Contradictory Characters An Interpretation Of The Modern Theatre

Robert R. Redfield

Contradictory Characters An Interpretation Of The Modern Theatre:

Contradictory Characters Albert Bermel, 1996 Providing an interpretation of the modern theatre this is a new edition of a classic work of drama criticism

Modern Drama and the Rhetoric of Theater W. B. Worthen, 2015-02-14 The history of drama is typically viewed as a series of inert styles Tracing British and American stage drama from the 1880s onward W B Worthen instead sees drama as the interplay of text stage production and audience How are audiences manipulated What makes drama meaningful Worthen identifies three rhetorical strategies that distinguish an O'Neill play from a Yeats or these two from a Brecht Where realistic theater relies on the natural qualities of the stage scene poetic theater uses the poet's word the text to control performance Modern political theater by contrast openly places the audience at the center of its rhetorical designs and the drama of the postwar period is shown to develop a range of post-Brechtian practices that make the audience the subject of the play Worthen's book deserves the attention of any literary critic or serious theatergoer interested in the relationship between modern drama and the spectator

Modern Drama in Theory and Practice: Volume 1, Realism and Naturalism J. L. Styan, 1981 This 1981 volume begins with the French revolt against naturalism in theatre and then covers the European realist movement

Cruelty and Desire in the Modern Theater Laurens De Vos, 2011-04-18 Departing from a refreshing look at the ideas of Antonin Artaud this book provides a thorough analysis of how both Sarah Kane and Samuel Beckett are indebted to his legacy In juxtaposing these playwrights De Vos minutely points out how both in their own way struggle with coming to terms with Artaud A key concept in Lacanian psychoanalytic theories desire lies at the root of the Theatre of Cruelty Kane and Beckett prove that desire and cruelty are inextricably linked to one another but that they appear in radically different disguises Relying on Kane and Beckett this book not only sheds a light on the precise intentions behind Artaud's project it also maps out the structural parallels and dichotomies between the Theatre of Cruelty and the literary genre of tragedy Immediately after the premiere of Sarah Kane's *Blasted* in 1995 some reviewers made a link with Antonin Artaud's Theatre of Cruelty These parallels however were solely based on the abundance of physical violence on stage In response to these assertions this book traces minutely Artaud's legacy for later generations Making use of Jacques Lacan's psychoanalytical ideas as a theoretical framework De Vos defines Artaud's project not so much in terms of blood and gore but rather as a theater of Passion revolving around notions as desire love and the subjectile a concept that was drawn attention to by Derrida In addition the idea of the scapegoat delineated by Ren Girard provides a leg up to clarify the intrinsic parallels as well as divergences between the Theatre of Cruelty and tragedy while also Lacan's analysis of Antigone is being looked at Phaedra's *Love Cleansed* and 448 Psychosis are extensively dealt with in this study and point out the development Kane went through in her short but at the same time long trajectory The third part on Beckett focuses primarily on Krapp's *Last Tape* and *Not I* and equally so calls in Lacan to understand self-alienation and self-concept

JOHN WHITING:: THE AGONY OF THE ABSURD Dr. Apeksha , 2021-01-15 This book is a complete and comprehensive

projection of John Whiting as an absurdist playwright It is a round and unvarnished story of a prodigious playwright who within a short span of his life did much to outshine his contemporaries His journey was not limited to stage and theatre He also wrote for the films television and even radio The journey began with *The Conditions of Agreement* in 1946 and ended with *The Devils* in 1961 In between he wrote many landmark plays through which one can trace the evolutionary trajectory of a legend in the making who was a confluence of mind and mystery love and revenge sentimentality and blood lust His plays are replete with sin and sleaze callousness and collusion This was because in Whiting one also comes across the diminution of norms owing to ethical elasticity and dispensability of principles In his plays the pathology of power is matched by the ethos of human failings as is exemplified by the rise and fall of Grandier in *The Devils* Here the banality of power fails to keep distance between pretense and principles Bereft of the romance of renewal and predictability many of his plays end up on disjointed note in the best tradition of the theatre of the absurd The playwright's obsession with pre mediated violence creates a disconnect between storyline and characterization In practically every plays of Whiting creates a heady cocktail of fear violence loathing and paranoia and yet they make for a compelling reading This book is a summary of my findings regarding John Whiting with terse comments on his qualities as an absurdist playwright It has been my endeavor to assess him both as a literary figure and a playwright wedded to the absurdist tradition

Comparative Criticism: Volume 20, Philosophical Dialogues E. S. Shaffer, 1998-11-19 *Comparative Criticism* is an annual journal of comparative literature and cultural studies that has gained an international reputation since its inception in 1979 It contains major articles on literary theory and criticism on a wide range of comparative topics and on interdisciplinary debates It includes translations of literary scholarly and critical works substantial reviews of important books in the field and bibliographies on specialist themes for the year on individual writers and on comparative literary studies in Britain and Ireland

World Encyclopedia of Contemporary Theatre Irving Brown (Consulting Bibliographer), Natasha Rappaport (Bibliographer), Don Rubin (General Editor), Rosabel Wang (Consulting Bibliographer), 2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six volumes of the series

Routledge Library Editions: Beckett Various, 2022-07-30 This collection of five previously out of print titles examines Samuel Beckett's works and their impact on the theatre and on people who came into creative contact with his ideas His plays are assessed as are his works for film and television A titan of original thinking these books by leading Beckett scholars analyse how his creative vision was expressed and how it revolutionised not just the world of theatre but also of the wider world of the arts

