Policy Making and Implementation Ronald James May, 2009-09-01 There is a vast literature on the principles of public administration and good governance and no shortage of theoreticians practitioners and donors eager to push for public sector reform especially in less developed countries Papua New Guinea has had its share of public sector reforms frequently under the influence of multinational agencies and aid donors Yet there seems to be a general consensus both within and outside Papua New Guinea that policy making and implementation have fallen short of expectations that there has been a failure to achieve good governance This volume which brings together a number of Papua New Guinean and Australian based scholars and practitioners with deep familiarity of policy making in Papua New Guinea examines the record of policy making and implementation in Papua New Guinea since independence It reviews the history of public sector reform in Papua New Guinea and provides case studies of policy making and implementation in a number of areas including the economy agriculture mineral development health education lands environment forestry decentralization law and order defence women and foreign affairs privatization and AIDS Policy is continuously evolving but this study documents the processes of policy making and implementation over a number of years with the hope that a better understanding of past successes and failures will contribute to improved governance in the future

Australia in a Changing World F. A. Mediansky, 1992 Collection of 18 essays by foreign policy specialists including Colin Mackerras Henry Albinski and Nancy Viviani focusing on political security and economic concerns Designed as an introduction to these issues it provides an overview of historical background and emerging challenges covering domestic and foreign relations Includes lists of further reading an index and a bibliography

Australia-China Relations post 1949 Yi Wang, 2016-04-08 This book challenges the common perceptions of Australian dependence upon great power allies in the conduct of its foreign relations through a critical examination of Australia s relations with the People s Republic of China The author focuses on the economic and political dimensions of the policy making process from the founding of the PRC in 1949 to the present era against an analytical framework that takes into account both internal and external factors in the formulation and implementation of Australian foreign policy Informed by political science and international relations the book differs from the conventional literature on Sino Australian relations which has either focused on pure economic analysis or concentrated on chronicling historical events The author weaves theoretical insights from political science and international relations into the historical analysis while seeking to examine the interplay between political and economic factors over time in shaping policy outcomes The book draws not only on primary and secondary sources but also on information and insights obtained from interviews with a vast array of direct participants in the policy process including almost all the former ambassadors from both China and Australia covering the entire period of the diplomatic relationship As a result the book breaks new ground especially from the Hawke era onwards revealing hitherto overlooked details of interest in the policy process

Foreign Ministries B. Hocking, 2016-07-27 In seeking to test the conventional wisdom that foreign ministries are in decline the contributors to this book examine the role and status of

foreign ministries in twelve countries together with their place within the European Union Valuable information on the response of the foreign policy machinery to change at both the domestic and international levels is provided as are important insights into the linkages between foreign policy and the mechanisms through which it is conducted This book will be essential reading for those concerned with foreign policy making in the post Cold War era as well as those interested in the evolving machinery of government in its broader context **The Australia-Japan Political Alignment** Alan

Rix,2013-03-07 In this new volume Alan Rix examines the renewal of post war contacts between Australia and Japan and the resolution of wartime issues in the 1950s He shows how some major bilateral negotiations highlight the tensions involved in forging a strong relationship while extensive analysis of the machinery of diplomacy the administrative political and legal framework indicates the depth of bilateral ties Also covered are the close consultation and diplomatic dealings over the decades and the personal connections between leaders **New Developments in Australian Politics** Brian Galligan,Ian

McAllister,John Ravenhill,1997 An overview of contemporary issues in Australian politics Part I examines the operation of the political system and political culture Part II looks at issues such as republicanism and citizenship Part III examines Australia s recent attempts to reshape defence and foreign policy in response to the post Cold War international environment and Australia s response to the impact of globalisation on the economy Includes references and index Also available in paperback The 14 contributors include Clive Bean Graeme Cheeseman and Glyn Davis Powerscape Anika Gauja,2020-08-05 An

innovative and exciting approach to the study of Australian politics that is guaranteed to spark students interest Professor Carol Johnson University of Adelaide Powerscape is an engaging study of power relationships in the Australian political system and the community at large Alex Karolis Public Administration Today Powerscape is an introduction to Australian politics designed for today s students It outlines the core political institutions and processes and also analyses contemporary political issues and debates Powerscape tells the story of a dynamic political system and of high levels of public engagement Despite the prevailing view that political participation in the 21st century in many liberal democracies is subdued this book reveals complex interactions with political processes by a wide range of players Organised in three parts power and democracy political actors and policy processes Powerscape systematically investigates the role of power in political life Each chapter is introduced by a snapshot a detailed example based on a current issue or recent event With extended analysis of the change of government at the 2007 federal election this second edition has been fully updated It includes new examples and new chapters on political institutions and policy making The Rise of East Asia Mark Berger,Douglas

Borer,2002-09-11 There is great interest in the Pacific Century and what its implications for the future will be The rapid economic growth of East Asia was already setting the region apart from the rest of the world by the 1970s By the 1980s the trend was seen to have spread southward to Thailand Malaysia and Indonesia while China s provinces had also become integral to the regional economic boom In this exciting new study many of the ideas and expectations associated with the

