Contented Little Baby Of Names:

The Contented Little Baby Book of Names, 1999 An A Z listing of over 3000 names including their origins and meanings The latest top ten most popular girls and boys names is included *My Name Is Why* Lemn Sissay, 2019-08-29 THE NUMBER ONE SUNDAY TIMES BESTSELLER INDIE BOOK AWARDS NON FICTION WINNER EXTRAORDINARY The Times BEAUTIFUL Dolly Alderton SHATTERING Observer INCREDIBLE Benjamin Zephaniah UNPUTDOWNABLE Sunday Times ASTOUNDING Matt Haig POWERFUL Elif Shafak At the age of seventeen after a childhood in a foster family followed by six years in care homes Norman Greenwood was given his birth certificate He learned that his real name was not Norman It was Lemn Sissay He was British and Ethiopian And he learned that his mother had been pleading for his safe return to her since his birth This is Lemn s story a story of neglect and determination misfortune and hope cruelty and triumph Sissay reflects on his childhood self expression and Britishness and in doing so explores the institutional care system race family and the meaning of home Written with all the lyricism and power you would expect from one of the nation s best loved poets this moving frank and timely memoir is the result of a life spent asking questions and a celebration of the redemptive power of creativity Sweet Content Mrs. Molesworth, 2023-07-17 Sweet Content That was my name when I was a very tiny child It may sound rather conceited to tell this of myself but when I have told all the story I am now beginning I don t think at least I hope you whoever you are that read it won t say I am conceited Indeed if I thought anyone I knew or rather that knew me would be likely to read it and to know that the I of it was me I am not by any means sure that I would write it But of course it is not at all certain that it ever will be printed or seen by anyone except perhaps by my children if when I am grown up I am married and have any who ever heard of me The world seems to me a very big place there are such lots and lots of people in it old ones and children and middling ones and they are all busy and taken up about their own affairs Some other children might like to read my story just as a story for I do think some parts of it are rather extra interesting but it is not probable that any of them would recognise me or the other characters I think that is the right word in it Except except some of the other characters themselves They don t know I am writing it perhaps they never will know about it but if they did yes even if they read every word of it I don t think I d mind They are so truly no I mustn t begin telling about them like that you will understand all in good time why least of any people in the world perhaps I should mind their reading the exactly how it was of everything I have to tell This shows how perfectly I can trust them And in saying even that though I really couldn t help it I m afraid I have already got rather out of the proper orderly way of telling a story I will start clearly now What I have written already is a sort of preface or introduction And it has a much better chance of being read than if I had put it separately As I began about my baby name and as I am going to use it for a title for several reasons as you will see I will first explain about it
