Firethorn Sarah Micklem, 2007-11-01 Firethorn the first volume in an epic trilogy is a stunning debut Sarah Micklem has introduced an unforgettable heroine into the fantasy pantheon Loving reckless and indomitable Firethorn travels through an imaginary world as real as history and as marvelous as legend Firethorn flees a life of drudgery to live alone in the forest relying on her knowledge of herb lore to survive She returns transformed indebted to the god who saved her life and blessed or cursed with uncanny abilities and a nagging sense of destiny After a few nights of dalliance with Sire Galan a high-caste warrior on his way to join the king's army Firethorn seizes the chance to go with him only to find she has exchanged one form of servitude for another The army readies for war in the vast encampment of the Marchfield where men prey on each other and women dare go nowhere alone Among the lowborn harlots and the highborn dames of the camp Firethorn learns to use her gifts as a healer venturing into realms of dream and shadow Desire drew Firethorn and Sire Galan together but love binds them a love that has no place in the arrangement between a warrior and his sheath When Galan makes a wager with disastrous consequences Firethorn uses her gifts to intervene in his fate and learns just how hard it can be to tell honor from dishonor justice from vengeance Sarah Micklem has written an extraordinary tale at once magical and earthbound beautiful

and violent She immerses readers in a remarkably imagined world where gods are meddlesome the highborn uphold their privileges with casual brutality and a woman's only recourse may be the strength she finds within **A House Called Tomorrow** Michael Wiegers, 2023-02-28 Copper Canyon Press celebrates its first 50 years of poetry publishing in anticipation of the next 50 years Poetry is vital to language and living This anthology celebrates 50 years of Copper Canyon Press publications one extraordinary poem at a time Since its founding Copper Canyon has been entirely dedicated to publishing poetry books here Editor in Chief Michael Wiegers invites press staff and board past and present to help curate a retrospective The result is a collection of beloved poems from books spanning half a century representing Pulitzer Prize winning books debut collections works in translation and rare books from Copper Canyon's early days This book is a tribute to Copper Canyon poets and readers everywhere because as Gregory Orr writes Certain poems In an uncertain world The ones we cling to They bring us back **The Improved Original** Patrick Ameye, 2018-07-05 Sam an unworldly boy unexpectedly finds himself on an adventure rollercoaster when he meets a mysterious woman With this bodyguard armed to the teeth as his guide he explores an enchanted magical forest full of mythical creatures and hidden villages Meanwhile Loris the crown prince of an Empire faces imminent conflict with neighbouring countries The mysterious king of the United Islands is playing a dark game and enlists the help of the deranged water witch Together they try to get Prince Owen the crown prince's nephew on their side But the emperor has other plans He marries Loris off to the crown princess of a hostile neighbouring country which curses magic Loris realises he is one of the last practitioners of magic and faces a heartbreaking choice protect his magical legacy or save the kingdom Owen sides with the darkness and goes to war with the desiccating water witch as an unreliable confederate As the magical pond dries up and the source of all magic is endangered the remaining mages must join forces to save a world on the verge of falling apart A Message for You William Telfer, 1910 **The Illustrated American**, 1897 **Harvard Review**, 1998 *Ardor* Marvin Bell, 1997 An acknowledged master of poetic forms and ideas Bell is a metamorphic poet who writes with authority wit and intelligence *Ardor* extends and refines the work he began with his groundbreaking *The Book of the Dead Man* Like the first volume *Ardor* stands on its own as a whole as it reinvigorates the quotidian in poems which are by turns surreal deadpan outrageous incisive and perceptive *Wednesday* Marvin Bell, 1998 *Wednesday* is a perfect way to explore the development in Bell's poetry From his earliest collections to his more recent ones His poems are often noted by reviewers for their originality Lucidity Variety and eloquence His writing has been called The Gift of Tongues Sam Hamill, 1996 Copper Canyon's 25th anniversary anthology gathers nearly 300 poems by over 100 distinguished poets and translators **Poetry** Harriet Monroe, 2007 *Poetry East*, 1996 *The Divine Comedy of Dante Alighieri* Dante Alighieri, 1867 The Divine Comedy Dante Alighieri, 1867 *The divine comedy, tr. by H.W. Longfellow* Dante Alighieri, 1867 *Missionary Men in the Early Modern World* Ulrike Strasser, 2025-10-01 How did gender shape the expanding Jesuit enterprise in the early modern world What did it take to

become a missionary man And how did missionary masculinity align itself with the European colonial project This book highlights the central importance of male affective ties and masculine mimesis in the formation of the Jesuit missions as well as the significance of patriarchal dynamics Focusing on previously neglected German actors Strasser shows how stories of exemplary male behavior circulated across national boundaries directing the hearts and feet of men throughout Europe toward Jesuit missions in faraway lands The sixteenth century Iberian exemplars of Ignatius of Loyola and Francis Xavier disseminated in print and visual media inspired late seventeenth century Jesuits from German speaking lands to bring Catholicism and European gender norms to the Spanish controlled Pacific The age of global missions hinged on the reproduction of missionary manhood in print and real life **The Iowa Review** ,2000