Pacific Century are placed under critical scrutiny The book includes studies of particular countries such as China Japan South Korea Vietnam Indonesia and Malaysia There is analysis of economic and political trends in the region the reasons behind its rise and its importance on a global scale The rise of East Asia represents an historic turning point with immense significance world wide This book will be of interest to anyone concerned about the new approaches to and the debate about the rise of east Asia and the coming of the Pacific Century **Defense and Security** Karl R. DeRouen,Uk Heo,2005 **The Good Neighbour: Volume 5, The Official History of Australian Peacekeeping, Humanitarian and Post-Cold War Operations** Bob Breen,2016-07-15 The Good Neighbour explores the Australian government s efforts to support peace in the Pacific Islands from 1980 to 2006 It tells the story of the deployment of Australian diplomatic military and policing resources at a time when neighbouring governments were under pressure from political violence and civil unrest The main focus of this volume is Australian peacemaking and peacekeeping in response to the Bougainville Crisis a secessionist rebellion that began in late 1988 with the sabotage of a major mining operation Following a signed peace agreement in 2001 the crisis finally ended in December 2005 under the auspices of the United Nations During this time Australia s involvement shifted from behind the scenes peacemaking to armed peacekeeping intervention and finally to a longer term unarmed regional peacekeeping operation Granted full access to all relevant government files Bob Breen recounts the Australian story from decisions made in Canberra to the planning and conduct of operations **International Bibliography of the Social Sciences** ,1994 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences The Weaker Voice and the Evolution of Asymmetric Alliances Andrea Leva,2023-10-24 Military alliances are a constant feature in international politics and a better understanding of them can directly impact world affairs This book examines why alliances endure or collapse As a distinctive feature it analyses asymmetric alliances focusing on the junior allies decision to continue or terminate a military agreement It deepens our knowledge of alliance cohesion and erosion investigating the relevance of the weaker side s preferences and behavior in alliance politics The author examines the literature on alliance persistence and termination and puts forward a theoretical model that helps interpret historical and contemporary cases in a way that is useful for expert researchers and non expert readers alike *Defense and Security* Karl DeRouen Jr.,Uk Heo,2005-09-27 An authoritative up to date examination of the national security and defense policies of 50 influential nations and regions across the globe *Defense and Security A Compendium of National Armed Forces and Security Policies* presents highly readable authoritative essays profiling the defense and security policies of over 50 individual countries and regions with a focus on present day developments Written by leading national and international scholars and edited by eminent political science experts Karl DeRouen and Uk Heo the essays take an in depth look at each nation s current security situation defense spending present and potential military confrontations civil military relations alliances relations to terrorism and other topics

of importance Historical events and conflicts are highlighted as well with emphasis on the post Cold War era The essays are parallel in structure allowing readers to pinpoint similarities and draw comparisons among nations The two volume set also includes a detailed introduction featuring a cross national comparison **Australian Defence Force Journal** ,1999

Reshaping Regional Relations Ramesh Thakur,Carlyle A. Thayer,2019-07-11 Reshaping Regional Relations summarizes the cause and consequences of changes in Asia Pacific region It introduces the lead player in regional change and outlines strategic military political and economical issues that constitute the regional agenda in the 1990s *Re-Orienting Australia-China Relations* Nicholas Thomas,2017-03-02 Drawing on contributors from academic and policy communities this volume explores the major aspects of Australia China relations The frequently overlooked connection between Australia and Taiwan is also considered to allow readers to reach a full appreciation of the restraints engendered by the relationship with China as well as its many benefits Moving beyond the traditional state centric analysis the work incorporates new material on sub state relations as well as examining the impact of global economic and social forces on the Australia China friendship In addition to providing a contemporary understanding of the bilateral ties this work also provides a benchmark against which Australia s other relations with the countries of East Asia can be measured **Navigating a Changing World** Geoffrey Hale,Greg Anderson,2021-04-07 The negotiation of the Canada U S Free Trade agreement in 1985 88 initiated a period of substantially increased North American and later global economic integration However events since the election of Donald Trump in 2016 have created the potential for major policy shifts arising from NAFTA s renegotiation and continuing political uncertainties in the United States and with Canada s other major trading partners Navigating a Changing World draws together scholars from both countries to examine Canada U S policy relations the evolution of various processes for regulating market and human movements across national borders and the specific application of these dynamics to a cross section of policy fields with significant implications for Canadian public policy It explores the impact of territorial institutions and extra territorial forces institutional economic and technological among others on interactions across national borders both within North America and where relevant in broader economic relationships affecting the movement of goods services people and capital Above all Navigating a Changing World represents the first major study to address Canada s international policy relations within and beyond North America since the elections of Justin Trudeau in 2015 and Donald Trump in 2016 and the renegotiation of NAFTA
