Brainchild Derek Alexander,2002-08 BrainChild Visions of a Blind Poet is a unique montage of poetry songs and artwork BrainChild takes the reader on an emotional whirlwind Alexander s relaxes style allows the reader to easily follow along thus making BrainChild a Must have book *BrainChild* Derek M.A. Alexander, Melodic Erotic Derek M.A. Alexander,

Night Vision R. F. Hess,L. T. Sharpe,K. Nordby,1990-09-27 This detailed 1990 book describes the light and dark adaptation of receptor and post receptor mechanisms from a number of perspectives The authors emphasise the importance of the study of achromatopsia a rare congenital condition in which the visual mechanisms that mediate day vision are absent whilst those that mediate night vision remain intact *Mavericks of the Mind* David Jay Brown,Rebecca McClen

Novick,1993 Conversations with Terence McKenna Riane Eisler David Loye Robert Trivers Nick Hebert Ralph Abraham Robert Anton Wilson Timothy Leary Rupert Sheldrake Carolyn Mary Kleefeld Colin Wilson Oscar Janiger John C Lilly Nina Graboi Laura Huxley Allen Ginsberg Stephen LaBerge **Independent School Libraries** Dorcas Hand,2010-06-11 The first book published about independent school libraries since 1985 this work offers both the independent school library community and the broader school library community a wealth of insights into excellence in library practice Independent School Libraries Perspectives on Excellence offers readers insights into best practices in library services for school communities using examples drawn from independent schools of various sizes descriptions and locations across the United States Two overview essays introduce a statistical analysis of independent schools Each of the remaining essays provides perspective on a different aspect of library practice including staffing advocacy assessment technology collaboration programs beyond the curriculum intellectual freedom and privacy budgeting accreditation disaster planning and more Because independent school librarians work across divisions and without a mandate to adhere to state or national standards they have the freedom to explore and refine best practice in a school library setting Fortunately the ideas and methods they have developed many of which are on display here can be applied in any school library *Imagine a Land--* Daniel P. Marolen,1991 *American Book Publishing Record* ,1987 **Enema Story** Normane Cobbleson,2000-03 Enema Story is adult fiction written primarily for those who judiciously take enemas or colonic irrigations based upon health or religious beliefs or for sexual enhancement Also someone trying to understand why another takes them may find the story revealing Of course there is always room for the open minded and curious This novella is reality based and historically accurate The world is divided on the subject with those for and against enema use just as adamant Since ancient Egyptian times people have taken enemas kings queens American presidents the religious and farmers to name a few groups The beloved Princess Diana God rest her soul was known to frequent a colonic irrigation clinic One well known American entertainer believes in taking coffee enemas to treat her depression Only a statistician could estimate how many millions practice the therapy worldwide Based upon hundreds of hours of study and discussions on the Internet it would be safe to guess that most older users were

given their first enema at the hands of a caring and loving mother during early childhood Many doctors of a past era recommended the sensible use of them to treat and prevent illness Although they are not fashionable today full displays of enema equipment in drugstore windows and multi page advertisements in major catalogues are etched in the author s memory The end of the golden age of the enema generally correlates with the introduction of antibiotics doctors liability and diminished interest in self care Much of the book is based upon information gleaned from Internet chats where people are free to discuss intimate topics with anonymity Enema Story is about the life of a fictional character Charlie Wisner The time frame is from the late 1930s to the new millennium The story details the enema and colonic irrigation aspects of the character s life from childhood through college and military service then onto marriage The novel is unusual because the subject matter has been considered taboo in recent years and the focus of the story is on this aspect of Charlie s life The story includes much about Charlie s sex life His moral mind set developed during a time prior to the sexual revolution and widespread use of the birth control pill This narrow focus presented a challenge and produced an interesting approach to storytelling The author hopes readers will find the story to be interesting and entertaining but an underlying purpose of Enema Story is to suggest to the enema user who may feel isolated that he or she is far from alone in their use For example I know that there are many who think that they are the only person who self administered an enema as a child but they should know that I have communicated with dozens of people who admit to giving themselves enemas as young children or teenagers Although the author writes about intimate subjects in this book it is done with the intent of telling a story about a human being with a good soul and natural motives

Planet of the Blind Stephen Kuusisto,1998-12-29 The world is a surreal pageant writes Stephen Kuusisto Ahead of me the

shapes and colors suggest the sails of Tristan's ship or an elephant's ear floating in air though in reality it is a middle aged man in a London Fog rain coat which billows behind him in the April wind So begins Kuusisto's memoir Planet of the Blind a journey through the kaleidoscope geography of the partially sighted where everyday encounters become revelations struggles or simple triumphs Not fully blind not fully sighted the author lives in what he describes as the customs house of the blind a midway point between vision and blindness that makes possible his unique perception of the world In this singular memoir Kuusisto charts the years of a childhood spent behind bottle lens glasses trying to pass as a normal boy the depression that brought him from obesity to anorexia the struggle through high school college first love and sex Ridiculed by his classmates his parents in denial here is the story of a man caught in a perilous world with no one to trust until a devastating accident forces him to accept his own disability and place his confidence in the one relationship that can reconnect him to the world the relationship with his guide dog a golden Labrador retriever named Corky With Corky at his side Kuusisto is again awakened to his abilities his voice as a writer and his own particular place in the world around him Written with all the emotional precision of poetry Kuusisto's evocative memoir explores the painful irony of a visually sensitive individual in love with reading painting and the everyday images of the natural world faced with his gradual descent into blindness Folded into his own experience is the rich folklore the phenomenon of blindness has inspired throughout history and legend

Writing Letters for the Blind Gary Fincke, 2003 These poems begin in the coming of age moments that change us by forcing recognition of physical weakness the power of sex the importance of family the presence of evil and the prevalence of mortality The book opens with narratives taken primarily from childhood and then divided by long poem sequences moves to adulthood and confrontation with the identity we acquire through close relationships and the pressures of our appetites finally ending with what reads as a universal prayer of redemption *Writing Letters for the Blind* presents the reader with visions of this world and all its beauty and sordidness joy and disappointment This poet reports the breaking news just in from the heart and soul and the body as well My father has taught me the beatitudes of sight Fincke tells us always aware of what we owe to those who brought us here He stays up through the starry darkness in the insomnia of one who feels it his duty to pay passionate attention a poet engaged in the basic defense of simple things
