ferziger presents evidence for the growing influence of Chabad Hasidism what he terms the Chabadization of American Orthodoxy Recent studies including the 2013 Pew Survey of U S Jewry demonstrate that an active and strongly connected American Orthodox Jewish population is poised to grow in the coming decades Jewish studies scholars and readers interested in history sociology and religion will appreciate Ferziger's reappraisal of this important group

Redefining Judaism in an Age of Emancipation Christian Wiese, 2006-11-30 Based on a comparative and

interdisciplinary approach this volume for the first time interprets the biography and philosophy of the German Jewish thinker Samuel Holdheim 1806-1860 shedding new light on a neglected phenomenon of nineteenth century Jewish intellectual history the radical Reform Movement that started in Germany and culminated in the American Jewish Reform ideology Leading scholars of modern Jewish history and thought from Germany France Belgium and the United States present a thorough reading of Holdheim's influential writings in the broader context of the debates within German Jewry about the modernization of Jewish identity in an age of political emancipation and cultural integration including such controversial issues as the authority of the rabbinical tradition or the re-interpretation of the ceremonial laws

Platforms and Prayer Books Dana Evan Kaplan, 2002 Platforms and Prayer Books is a remarkable collection of essays that illustrates the Reform Jewish theological enterprise at work Through lively discussions on theological and liturgical topics noted scholars and rabbis trace the evolution of Reform Judaism presenting innovative approaches and creative interpretations Visit our website for sample chapters

["Jewish, Gay and Proud"](#) Wilkens, Jan, 2020-11-16 This publication examines the foundation and institutional integration of the first gay lesbian synagogue Beth Chayim Chadashim which was founded in Los Angeles in 1972 As early as June 1974 the synagogue was admitted to the Union of American Hebrew Congregations the umbrella organization of the Reform congregations in the United States Previously the potential acceptance of a congregation by and for homosexual Jews triggered an intense and broad debate within Reform Judaism The work asks how it was possible to successfully establish a gay lesbian synagogue at a time when homosexual acts were considered unnatural and contrary to tradition by almost the entire Jewish community The starting point of the argumentation is in addition to general changes in American synagogues after World War II the assumption that Los Angeles was the most suitable place for this foundation Los Angeles has an impressive queer history and the Jewish community was more open tolerant and innovative here than its counterpart on the East Coast The Metropolitan Community Church was also founded in the city and as the largest religious institution for homosexual Christians it also served as the birthplace of queer synagogues Reform Judaism was chosen as the place of institutional integration of the community because a relative openness for such an endeavor was only seen here Responsa written in response to a potential admission of Beth Chayim Chadashim can be used to understand the arguments and positions of rabbis and psychologists regarding homosexuality and communities for homosexual Jews in the early 1970s Ultimately the commitment and dedication of the congregation and its heterosexual supporters convinced the decision makers in Reform Judaism The decisive impulse to question the situation of homosexual Jews in Judaism came from Los Angeles With its analysis the publication contributes to the understanding of Queer Jewish History in general and queer synagogues in particular

Judaism in Transition Carmel U. Chiswick, 2014-06-04 At the core of Judaism stands a body of traditions that have remained consistent over millennia Yet the practice of these rituals has varied widely across historical and cultural contexts In Judaism in Transition Carmel U Chiswick draws on her Jewish

upbringing her journey as a Jewish parent and her perspective as an economist to consider how incentives affect the ways that mainstream American Jews have navigated and continue to manage the conflicting demands of everyday life and religious observance Arguing that economics is a blind spot in our understanding of religion Chiswick blends her personal experiences with economic analysis to illustrate the cost of Jewish participation financially and more importantly in terms of time and effort The history of American Jews is almost always told as a success story in the secular world Chiswick recasts this story as one of innovation in order to maintain a distinctive Jewish culture while keeping pace with the steady march of American life She shows how tradeoffs often made on an individual and deeply personal level produce the brand of Judaism which predominates in America today Along the way Chiswick explores salient and controversial topics from intermarriage to immigration and from egalitarianism to connections with Israel At once a portrait of American Jewish culture and a work that outlines how economic decisions affect religion Judaism in Transition shows how changes in our economic environment will affect the Jewish community for decades to come

Thank you extremely much for downloading **Contemporary Debates In American Reform Judaism Conflicting Visions**. Maybe you have knowledge that, people have look numerous period for their favorite books when this Contemporary Debates In American Reform Judaism Conflicting Visions, but stop up in harmful downloads.

Rather than enjoying a good book subsequent to a cup of coffee in the afternoon, instead they juggled next some harmful virus inside their computer. **Contemporary Debates In American Reform Judaism Conflicting Visions** is handy in our digital library an online access to it is set as public suitably you can download it instantly.
