Case Studies in Crisis

Communication Amiso M. George,Cornelius B. Pratt,1997-08-13 Case Studies in Crisis Communication International Perspectives on Hits and Misses was created to fill the gap for a much needed textbook in case studies in crisis communication from international perspectives The events of September 11 2001 other major world crises and the ongoing macroeconomic challenges of financial institutions justify the need for this book While existing textbooks on the subject focus on U S corporate cases they may not appeal equally to students and practitioners in other countries hence the need to analyze cases from the United States and from other world regions The variety and the international focus of the cases be they environmental health or management successes or failures makes this book more appealing to a wider audience These cases examine socio cultural issues associated with responding to a variety of crises

Japan and the Global Automotive Industry Koichi Shimokawa,2010-06-03 The Japanese automotive industry enjoyed spectacular success in the 1980s This was largely due to the so called Lean Production System the combination of an efficient production system an effective supplier system and a product development system In the 1990s the industry fell on hard times because of the Japanese asset price bubble and extreme currency appreciation In this book eminent industry specialist Koichi Shimokawa draws on his

thirty years of research and fieldwork with Japanese and American firms to show how the Japanese automotive industry has managed to recover from this difficult period He shows how firms like Toyota were able to transfer Japanese systems to overseas plants and how they have changed in order to compete in increasingly globalized markets In addition the book also addresses the two major challenges to the current industry model the rise of China and the environmental and energy supply situation
