Contemporary Native American Cultural Issues:

Contemporary Native American Cultural Issues Duane Champagne,1999 Chapter 1 Duane Champagne Introduction Chapter 2 I Native Identity Chapter 3 1 D Mihesuah American Indian Identities Issues of Individual Choices and Development Chapter 4 2 W Churchill The Crucible of American Indian Identity Native Tradition versus Colonial Imposition in Postconquest North America Chapter 5 II Gender Chapter 6 3 K B Chiste Aboriginal Women and Self Government Chapter 7 4 B Brant The Good Red Road Journeys of Homecoming in Native Women s Writing Chapter 8 5 B G Miller Contemporary Tribal Codes and Gender Issues Chapter 9 III Contemporary Powwow *Contemporary Native American Cultural Issues* Duane Champagne,2000-01-01 Duane Champagne has assembled a volume of top scholarship reflecting the complexity and diversity of Native American cultural life Introductions to each topical section provide background and integrated analyses of the issues at hand The informative and critical studies that follow offer experiences and perspectives from a variety of Native settings Topics include identity gender the powwow mass media health and environmental issues This book and its companion volume *Contemporary Native American Political Issues* edited by Troy R Johnson are ideal teaching tools for instructors in Native American studies ethnic studies and anthropology and important resources for anyone working in or with Native communities

Contemporary Native American Cultural Issues Thomas E Schirer,1988 Contemporary Native American Political Issues Troy Johnson,2000-01-01 How does one make a clear distinction between issues such as tribal sovereignty indigenous rights and law and justice How do these topics differ and can they be separated from issues such as identity health and environment The answer of course lies in the interconnectedness of all aspects of Native American life culture religion and politics This format encourages the consideration of Native politics both in terms of unifying themes and contexts and with regard to local situations needs and struggles From the Introduction by Troy Johnson Troy Johnson and has assembled a volume of top scholarship from which emerges the complexity and diversity of Native American political life in the 1990 s Each topical section is introduced by the editor s own commentaries which provide background and integrated analyses of the issues at hand They are followed by informative critical case studies and essays that offer experiences and perspectives from a variety of Native American and political settings Students will gain grounded understandings of key issues as well as a variety of theoretical perspectives from which to understand contemporary American Indian political life Topics include sovereignty international indigenous rights economic development law repatriation and activism

Indigenous Education and Empowerment Ismael Abu-Saad,Duane Champagne,2006-03-23 Indigenous people have often been confronted with education systems that ignore their cultural and historical perspectives Largely unsuccessful projects of assimilation have been the predominant outcome of indigenous communities encounters with state schools as many indigenous students fail to conform to mainstream cultural norms This insightful volume is an important contribution to our understanding of indigenous empowerment through education The contributors to this volume

work in the fields of education social development and community empowerment among indigenous communities around the world Their essays create a new foundation for implementing specialized indigenous minority education worldwide and engage the simultaneous projects of cultural preservation and social integration This work will be vital for scholars in Native American studies ethnic studies and education

Indigenous Intellectual Property Rights Mary Riley,2004-08-13 Riley and her group of expert contributors supply a unique set of worldwide case studies and policy analyses as guidance for indigenous communities and their partners in attempting to protect their intellectual property Much of the existing literature already addresses the poor fit between western regimes of intellectual property rights and the requirements for safeguarding indigenous cultural resources The manuscript gets beyond these negative claims in depicting positive efforts at protecting indigenous knowledge and cultures notwithstanding these legal limitations The reader is exposed to a wide array of legal political organizational and contractual strategies deployed by indigenous groups to protect their intellectual property interests It will be an important resource for social scientists advocates for indigenous and human rights bioprospecting indigenous leaders NGOs and law libraries

Medicine Ways Clifford E. Trafzer,Diane E. Weiner,2001 In Native cultures health is often expressed as a balance between body mind and spirit or soul At a philosophical level physical wellness is related to cultural political and economic well being This is a philosophy that is frequently ignored however in theoretical perspectives and applied programs that attempt to address Native American health problems This collection of essays examines the ways people from many indigenous communities think about and practice health care within historical and sociocultural contexts Chapters explore solutions to the prevalence of medically identified diseases such as cancer and diabetes as well as Native identified problems such as forced evacuation assimilation and poverty Annotation copyrighted by Book News Inc Portland OR

