Be My Downfall Whitman University Book English Edition:

Be My Downfall Lyla Payne, 2013-09-19 Toby Wright has always prided himself on being one of the most normal guys at Whitman University. He loves his parents, has a great job lined up after graduation, and with the exception of attempting to cross the unbalanced Sebastian Blair, sophomore year has kept his nose pretty clean. But the rich never have empty closets and memories long stashed away come spilling free when notorious party girl Kennedy Gilbert almost dies in his dorm room. Nobody really knows how Kennedy manages to stay in good standing at Whitman; she never goes to class, doesn't pretend to care about her future, and as far as people can tell is never sober. This isn't her first meeting with a stomach pump, but it is the first time she's woken up to Toby's concerned brown eyes. Despite the fact that she prefers life without friends, he gets under her skin with his insistence on playing her guardian angel. No one knows better than Toby that people can only be saved if they want to be, but the realization that she has no one else draws him back into the shadows of Kennedy's life and eventually into her bed. But she long ago came to terms with a truth that Toby refuses to accept: she doesn't want to be rescued; she only wants to forget. Unwilling to give up on her, Toby's dragged under by this broken girl and her dark twisted Whitman University, he never guessed existed. If he struggles to the surface, he'll abandon someone he loves for the second time in his life. If he doesn't, it won't be long until they both drown. Exist Once More (The Historians, Book Two) Trisha Leigh, 2016-12-05

Not Quite True Lyla Payne, 2015-04-17 With Mayor Beau accused of abuse of power and facing federal indictment, a relentless curse after her unborn nephew, and a moody uncommunicative spirit in her room, reluctant ghost helper Graciela Harper figures she's got enough on her plate. The universe as usual figures otherwise. On a girls trip to Charleston that's meant to give Beau some space and cheer up her cousin Amelia, a second ghost follows Gracie back to Heron Creek. As she digs into the mystery behind the Whistling Doctor of Dueller's Alley, things at home go from bad to worse. Leo's not talking to her, Amelia's depression is putting her health at risk, and Beau, well, maybe he's not as innocent as Gracie always believed. All that takes a back seat when Gracie's run off the road on her way back from a research trip, forcing her to face the possibility that her ghost's secrets might not be about harmless lost love after all. In fact, he's been the only person aware of certain documents for over two hundred years, and if Gracie helps unearth them, she might find herself trapped underground permanently.
