

BERNARD SHAW THROUGH THE CAMERA

28 portraits, including many taken by Mr. Shaw, selected and arranged by his Bibliographer and Remembrancer, Dr. F. E. Loewenstein.
With a chronological list of chief events and principal works.

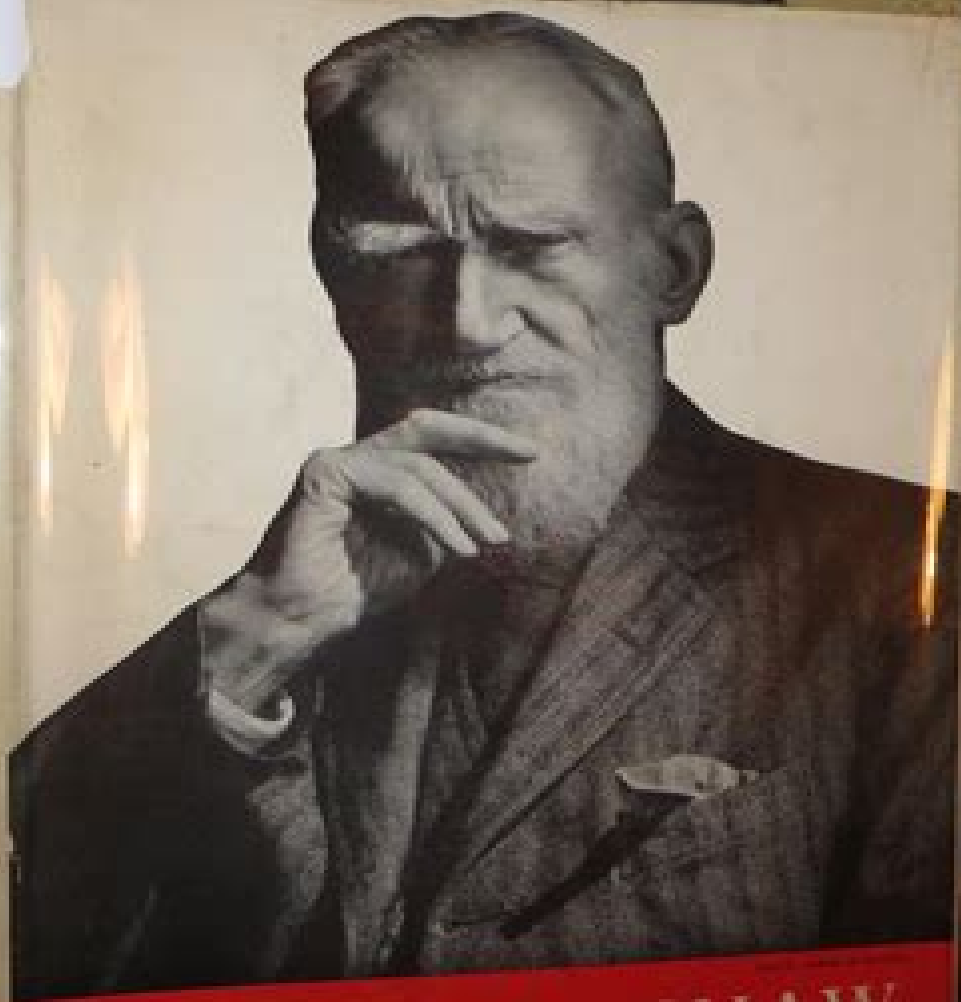

The book not only features Shaw himself, but provides the glimpse at his manner, his family, his surroundings. It shows the Great Man in all his moods and through the eyes of witnesses, guests and caricaturists. It shows him in his individual style of dress; one photo even shows him as a waiter.

Photos taken by Shaw will interest the amateur-photographer, while the professional is bound to take note of the art of those of his colleagues who had a chance to let their flashes click in the presence of G.B.S. There is something in the book for everyone, especially for those interested in the Man behind the Plays and Prefaces and the Man who with the many facets of his mind is the constant subject of newspaper makers, he is that he lays down the law in a paragraph or in an anti-intellectual, or an anti-religious or a generalisation.

This book is an indispensable companion volume to any and to all books by Shaw and about Shaw.