Indigenous Peoples and Globalization Thomas D. Hall,James V. Fenelon,2015-12-03 The issues native peoples face intensify with globalization Through case studies from around the world Hall and Fenelon demonstrate how indigenous peoples movements can only be understood by linking highly localized processes with larger global and historical forces The authors show that indigenous peoples have been resisting and adapting to encounters with states for millennia Unlike other antiglobalization activists indigenous peoples primarily seek autonomy and the right to determine their own processes of adaptation and change especially in relationship to their origin lands and community The authors link their analyses to current understandings of the evolution of globalization

Encyclopedia of American Indian Literature Jennifer McClinton-Temple,Alan Velie,2015-04-22 Presents an encyclopedia of American Indian literature in an alphabetical format listing authors and their works

An Introduction to Native North America Mark Q. Sutton,2016-07-28 An Introduction to Native North America provides a basic introduction to the Native Peoples of North America covering what are now the United States northern Mexico and Canada It covers the history of research basic prehistory the European invasion and the impact of Europeans on Native cultures A final chapter covers contemporary

Native Americans including issues of religion health and politics In this updated and revised new edition Mark Q Sutton has expanded and improved the existing text as well as adding a new case study updated the text with new research and included new perspectives particularly those of Native peoples Featuring case studies of several tribes as well as over 60 maps and images *An Introduction to Native North America* is an indispensable tool to those studying the history of North America and Native Peoples of North America **Indigenous Peoples and the Modern State** Duane Champagne, Karen Jo Torjesen, Susan Steiner, 2005-06-03 Champagne and his coauthors reveal how the structure of a multinational state has the potential to create more equal and just national communities for Native peoples around the globe In the U S Canada Mexico and Guatemala they show how indigenous people preserve their territory rights to self government and culture A valuable resource for Native American Canadian and Latin American studies comparative indigenous governments and international relations **American Indians and the Urban Experience** Susan Lobo, Kurt Peters, 2002-05-09 Modern American Indian life is urban rural and everything in between Lobo and Peters have compiled an unprecedented collection of innovative scholarship stunning art poetry and prose that documents American Indian experiences of urban life A pervasive rural urban dichotomy still shapes the popular and scholarly perceptions of Native Americans but this is a false expression of a complex and constantly changing reality When viewed from the Native perspectives our concepts of urbanity and approaches to American Indian studies are necessarily transformed Courses in Native American studies ethnic studies anthropology and urban studies must be in step with contemporary Indian realities and *American Indians and the Urban Experience* will be an absolutely essential text for instructors This powerful combination of path breaking scholarship and visual and literary arts from poetry and photography to rap and graffiti will be enjoyed by students scholars and a general audience A Choice Outstanding Academic Book **Native American Literature** Helen May Dennis, 2006-11-22 Considering Native American literature within a modernist framework and comparing it with writers such as Woolf Stein T S Eliot and Proust results in a valuable and enriching context for the selected texts **Social Change and Cultural Continuity Among Native Nations** Duane Champagne, 2007 This book defines the broad parameters of social change for Native American nations in the twenty first century as well as their prospects for cultural continuity Many of the themes Champagne tackles are of general interest in the study of social change including governmental economic religious and environmental perspectives This book is an excellent resource for use in anthropology sociology ethnic studies or Native American studies classes *An Introduction to Native North America -- Pearson eText* , 2015-08-26 *An Introduction to Native North America* provides a basic introduction to the native peoples of North America including both the United States and Canada It covers the history of research basic prehistory the European invasion and the impact of Europeans on Native cultures Additionally much of the book is written from the perspective of the ethnographic present and the various cultures are described as they were at the specific times noted in the text **Alcohol Use Among American Indians and Alaska Natives** Patricia D. Mail, 2002 **Place,**

