Contemporary Soviet Society Sociological Perspectives:

Contemporary Soviet Society Jerry G. Pankhurst, Michael Paul Sacks, 1980 The Contemporary Soviet City Henry W. Morton, Robert C. Stuart, 2017-07-05 This anthology of short stories reflects the writers shared core experience of Korea's trajectory from an inward looking feudal state through Japanese colony and battle ground for the Korean War to a modernizing society Three stories have been added to the original edition Understanding Soviet Society Michael Paul Sacks, Jerry G. Pankhurst, 2013-10-15 First Published in 1988 Understanding Soviet Society has grown out of the authors experience as sociologists researching and teaching about the Soviet Union Meant initially as an update to Contemporary Soviet Society Sociological Perspectives from 1980 this became a new volume because of the addition of six new authors but also because of the major changes occurring in the USSR today that in many ways necessitated new approaches It examines the fundamental institutions of Soviet society from work and social welfare to politics and the Party in order to provide an objective understanding of the social underpinnings of the Soviet System *Research Guide to the Russian and Soviet Censuses* Ralph S. Clem, 2016-11-01 Taken together the Russian census of 1897 and the Soviet censuses of 1926 1959 1970 and 1979 constitute the largest collection of empirical data available on that country but until the publication of this book in 1986 the daunting complexity of that material prevented Western scholars from exploiting the censuses fully This book is both a guide to the use of and a detailed index to these censuses The first part of the book consists of eight essays by specialist on the USSR six of them dealing with the use of census materials and the availability of data for research on ethnicity and language marriage and the family education and literacy migration and organization age structure and occupations The second part a comprehensive index for all the published census presents more than six hundred annotated entries for the census tables a keyword index that enables researchers to find census data by subject and a list of political administrative units covered in each census The Status of Soviet Civil Science Craig Sinclair, 2012-12-06 This volume represents one outcome of the initiatives taken from time to time by the NATO Science Committee to add to the work of supporting civil science within the Alliance by mounting open meetings or other projects dealing with some topical aspect of science and technology policy Past examples have included the 20th anniversary meeting of the establishment of the Science Committee in 1978 which made a review of the achievements of the various programmes It proved to be a valuable opportunity to take stock of the impact of science and technology on Western societies and was a particularly useful occasion for a critical analysis of the changing nature and social role of science and technology In contrast the Science Committee Conferences in 1973 and 1976 on the Technology of Efficient Energy Utilization and on Thermal Energy Storage were responses of the Committee to specific technological problems engendered by the then acute energy supply position A similar technologically oriented study was made in 1975 of the Rational Use of Potentially Scarce Metals These initiatives were the counterpoint to the bulk of the continuing work of the Committee in funding scientific mobility in the Alliance as support to

civil science This latter is done competitively in response to unsolicited applications The Committee hopes to demonstrate by its special activities its flexibility and responsiveness to the evolving activities technologists and policy makers Soviet Science on the Edge of Reform Harley D. Balzer,2019-06-04 It is my sincere hope that the reforms currently being introduced in the USSR will render much of this book obsolete Yet even if perestroika brings significant change to the Soviet Union historians will want a record of what existed before After four years it has become apparent that perestroika is a painful long term process In such a large and diverse country even the reforms that are successful cannot take place everywhere at once One major goal in publishing this book is to make data from a major interview project on Soviet science and technology available to a broader audience Despite the changes taking place many of the features illuminated by these unique data persist **Russian and Soviet Education 1731-1989** John T. Zepper,William W. Brickman,2014-02-04 Volume 9 in the series of Reference Books in International Education This bibliography is intended to provide a reference aid to mature Russian Soviet scholars to those beginning a life long study of this field and to students in Russian Soviet Studies and allied fields This title provides a resource to scholars students and professionals seeking to understand the role played by education in various societies or regions of the world **Air University Review** ,1986 **Elections and Democratization in Ukraine** Sarah Birch,2000-06-22 Elections and Democratization in Ukraine analyses the role of competitive elections in the Ukraine s crucial democratic transition period of 1989 to 1998 focusing on how Ukrainian voters make vote choices and which electoral cleavages are most important Contrary to those who claim that the Soviet Union left in its wake an atomized society with weak social divisions this study argues that the Ukrainian electorate has from the advent of competitive elections exhibited relatively stable voting behaviour Chinese Urban Life Under Reform Wenfang Tang,William L. Parish,2000-01-28 This book examines how urban China is experiencing the shift from a planned to a market economy *Red Army and Society* Ellen Jones,2021-01-26 This book first published in 1985 is the first full length study of the Soviet Armed Forces as a social institution Using military manpower as a substantive focus it identifies those characteristics that the Soviet military shared with counterparts in non communist systems and those that were unique to the society and political culture in which it was embedded The discussion encompasses defence policy making as a whole and focuses on conscription policy the characteristics of the professional military the role of the political officer the mechanics of political socialization within the Red Army and the experience of ethnic minorities in the armed forces This analysis provides a window through which we can observe the broader military system at work how that system affects and in turn is affected by the economic social and political life of the Soviet Union It contributes to our understanding of civil military relations in communist systems and to our knowledge of Soviet political and social trends **Chernenko, the Last Bolshevik** Ilya Zemtsov,2020-03-02 Konstantin Ustinovich Chernenko a figure who appeared to the outside world as a commonplace Russian bureaucrat cut from the mold of a Gogol short story was elevated in 1984 to the post of general secretary of the Communist

