Archives and Libraries in the Ancient Near East, 1500-300 B.C. Olof Pedersén, 1998 **The Ancient Near East** Mario Liverani, 2013-12-04 The Ancient Near East reveals three millennia of history c 3500 500 bc in a single work Liverani draws upon over 25 years worth of experience and this personal odyssey has enabled him to retrace the history of the peoples of the Ancient Near East The history of the Sumerians Hittites Assyrians Babylonians and more is meticulously detailed by one of the leading scholars of Assyriology Utilizing research derived from the most recent archaeological finds the text has been fully revised for this English edition and explores Liverani s current thinking on the history of the Ancient Near East The rich and varied illustrations for each historical period augmented by new images for this edition provide insights into the material and textual sources for the Ancient Near East Many highlight the ingenuity and technological prowess of the peoples in the Ancient East Never before available in English The Ancient Near East represents one of the greatest books ever written on the subject and is a must read for students who will not have had the chance to explore the depth of Liverani s scholarship *Writing and Ancient Near East Society* Alan Ralph Millard, Piotr Bienkowski, C.B. Mee, E.A. Slater, 2005-10-27 Series of papers on the general topic of writing and its uses and significance for wider ancient Near Eastern society based on a colloquium in honor of Professor Alan Millard held in Liverpool in May 2003 Manuscripts and Archives Alessandro Bausi, Christian Brockmann, Michael Friedrich, Sabine Kienitz, 2018-02-19 Archives are considered to be collections of administrative legal commercial and other records or the actual place where they are located They have become ubiquitous in the modern world but emerged not much later than the invention of writing Following Foucault who first used the word archive in a metaphorical sense as the general system of the formation and transformation of statements in his *Archaeology of Knowledge* 1969 postmodern theorists have tried to exploit the potential of this concept and initiated the archival turn In recent years however archives have attracted the attention of anthropologists and historians of different denominations regarding them as historical objects and grounding them again in real institutions The papers in this volume explore the complex topic of the archive in a historical systematic and comparative context and view it in the broader context of manuscript cultures by addressing questions like how by whom and for which purpose were archival records produced and if they differ from literary manuscripts regarding materials formats and producers scribes **Wool Economy in the Ancient Near East** Catherine Breniquet, Cécile Michel, 2014-07-31 The history of the Ancient Near East covers a huge chronological frame from the first pictographic texts of the late 4th millennium to the conquest of Alexander the Great in 333 BC During these millennia different societies developed in a changing landscape where sheep and their wool always played an important economic role The 22 papers presented here explore the place of wool in the ancient economy of the region where large scale textile production began during the second half of the 3rd millennium By placing emphasis on the development of multi disciplinary methodologies experimentation and use of archaeological evidence combined with ancient

textual sources the wide ranging contributions explore a number of key themes These include the first uses of wool in textile manufacture and organization of weaving trade and exchange the role of wool in institutionalized economies and the reconstruction of the processes that led to this first form of industry in Antiquity The numerous archaeological and written sources provide an enormous amount of data on wool textile crafts and clothing and these inter disciplinary studies are beginning to present a comprehensive picture of the economic and cultural impact of woollen textiles and textile manufacturing on formative ancient societies

A History of Ancient Near Eastern Law (2 vols) Raymond Westbrook, 2003-08-01 The first comprehensive survey of the world s oldest known legal systems this collaborative work of twenty two scholars covers over 3 000 years of legal history of the Ancient Near East Each of the book s chapters represents a review of the law of a particular period and region e g the Egyptian Old Kingdom by a specialist in that area Within each chapter the material is organized under standardized legal categories e g constitutional law family law that make for easy cross referencing The chapters are arranged chronologically by millennium and within each millennium by the three major politico cultural spheres of the region Egypt Mesopotamia and Anatolia and the Levant An introduction by the editor discusses the general character of Ancient Near Eastern Law

Ancient Archives and Archival Traditions Maria Brosius, 2003 Our oldest archival records originate from the Near East Systems of archival record keeping developed over several millennia in Mesopotamia before spreading to Egypt the Mycenaean world and the Persian empire and continuing through the Hellenistic and Seleucid periods Yet we know little about the way archival practices were established transmitted modified and adapted by other civilizations This interdisciplinary volume offers a systematic approach to archival documents and to the societies which created them addressing questions of formal aspects of creating writing and storing ancient documents and showing how archival systems were copied and adapted across a wide geographical area and an extensive period of time

The Library of Alexandria Roy MacLeod, 2005-01-14 The Library of Alexandria was one of the greatest cultural adornments of the late ancient world containing thousands of scrolls of Greek Hebrew and Mesopotamian literature and art and artefacts of ancient Egypt This book demonstrates that Alexandria became through the contemporary reputation of its library a point of confluence for Greek Roman Jewish and Syrian culture that drew scholars and statesmen from throughout the ancient world It also explores the histories of Alexander the Great and of Alexandria itself the greatest city of the ancient world This new paperback edition offers general readers an accessible introduction to the history of this magnificent yet still mysterious institution from the time of its foundation up to its tragic destruction

Babylonia under the Kassites 2** Alexa Bartelmus, Katja Sternitzke, 2017-06-26 Kardunia

as the kingdom of the Kassites in Babylonia was called in ancient times was the neighbor and rival of great powers such as Egypt the Hittites and Assyria But while our knowledge of the latter kingdoms has made huge progress in the last decades the Kassites have until recently been largely ignored by modern scholarship Recently a number of scholars have embarked on research into different aspects of Late Bronze Age Babylonia The desire to share the results of these new investigations

resulted in an international conference which was held at Munich University in July 2011 The presentations given at this meeting have been revised for publication in the current volume This book gives an overview of current research on the Kassites and is the first larger survey of their culture ever An invaluable introduction by Kassite expert Professor John A Brinkman is followed by seventeen specialist contributions investigating different aspects of the Kassites These include detailed historical social cultural archaeological and art historical studies concerning the Kassites from their first arrival in Mesopotamia during the period when a Kassite Dynasty ruled Babylonia c 1500 1550 BC and in the subsequent aftermath Concentrating on southern Mesopotamia the contributions also discuss Kassite relations and presence in neighboring regions The book is completed by a substantial bibliography and a detailed index

Scribal Culture and the Making of the Hebrew Bible Karel van der Toorn, 2009-04-15 The scribes of ancient Israel are the main figures behind the Hebrew Bible and this book tells their story for the first time Drawing comparisons with the scribal practices of ancient Egypt and Mesopotamia van der Toorn details the methods assumptions and material means that gave rise to biblical texts

Archival Historiography in Jewish Antiquity Laura Carlson Hasler, 2019-12-26 The question of how the Bible received its unusual form has been a question addressed by scholars since critical study of the text began Early attention focused on the Pentateuch and the Primary History Archival Historiography in Jewish Antiquity argues that Ezra and Nehemiah late texts sometimes overlooked in such discussions reveal another piece of this longstanding puzzle Laura Carlson Hasler suggests that the concept of archival historiography makes sense of Ezra and Nehemiah's unusual format and place in the Bible Adapting the symbolic quality of ancient Near Eastern archives to their own purposes the writers of these books found archiving an expression of religious and social power in a colonized context Using the book of Esther as a comparative example Carlson Hasler addresses literary disruption a form unpalatable to modern readers as an expected element of archival historiography This book argues that archiving within the experience of trauma is more than sophisticated history writing and in fact served to facilitate Judean recovery after the losses of exile