Nations, Generations, Beings: 200 Years of Indigenous North American Art Katherine Nova McCleary, Leah Tamar Shrestinian, Joseph Zordan, Melissa Tantaquidgeon Zobel, Ned Blackhawk, Summer Sutton, 2018-12-31 This important publication is the first from the Yale University Art Gallery dedicated to Indigenous North American art Accompanying a student curated exhibition it marks a milestone in the collection display and interpretation of Native American art at Yale and seeks to expand the dialogue surrounding the University's relationship with Indigenous peoples and their arts The catalogue features an introduction by the curators that surveys the history of Indigenous art on campus and outlines the methodology used while researching and mounting the exhibition a discussion of Yale's Native American Cultural Center and a preface by the Medicine Woman and Tribal Historian of the Mohegan Nation Also included are images of nearly 100 works basketry beadwork drawings photography pottery textiles and wood carving from the early 1800s to the present day drawn from the collections of the Gallery the Yale Peabody Museum of Natural History and the Beinecke Rare Book and Manuscript Library The objects are grouped into four sections each introduced with a short essay that center on the themes in the book's title Together these texts and artworks seek to amplify Indigenous voices and experiences charting a course for future collaborations

International Handbook of Information Technology in Primary and Secondary Education Joke Voogt, Gerald Knezek, 2008-08-26 Since the introduction of the computer into education in the 1960's its potential for K 12 education has been widely recognized The terminology used at times confusing due to rapid technology change has continuously evolved We are in transition to an information society and the term computer technology has been replaced by information technology IT or information and communication technology ICT New demands from the information society require education to focus on information management and communication skills for which IT can be an essential resource IT offers promising environments and tools to support new approaches to teaching and learning Despite major investments the implementation of IT in education has been a persistent problem And although it is generally assumed that IT has high potential for improving education major research findings have only recently confirmed positive results of IT on students performance While there is a vast amount of research on information technology IT in K 12 education most of it is scattered Until now a unified presentation of the research from a broad international perspective has not been accomplished As a ground breaking publication the two volume International Handbook on Information Technology full title synthesizes the major issues and directions of research in the field One major focus of the Handbook is the design and potential of IT based student learning environments Offering the latest research in IT and the learning process distance learning and emerging technologies for education these chapters address the critical issue of the potential for IT to improve K 12 education A second important theme deals with the implementation of IT in educational practice In these chapters barriers and opportunities for IT implementation are studied from several perspectives the teacher the curriculum the school organization and educational policy Curriculum competencies and attitudes teacher learning schools and international and regional

programs and policies are examined to improve understanding how the implementation of IT in K 12 educational practice can be supported Additional topics addressed in the Handbook include the role of education in the information society threats to equity in education and as well various approaches to research in IT in education The International Handbook on Information Technology in Primary and Secondary Education provides researchers policy makers and practitioners with an integrated and detailed overview of this complex field making it an essential reference for all libraries and educators

The Sioux Guy Gibbon, 2008-04-15 This book covers the entire historical range of the Sioux from their emergence as an identifiable group in late prehistory to the year 2000 The author has studied the material remains of the Sioux for many years His expertise combined with his informative and engaging writing style and numerous photographs create a compelling and indispensable book A leading expert discusses and analyzes the Sioux people with rigorous scholarship and remarkably clear writing Raises questions about Sioux history while synthesizing the historical and anthropological research over a wide scope of issues and periods Provides historical sketches topical debates and imaginary reconstructions to engage the reader in a deeper thinking about the Sioux Includes dozens of photographs comprehensive endnotes and further reading lists

American Indians at Risk Jeffrey Ian Ross Ph.D., 2013-10-28 This essential reference work enables a deeper understanding of contemporary challenges in the lives of American Indians and Alaskan Natives today carefully reviewing their unique problems and proposing potential solutions American Indians face problems in their lives on a daily basis that most other Americans never contend with and their challenges which in some cases are similar to those of other minority groups in the United States are still qualitatively unique American Indians at Risk gives readers a broad overview of what life in Indian country is like addressing specific contemporary social issues such as alcoholism unemployment and suicide The author goes beyond detailed descriptions of the problems of American Indians to also present solutions some of which have been effective in addressing these challenges Each chapter includes a Further Investigations section that presents helpful ideas for additional research

Getting the books **Contemporary Native American Cultural Issues** now is not type of inspiring means.