party of the Soviet Union Thus a post held by such awesome fearsome figures as Lenin and Stalin passed into the hands of someone perceived as a nondescript bureaucrat devoid of ideas or initiative and crippled by old age and infirmity A singular merit of this work is that it shows how far from the mark were these perceptions This is the only full length treatment of Chernenko in contrast to the vast tomes written on his five predecessors as well as on the present incumbent Mikhail Gorbachev The work delves into archival materials never before reported in either the East or West The picture that emerges is not of some run of the mill apparatchik but of a figure who in the context of the Brezhnev era came forth with ideas that were revolutionary at least in the sense of a realization of the deep malaise into which Soviet economy and society had fallen Zemtsov's volume explains the paradox of a servile conservative member of the Politburo becoming an innovative even courageous leader during the thirteen fateful months he held Soviet power it is a tribute to this effort at reconstruction that what emerges is a rounded human being and not simply a political actor This analytical study of the transformation of a peasant into a politician fills out a missing link without which the current impulse to reform in the U S S R is hard to understand or appreciate

The Making of Détente Keith L. Nelson, 2019-12-01 Originally published in 1995 In the early 1970s largely as a result of the debilitating struggle in Vietnam the United States began to reassess and redefine its basic approach to East West relations At the same time the Soviet Union was awakening to the liabilities that a continuing and unregulated state of hostility would impose on its own internal and external agenda Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War In this important study Keith Nelson explains the detente period in an imaginative convincing and impressively scholarly manner Although there have been scores of books and memoirs on the subject none have done the job quite like Nelson's In particular he has used post glasnost Russian memoirs and monographs and especially his own interviews with such key players as Dobrynin and Arbatov to present one of the most intelligent Kremlinological studies I have ever seen Melvin Small Wayne State University

Soviet Society Under Perestroika David Lane, 2002-09-11 This is an up to the minute revised edition of a text which since its publication in 1990 has been extremely influential The great changes of the past 18 months have entailed a comprehensive updating of the book This edition takes account of new developments that include the independence of the Baltic states and the treaty which sparked 1991's attempted coup

Work and Equality in Soviet Society Michael Paul Sacks, 1982

Encyclopaedia of Soviet Life Ilya Zemtsov, 2017-09-08 A by product of the amazing changes now taking place within the Soviet Union is a change in rhetoric no less than reality Under Gorbachev the Russian language has been changing parallel with *novoe politicheskoe myshlenie* new political thinking with the effect that such new expressions as have flooded the Russian language clash with the less yielding realities of Soviet economy and society The purpose of this volume is to clarify this dynamic in Soviet life in which stagnation and decay confront hopes and expectations for liberalization Zemtsov argues that the Soviet political language is self contradictory fractured into polarities of good and

evil and thus depriving the Russian language of its basic subtlety coherence and inner logic This work brings to life the Orwellian world of double speak in a post totalitarian environment The Soviet language has two basic components fictions which Communist ideology proclaims as reality and realities that are portrayed in the guise of fictions In this sense Zemtsov undertakes to do for the Soviet language what the great H L Mencken achieved for the American language show the reality of Soviet life by making plain the fictive qualities of Soviet ideology This is a basic library reference work a volume of indispensable utility for political scientists area experts and policy analysts It offers a taxonomy enriched by a deep personal knowledge of the Russian language by its author Encyclopedia of Soviet Life is at one and the same time a basic primer of Soviet contemporary politics a deep portrait of the psychology of totalitarian manipulation and a sensitive appreciation of the nobler aspirations of the Russian people that is part and parcel of their great language

