Continuity Of The Bible The Patriarchs:

The Continuity of the Bible. The Patriarchs. [With Maps.]. Thomas Linton LEISHMAN, 1968 **“And O’er Earth’s Troubled, Angry Sea”: The History of Christian Science in the United States** Rolf Swensen, 2025-05-21 Christian Science is one of the most unique and controversial of American religions but there has never been a history of this influential metaphysical group best known for its healing through prayer Most attention has previously focused on the church’s founder Mary Baker Eddy 1821 1910 This compilation of nine previously published scholarly articles buttressed by additional insight presented in the preface introduction and conclusion should lead to further investigation of this compelling topic This volume investigates the origins of the Christian Science movement illustrates how Eddy’s students mainly women helped its rapid spread through healings how Eddy guided and restrained her students examines some denominational growing pains underscores how The Mother Church in Boston and Eddy’s Church Manual evolved recounts dozens of testimonies of healing and shows how local or branch churches operated before and after Eddy’s passing Contrary to previous assumptions the new Christian religion was surprisingly diverse with almost one half of the membership coming from the lower middle and working classes This vibrant church ultimately declined due to excessive centralization and insufficient utilization of the membership plus lack of social activities and the rise of medical science Recent efforts to revitalize the movement through embracing communities are continuing And O’er Earth’s Troubled Angry Sea The History of Christian Science in the United States will appeal to Christian Scientists kindred spirits in the metaphysical world anyone interested in religion and those who read social history Each chapter is suitable for group discussions and for undergraduate or graduate classes **The Christian Science Journal** , 1969 **Christian Science Sentinel** , 1973 Story of the Old Testament Simply Told Florence E. Waggener, 1979-06 The Publishers' Trade List Annual , 1980 Books in Print , 1981

The Biblical Mothers Deliver Nancy Klancher, 2022-10-04 What kind of mother must a woman be to give birth to chosen or saved peoples The many stories of biblical mothers found in the Hebrew Bible and New Testament are deeply concerned with this question and answer it in surprising and diverse ways From Sarah Abraham’s wife to Mary the mother of Jesus each mother embodies the type of woman her culture thought she had to be to produce a holy people set apart by God The larger question of Klancher’s book asks to what end What does it mean when different types of mothers are used to establish the value of some people over others Her book explores this question and asks how the mothers’ stories and their interpretation over the centuries have authorized diverse logics of sexual and racial difference that we live with today

Dangerous Sisters of the Hebrew Bible Amy Kalmanofsky, 2014 Fathers sons and mothers take center stage in the Bible’s grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about

family crisis where property patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society General Catalogue of Printed Books British Museum. Baden ,2025-06-17 *American Book Publishing Record* ,1970 **Scriptural Trail from Eden** Howard Bastian,2019-11-12 The Scriptural Trail from Eden extracts specific scriptures to follow the redemption story from the Garden of Eden in the book of Genesis to Revelation and to bring it alive for today s readers It highlights the prophecies and interaction between the Almighty God and His chosen people as He travels with them on their journey for the sake of the birth of His Son This book proves the authenticity of the Bible written over a period of sixteen hundred years It is a delight for Christians and non Christians alike because it displays a journey supported by scriptures from Eden to the New Earth The Scriptural Trail from Eden can also be used to captivate ongoing lively discussions in Bible study groups *Religious Books and Serials in Print, 1980-1981* ,1980 *Subject Guide to Books in Print* ,1984 Josephus's Interpretation of the Bible Louis H. Feldman,1999-01-18 Josephus A D 37 100 a pro Roman Jew closely associated with the emperor Titus is the earliest systematic commentator on the Bible as well as one of the foremost historians of the beginning of the Christian era Politically Josephus was pro Roman and although he had no sympathy for extreme Jewish nationalism he was a zealous defender of Jewish religion and culture Louis H Feldman examines the principles that guided Josephus in his understanding of the Bible investigating his creative contribution in the rewriting of biblical accounts This comprehensive study evaluates Josephus as a historian and demonstrates the originality and consistency of his work as an author The first part of Feldman s work attempts to understand Josephus s purposes and techniques in retelling the Bible The second part reviews Josephus s treatment of twelve key biblical figures In addition to its reevaluation of an important early historian this unique compendium provides a mine of

information on the reassessment of the most important biblical figures **The Testaments of the Twelve Patriarchs** M. de Jonge, H. W. Hollander, 2023-08-14 This series publishes monographs and edited collections on texts traditionally studied as Old Testament Pseudepigrapha and related topics It seeks to foster new research not just on the importance of such texts for understanding early Judaism and Christianity but also on their significance for the later periods in which they were copied translated excerpted and transmitted The scope of the series includes the material philology and manuscripts of so called pseudepigrapha as well as the Jewish Christian Islamic and other contexts of their reception in late antique medieval and modern eras Special concerns include broadening the scholarly conversation around pseudepigrapha to include more diverse and global perspectives The Bible To-day C.
