Renewal Anne Hendershott, Christopher White, 2013-12-03 In the wake of the clergy abuse scandal of the last decade many media commentators predicted the end of the Catholic priesthood Demands for an end to celibacy coupled with calls for women s ordination dominated discussions on the effectiveness of the Catholic Church in America Renewal argues that rather than a decline of the priesthood and a diminishing influence of the Catholic Church we are living in a time of transformation and revitalization The aging generation of progressives that continues to lobby Church leaders to change Catholic teachings on reproductive rights same sex marriage and women s ordination is being replaced by younger men and women who are attracted to the Church because of the very timelessness of its teachings