The SAGE Handbook of the Sociology of Religion James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook's 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

Problems of Communism, 1973 *The War Within* Alexis Peri, 2017-01-02 Winner of the Pushkin House Russian Book Prize Winner of the University of Southern California Book Prize Honorable Mention Reginald Zelnik Book Prize Fascinating

and perceptive Antony Beevor New York Review of Books Stand aside Homer I doubt whether even the author of the Iliad could have matched Alexis Peri's account of the 872 day siege which Leningrad endured Jonathan Mirsky The Spectator Powerful and illuminating A fascinating insightful and nuanced work Anna Reid Times Literary Supplement Much has been written about Leningrad's heroic resistance But the remarkable aspect of Peri's book is that she tells a very different story recounting the internal struggles of ordinary people desperately trying to survive and make sense of their fate John Thornhill Financial Times A sensitive at times almost poetic examination of their emotions and disordered mental states It both contrasts with and complements the equally accurate official Soviet portrait of a stalwart population standing firm in the face of evil and in defense of Soviet ideals Robert Legvold Foreign Affairs In September 1941 two and a half months after the Nazis invaded the Soviet Union the German Wehrmacht encircled Leningrad Cut off from the rest of Russia the city remained blockaded for 872 days at a cost of almost a million lives It was one of the longest and deadliest sieges in modern history The War Within chronicles the Leningrad blockade from the perspective of those who endured it Drawing on unpublished diaries Alexis Peri tells the tragic story of how young and old struggled to make sense of a world collapsing around them When the blockade was lifted in 1944 Kremlin officials censored publications describing the ordeal and arrested many of Leningrad's wartime leaders Some were executed Diaries now dangerous to their authors were concealed shelved in archives and forgotten The War Within recovers these lost accounts shedding light on one of World War II's darkest episodes while paying tribute to the resilience of the human spirit

Rebounding Identities Dominique Arel, Blair A. Ruble, 2006 An examination of post Soviet society through ethnic religious and linguistic criteria this volume turns what is typically anthropological subject matter into the basis of politics sociology and history Ten chapters cover such diverse subjects as Ukrainian language revival Tatar language revival nationalist separatism and assimilation in Russia religious pluralism in Russia and in Ukraine mobilization against Chinese immigration and even the politics of mapmaking A few of these chapters are principally historical connecting tsarist and Soviet constructions to today's systems and struggles The introduction by Dominique Arel sets out the project in terms of new scholarly approaches to identity and the conclusion by Blair A Ruble draws out political and social implications that challenge citizens and policy makers *Rebounding Identities* is based on a series of workshops held at the Kennan Institute in 2002 and 2003

This is likewise one of the factors by obtaining the soft documents of this **Contemporary Soviet Society Sociological Perspectives** by online. You might not require more get older to spend to go to the books launch as without difficulty as search for them. In some cases, you likewise reach not discover the statement Contemporary Soviet Society Sociological Perspectives that you are looking for. It will unconditionally squander the time.

However below, gone you visit this web page, it will be therefore entirely easy to acquire as with ease as download guide Contemporary Soviet Society Sociological Perspectives

It will not acknowledge many epoch as we explain before. You can pull off it even though operate something else at home and even in your workplace. fittingly easy! So, are you question? Contemporary Soviet Society Sociological Perspectives Introduction

In the digital age, access to information has become easier than ever before. The ability to download Contemporary Soviet Society Sociological Perspectives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Contemporary Soviet Society Sociological Perspectives has opened up a world of possibilities. Downloading Contemporary Soviet Society Sociological Perspectives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Contemporary Soviet Society Sociological Perspectives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Contemporary Soviet Society Sociological Perspectives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Contemporary Soviet Society Sociological Perspectives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Contemporary Soviet Society Sociological Perspectives, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Contemporary Soviet Society Sociological Perspectives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Contemporary Soviet Society Sociological Perspectives Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Contemporary Soviet Society Sociological Perspectives is one of the best book in our library for free trial. We provide copy of Contemporary Soviet Society Sociological Perspectives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Contemporary Soviet Society Sociological Perspectives. Where to download Contemporary Soviet Society Sociological Perspectives online for free? Are you looking for Contemporary Soviet Society Sociological Perspectives PDF? This is definitely going to save you time and cash in something you should think about.
