Continued Wesleyan Poetry:

Slow Transparency Rachel Hadas, 1983 *A Guide to The Maximus Poems of Charles Olson* George F. Butterick, 2023-11-15 A Guide to the Maximus Poems of Charles Olson offers an essential companion to Olson's monumental and intricate Maximus Poems. This scholarly guide navigates the complexities of Olson's allusive and expansive verse which spans themes from local Gloucester history to universal mythologies. With nearly 4 000 annotations the guide meticulously decodes references to historical figures, literary works, geographical landmarks and philosophical concepts. It moves line by line offering insight into Olson's sources and intellectual framework including his borrowings from Algonquin legends, Arabic angelology and Whitehead's cosmology. Rich with unpublished material from Olson's papers as well as letters, interviews and classroom notes, the guide aims to equip readers with the tools to actively engage with Olson's text, uncovering its layered meanings through his principle of *istoria* to find out for oneself. Structured chronologically rather than alphabetically, the guide mirrors the progression of Olson's three volume epic, weaving historical scholarship with interpretive clarity. Each annotation situates Olson's references in context, revealing the intricate interplay between history, myth and the poet's life in Gloucester. The guide further illuminates Olson's creative process, tracing the evolution of his ideas through drafts, personal correspondences and published works. Designed as both a reference and an entry point into Olson's ambitious poetic project, it not only deepens appreciation for *The Maximus Poems* but also serves as a model for literary scholarship, inviting readers to engage with Olson's world on their own intellectual journey. This title is part of UC Press's *Voices Revived* program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high quality, peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1980. **Wesleyan Poetry (series).** , *Continued* Piotr Sommer, 2010-03-01 *Continued* is a selection of poems by Piotr Sommer spanning his career to date. A kind of poetic utterance, these talk poems are devoid of any singsong quality yet faithfully preserve all the melodies and rhythms of colloquial speech. Events and objects of ordinary everyday life are related and described by the speaker in a deliberately deadpan manner. Yet a closer look at the language he uses, with all its ironic inflections and subtle intermeanings, reveals that the poem's message should be identified more with the way it is spoken than with what it says. The poems in this volume were translated into English with the help of other notable poets, writers and translators including John Ashbery, D J Enright and Douglas Dunn. **The Publishers Weekly**, 1909 **The Bible Christian magazine, a continuation of the Arminian magazine** Bible Christians, 1854 *Catalogue of the Library of Congress* Library of Congress, 1869 *The Cambridge Companion to Latin American Poetry* Stephen M. It is organized into three parts. Part I provides a comprehensive chronological survey of Latin American poetry.
