Best Of Hugh MacLennan:

Hugh MacLennan's Best Hugh MacLennan,1991 **HUGH MACLENNAN'S BEST. SELECTED AND ED. BY DOUGLAS M.GIBSON.** Hugh MacLennan,1991 *Hugh MacLennan* Hugh MacLennan,1984 **Douglas Gibson**
Unedited Douglas Gibson,Christine Evain,2007 This volume highlights the work of Canadian editor Douglas Gibson currently working at McClelland Stewart It covers a broad spectrum of topics including the difference between publishing fiction and non fiction and an analysis of the book industry today Acts and Proceedings of the Fifth General Assembly
Anonymous,2023-05-18 Reprint of the original first published in 1874 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Stories About Storytellers** Douglas Gibson,2011-10-01 The legendary Canadian book editor presents this remarkable four decade romp through the back rooms of publishing Toronto Sun Scottish born Douglas Gibson was drawn to Canada by the writing of Stephen Leacock and eventually made his way across the Atlantic to find a job in book publishing where he edited a biography of none other than Leacock But over the decades his stellar career would lead him to work with many more of the country s leading literary lights This memoir shares stories of working and playing alongside writers including Robertson Davies Mavis Gallant Brian Mulroney Val Ross W O Mitchell and many more Gibson reveals the projects he brainstormed for Barry Broadfoot how he convinced future Nobel Prize winner Alice Munro to keep writing short stories his early morning phone call from a former prime minister and his recollection of yanking a manuscript right out of Alistair MacLeod s reluctant hands which ultimately garnered the author one of the world s most prestigious prizes for fiction Insightful and entertaining this collection of tales goes behind the scenes and between the covers to divulge a treasure trove of literary adventures He makes his life in publishing sound like great fun The Globe and Mail Toronto Princeton Alumni Weekly ,1952 **Dear Marian, Dear Hugh** Hugh MacLennan,Marian Engel,1995 A student at McGill in the mid 1950s Marian Engel wrote her M A thesis under the direction of Hugh MacLennan Their work together became the basis of a correspondence the MacLennan half of which survives and is detailed here Both personal and professional in nature MacLennan s letters to Engel provide fascinating insights into his life s pursuit of writing and offer another glimpse of the author of *Two Solitudes* Published in English
Locations of the Sacred William Closson James,2006-01-01 Where do Canadians encounter religious meaning Not where they used to In ten lively and wide ranging essays William Closson James examines various derivations of the sacred in contemporary Canadian culture Most of the essays focus on the religious aspects of modern Canadian English fiction for example in essays on the fiction of Hugh MacLennan Morley Callaghan Margaret Atwood and Joy Kogawa But James also explores other non literary events and activities in which Canadians have found something transcendent or revelatory Each of the chapters in *Locations of the Sacred* can be read independently as a discrete analysis of its subject Taken as a whole the

essays make up a powerful argument for a new way of looking at the religious in contemporary Canada not in the traditional ways of being religious but in activities and locations previously thought to be secular Thus the domains and modes of the religious are expanded not restricted *The Novels of Hugh MacLennan* Robert H. Cockburn,1970 **A Writer's Life** The Writers' Trust of Canada,2011-05-24 For anyone who loves great literature or aspires to write it this is an essential collection full of insight wisdom humour and candour from Canada s most important and beloved literary figures For the past twenty five years the Writers Trust of Canada s annual lecture series the Margaret Laurence Memorial Lecture has invited some of Canada s most prominent authors to discuss the theme of A Writer s Life in front of their peers Hugh MacLennan Mavis Gallant Timothy Findley W O Mitchell Pierre Berton P K Page Dorothy Livesay Alistair MacLeod and Margaret Atwood among others have shared the personal challenges they faced in forging their own paths as writers at a time when such a career was still unusual in this country Intimate frank and revealing in tone their lectures collected for the first time in celebration of the series twenty fifth anniversary provide a unique account of a period when a national writing community was just being formed and give us unprecedented access to the heroes and heroines of Canadian literature as they share their insights into their work the profession of writing the growing canon of our literature and the cultural history of our country *Darwin's Bastards* Zsuzsi Gartner,2010 Social satire fabulist tales and darkly humorous dystopian visions by some of Canada s most adventurous and distinguished writers The 23 stories in Darwin s Bastards take us on a twisted wild ride into some future times and parallel universes where characters as diverse as a dead boy a one legged international actuarial forensics specialist a pharmaceutical guinea pig and a far sighted fetus engage in their own games of the survival of the fittest The collection includes the first new short story by William Gibson to be published since 1997 as well as original previously unpublished fiction by Lee Henderson Timothy Taylor Heather O Neill Mark Anthony Jarman and others From recent Trillium Award winner Pasha Malla s hilarious take on the apocalypse where Prince is the only man left alive to newcomer Matthew J Trafford s brilliant triptych about the fallout from the cloning of Jesus Christ to iconoclast Sheila Heti s meditative romp about beleaguered physicists and Oracle of Delphi like BlackBerrys Darwin s Bastards is a fast moving thought provoking reading extravaganza The Canadian Encyclopedia James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the

Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Open Secrets Alice Munro, 2011-06-01 There is a remarkable magic in these eight matchless stories stories set in Ontario Australia Europe in dangerous mountains forbidding wilderness familiar towns In the title story a lawyer's wife has a flash of insight illogical unprovable and terrifying into the fate of a missing teenager in another the appearance of a long dead visitor reveals the grip of a former love Munro tells of vanished schoolgirls and indentured frontier brides and an eccentric recluse who in the course of one surpassingly odd dinner party inadvertently lands herself a wealthy suitor Yet the true magic lies in the way that Alice Munro makes everything here unexpected marriages elopements acts of sudden vengeance unfold with the ease of the inevitable This is the mark of a great writer and it is stamped on every page of this book

Heroes Peter C. Newman, 2010-10-26 In Heroes Peter C Newman gives us incisive analysis of dozens of

Canadians past and present who have defined this country drawing on fifty years of writing He writes about iconic Canadians such as Terry Fox Margaret Atwood and June Callwood From the political ring he discusses the legacies of Pierre Trudeau Christina McCall and Lester B Pearson among others And from the world of business Newman includes some of the most active entrepreneurs on the planet including Jimmy Pattison and Paul Desmarais The grand literary master at the top of his game shares the inside stories of these pivotal characters whose lives and times set examples for all of us **Unbuttoned**

Christopher Dummitt, 2017-05-01 When Prime Minister William Lyon Mackenzie King died in 1950 the public knew little about his eccentric private life In his final will King ordered the destruction of his private diaries seemingly securing his privacy for good Yet twenty five years after King s death the public was bombarded with stories about Weird Willie the prime minister who communed with ghosts and cavorted with prostitutes Unbuttoned traces the transformation of the public s knowledge and opinion of King s character offering a compelling look at the changing way Canadians saw themselves and measured the importance of their leaders personal lives Christopher Dummitt relates the strange posthumous tale of King s diary and details the specific decisions of King s literary executors Along the way we learn about a thief in the public archives stolen copies of King s diaries being sold on the black market and an RCMP hunt for a missing diary linked to the search for Russian spies at the highest levels of the Canadian government Analyzing writing and reporting about King Dummitt concludes that the increasingly irreverent views of King can be explained by a fundamental historical transformation that occurred in the era in which King s diaries were released when the rights revolution Freud 1960s activism and investigative journalism were making self revelation a cultural preoccupation Presenting extensive archival research in a captivating narrative Unbuttoned traces the rise of a political culture that privileged the individual as the ultimate source of truth and made Canadians rethink what they wanted to know about politicians An Independent Stance W. J. Keith, 1991 Part One of this strongly worded informed and wide ranging collection examines key issues for the future of Canadian criticism Part Two offers new readings of important works by Grove Wilson MacLennan Davies Laurence Hood Wiebe Hodgins and Atwood As W J Keith argues We still have a mission to have our literature recognized as an essential reflection of our national life This is what I mean by retrenchment and consolidation Literature can survive without literary criticism but it cannot survive if it is unknown and unread It is criticism s prime function at the present time to see that it is both known and read with that mature enjoyment which is a combination of emotional sensitivity and humane intelligence As critics scholars editors we shall not be fulfilling our responsibilities or justifying our existence if we attempt anything less Or as Keith modestly observes in his introduction to this collection If this book is of any interest it will be because Canadian literature is an important subject Literary commentators like myself are middle men and should be prepared to admit the fact If this book succeeds in helping readers to appreciate the works of Canadian writers that I discuss and to derive increased pleasure and insight from them it will have served its purpose I can see no other justification for it or for any other work of criticism **A Few Acres of Snow**

Paul Simpson-Housley, Glen Norcliffe, 1992-09-01 In 1759 Voltaire in *Candide* referred to Canada as *quelques arpents de neige* For several centuries the image prevailed and was the one most frequently used by poets writers and illustrators Canada was perceived and portrayed as a cold hard and unforgiving land this was not a land for the fainthearted Canada has yielded its wealth only reluctantly while periodically threatening life itself with its displays of fury Discovering its beauty and hidden resources requires patience and perseverance *A Few Acres of Snow* is a collection of twenty two essays that explore from the geographer's perspective how poets artists and writers have addressed the physical essence of Canada both landscape and cityscape Sense of place is clearly critical in the works examined in this volume Included among the book's many subjects are Hugh MacLennan Gabrielle Roy Lucius O'Brien the art of the Inuit Lawren Harris Malcolm Lowry C W Jefferys L M Montgomery Elizabeth Bishop Marmaduke Matthews Antonine Maillet and the poetry of Japanese Canadians

The Concise Oxford Companion to Canadian Literature William Toye, 2001 The concise version of the critically acclaimed second edition of *The Oxford Companion to Canadian Literature* offers all the authority of the original in a smaller more affordable format Entries have been updated and over sixty new entries have been added making it an indispensable resource [Lonely Planet Montreal & Quebec City](#) Steve Fallon, 2022-12 *Lonely Planet's Montreal* all with your trusted travel companion Inside *Lonely Planet's Montreal* it's in every traveler's hands It's on mobile phones It's on the Internet It's everywhere and it's telling entire generations of people how to travel the world Fairfax Media Australia

Best Of Hugh MacLennan Introduction

In today's digital age, the availability of Best Of Hugh MacLennan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Best Of Hugh MacLennan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Best Of Hugh MacLennan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Best Of Hugh MacLennan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Best Of Hugh MacLennan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Best Of Hugh MacLennan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Best Of Hugh MacLennan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Best Of Hugh MacLennan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Best Of Hugh MacLennan books and manuals for download and embark on your journey of knowledge?

FAQs About Best Of Hugh MacLennan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
