Before You Go James Preller, 2025-10-16 The summer before his senior year Jude yes he's named after the Beatles song gets his first job falls in love for the first time and starts to break away from his parents Jude's house is kept dark and no one talks much it's been that way since his little sister drowned in a swimming pool seven years ago when Jude was supposed to be watching her Now Jude is finally finally starting to live Really live And then life spins out of control Again Acclaimed author James Preller explores life death love faith and resilience in his first young adult novel that will grip readers from the book's dramatic first few pages to its emotional end *Sesame Street: Bert & Ernie's Spring Cleaning* Stephanie Williams, 2025-07-29 Stroll along Sesame Street and join Bert Ernie Abby Cadabby and more of your favorite furry friends in adventures for readers of all ages with this hardcover edition of Sesame Street Bert Ernie's Spring Cleaning Flowers are blooming and the sun is shining it's Spring As the residents of Sesame Street prepare for the annual community Swap Meet Ernie is having a hard time finding things to give away Join him and his friends as they learn how great it feels to give to others and make room for new adventures **Igniting Wonder** Children's Theatre Company, 2013-08-01 Young children love to explore their world through drama characters dialogue story arcs and props are all standard elements of a child's play It is no surprise then that professional theatre has long been regarded as a way to support children's social emotional cognitive and creative development Increasingly there is an international interest in theatre for very young audiences and the Wall Street Journal reported on a baby boom in American theatre with a marked upswing in the number of stage plays being written and produced for toddlers and preschoolers Fueled by ongoing research into developmental psychology and theatre arts the Children's Theatre Company CTC of Minneapolis presents in this book four of its newly commissioned plays for preschoolers CTC is widely recognized as the leading theatre for young people and families in North America it received the 2003 Tony award for regional theatre and Time magazine rated it the number one children's theatre in the United States These four plays encompass a broad range of styles and subjects Bert and Ernie Goodnight is a musical about Bert and Ernie's unlikely but true friendship written by Barry Kornhauser and based on the original songs and scripts from Sesame Street The Biggest Little House in the Forest is a toy theatre play about a group of diverse animals trying to share a very tiny home adapted by Rosanna Staffa from the book by Djemma Bider The Cat's Journey is a dazzling shadow puppet play with a little girl who rides on a friendly cat written by Fabrizio Montecchi And Victoria Stewart's Mercy Watson to the Rescue adapted

from the Kate DiCamillo Mercy Watson series is a comic romp featuring the inadvertent heroics of everyone's favorite porcine wonder. While these plays are as different as they could be, they all help young children to develop a moral compass and critical thinking skills while also showing them the power of the theatre to amaze, delight and inspire.

G Is for Growing Shalom M. Fisch, Rosemarie T. Truglio, 2014-04-08. This volume, a collection and synthesis of key research studies since the program's inception over three decades ago, serves as a marker of the significant role that Sesame Street plays in the education and socialization of young children. Editors Shalom M. Fisch and Rosemarie T. Truglio have included contributions from both academics and researchers directly associated with Sesame Street, creating a resource that describes the processes by which educational content and research are integrated into production reviews, major studies on the impact of Sesame Street on children, and examines the extension of Sesame Street into other cultures and media. In the course of this discussion, the volume also explores broader topics including methodological issues in conducting media-based research with young children, the longitudinal impact of preschoolers' viewing of educational versus non-educational television, and crosscultural differences in the treatment of educational content. As the first substantive book on Sesame Street research in more than two decades, *G is for Growing* provides insight into the research process that has informed the development of the program and offers valuable guidelines for the integration of research into future educational endeavors. Intended for readers in media studies, children and the media, developmental studies, and education, this work is an exceptional chronicle of the growth and processes behind what is arguably the most influential program in children's educational television.

Where Does the Money Go? Scott Bittle, Jean Johnson, 2011-04-12. Revised and Updated to Include the Probable Effects of the Great Recession, the Government Stimulus, and President Obama's Health Care Overhaul. Federal debt will affect your savings, your retirement, your mortgage, your health care, and your children. How well do you understand the government decisions that will end up coming out of your pocket? Here is essential information that every American citizen needs and has the right to know. This guide to deciphering the jargon of the country's budget problem breaks down into plain English exactly what the fat cats in Washington are arguing about. *Where Does the Money Go* covers everything from the country's exploding federal debt to the fact that for thirty-one out of the last thirty-five years, the country has spent more on government programs and services than it has collected in taxes. It also explores why elected leaders on both sides of the fence have so far failed to address this issue effectively and explains what you can do to protect your future.