The Dramatic Works of Samuel Beckett Charles A. Carpenter, 2011-10-13

Theatre, Performance and Technology Christopher Baugh, 2014-01-07 Chris Baugh explores how developments and changes in technology have been reflected in scenography throughout history Taking into account the latest research his new edition examines moving light technologies the internet as a platform of performance urban scenography and how scenography has

developed as a collaborative practice Chris Baugh explores how developments and changes in technology have been reflected in scenography throughout history Taking into account the latest research his new edition examines moving light technologies the internet as a platform of performance urban scenography and how scenography has developed as a collaborative practice

Beckett on File Virginia Cooke, 2021-05-19 This book first published in 1985 assembles essential facts on Samuel Beckett and makes vital but elusive information available It contains a comprehensive checklist of all the writer's plays with a detailed performance history excerpted reviews and most importantly a selection of Beckett's own comments on their work drawn from essays interviews letters and diaries Other features include a chronology of life and work a checklist of non-dramatic writings and an annotated bibliography

An International Annotated Bibliography of Strindberg Studies 1870-2005: The plays Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 1 General Studies 978 0 947623 81 4 and Volume 3 Prose Poetry Miscellaneous 978 0 947623 83 8 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich

Plays Luigi Pirandello, 1998 Luigi Pirandello is best known for his ability to create farcical tragedies that pit reality against appearance in such a way that objective truth is never revealed Time magazine called Pirandello's work a fascinating precursor of the entire theater of the absurd the anguish over existence in Sartre and Camus the guerilla warfare against ossified language and the mass mind in Ionesco the bleak alienated vision of Beckett the sense of man eternally acting a role in Genet and the use of the stage as a self-contained universe in Pinter In new translations by acclaimed playwright and translator Eric Bentley these versions of four of Pirandello's most celebrated plays Six Characters in Search of an Author Emperor Henry The Man with the Flower in His Mouth and Right You Are are considered to be the standards for American productions They capture the playwright's unique voice with remarkable precision while at the same time attending to the rigors of the American stage

Harold Pinter Volker Strunk, 1989 Pinter's dramatic figures are curiously perspectival creatures who exist on several levels at once and who by virtue of the deliberate distortion that went into their

creation show close affinities with Mannerism Harold Pinter Towards a Poetics of His Plays examines Pinter's stage plays from *The Room* to *One for the Road* as well as several plays for radio and television by focusing on their Mannerist traits it presents its conclusions within the larger context of an inquiry into the principles and rules that can be said to inform Pinter's open drama

Economies of Early Modern Drama Anne Enderwitz, 2025-05-28 This book provides new insights into how theatre responded to changing economic practices and structures It reviews discourses on household management and commerce to create a rich context for the discussion of socio economic actions and transactions in *Macbeth* *Othello* and *Timon of Athens* as well as in city comedies by Ben Jonson and Thomas Middleton By approaching discourses on economy and commerce as complementary the book opens up a diverse field of socio economic practices including the gendered division of duties in the household new modes of valuation and evolving credit instruments Theatre provides unique access to this field In contrast to practical and policy oriented discourses it addresses socio economic change and its vicissitudes in a spirit of experimentation testing the ethical limits of socio economic action and accustoming audiences to the demands of a changing socio economic reality Theatre thus offers a vital contribution to the prehistory of political economy On the London stages self interest emerges as a key motive of socio economic action and theatre playfully explores its ambiguous status as a partly rational and partly excessive force that has a new ordering function but also creates social conflict At the same time by staging the contradictory demands of ethics and efficiency in economic decision making early modern plays offer access to a changing understanding of prudence that has a Machiavellian touch by aligning with the pursuit of private interest prudence sheds some of its ethical content and becomes foremost an instrumental faculty

Cultural Responses to Occupation in Japan Adam Broinowski, 2016-01-14 Cultural Responses to Occupation in Japan examines how the performing arts and the performing body specifically have shaped and been shaped by the political and historical conditions experienced in Japan during the Cold War and post Cold War periods This study of original and secondary materials from the fields of theatre dance performance art film and poetry probes the interrelationship that exists between the body and the nation state Important artistic works such as *Ankoku Butoh* dance of darkness and its subsequent re interpretation by a leading political performance company Gekidan Kaitaisha theatre of deconstruction are analysed using ethnographic historical and theoretical modes This approach reveals the nuanced and prolonged effects of military cultural and political occupation in Japan over a duration of dramatic change Cultural Responses to Occupation in Japan explores issues of discrimination marginality trauma memory and the mediation of history in a ground breaking work that will be of great significance to anyone interested in the symbiosis of culture and conflict

American Book Publishing Record Cumulative, 1950-1977 R.R. Bowker Company. Department of Bibliography, 1978

Contemporary British Drama 1950-1976 E H Mikhail, 1976-06-01

A Dozen French Farces Albert Bermel, 1997 This collection of hilarious plays from the 15th 20th centuries is brimming with all the venerable ingredients of French farce Distinguished drama scholar Bermel has gathered

some of the best in the genre and the merriment ribaldry and wit of the works dance through his translations brilliantly

Chekhov's Three Sisters Gordon McVay, 1995 Chekhov's penultimate play has inspired a bewildering variety of interpretations since its premiere at the Moscow Arts Theatre on 31 January 1901 Three Sisters has been viewed both as tragedy and as comedy as a poignant testimony to the eternal yearning for love happiness beauty and meaning and as a devastating indictment of the folly of inert gentility and vacuous day dreaming Its characters have been deemed worthy embodiments of the universal human condition keenly experiencing hope disappointment frustration loneliness and the passage of time or passive products of pre revolutionary Russian privilege remnants fit only for the scrap heap of history This study analyses the plot characters and themes of the play before discussing its reception by Russian and English language critics and upon the Russian and British stage

The Enigmatic Realm of **Contradictory Characters An Interpretation Of The Modern Theatre**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
