Darker Proof:

The Darker Proof Adam Mars-Jones, Edmund White, 1987-01 **The Violet Hour** David Bergman, 2004-05-05 The members of the literary circle known as the Violet Quill Andrew Holleran Felice Picano Edmund White Christopher Cox Michael Grumley Robert Ferro and George Whitmore collectively represent the aspirations and the achievement of gay writing during and after the gay liberation movement David Bergman's social history shows how the works of these authors reflected advanced and criticized the values principles and prejudices of the culture of gay liberation In spinning many of the most important stories gay men told of themselves in the short period between the 1969 Stonewall Riots and the devastation of the AIDS epidemic during the 1980s the Violet Quill exerted an enormous influence on gay culture The death toll of the AIDS epidemic including four of the Violet Quill's seven members has made putting such recent events into a historical context all the more important and difficult The work of the Violet Quill expresses the joy suffering grief hope activism and caregiving of their generation The Violet Hour meets the urgent need for a history of the men who bore witness not only to the birth but also to the decimation of a culture **The Cambridge History of the English Novel** Robert L. Caserio, Clement Hawes, 2012-01-12 The Cambridge History of the English Novel chronicles an ever changing and developing body of fiction across three centuries An interwoven narrative of the novel's progress unfolds in more than fifty chapters charting continuities and innovations of structure tracing lines of influence in terms of themes and techniques and showing how greater and lesser authors shape the genre Pushing beyond the usual period centered boundaries the History's emphasis on form reveals the range and depth the novel has achieved in English This book will be indispensable for research libraries and scholars but is accessibly written for students Authoritative bold and clear the History raises multiple useful questions for future visions of the invention and re-invention of the novel Jack Holmes and His Friend Edmund White, 2012-01-24 Many straight men and gay men are best friends but if the phenomenon is an urban commonplace it has never been treated before as the focus of a major novel Jack Holmes is in love but the man he loves never shares his bed The other men Jack sleeps with never last long and he dallies with several women He sees a shrink and practices extreme discretion about his gay adventures since the book begins in the 1960s before gay liberation and ends after the advent of AIDS in the 1980s Jack's friend Will Wright comes from old stock has aspirations to be a writer and like Jack works on the Northern Review a staid cultural quarterly Will is shy and lonely and Jack introduces him to the beautiful brittle young woman he will marry Over the years Will discovers his sensuality and almost destroys his marriage in doing so Towards the end of the 1970s Jack's and Will's lives merge as they both become accomplished libertines Jack Holmes and his Friend deploys Edmund White's wonderful perceptions of American society to dazzling effect as character after character is delicately and colourfully rendered and one social milieu after another glows in the reader's mind He is a connoisseur of the nuances of personality and mood and here unveils his very human cast in all their radical individuality New York itself is a principle character with its old society and its

bohemians rich and poor with its sleek European immigrants and its rough and tumble transplanted Midwesterners With narrative daring and a gifted sense of the rueful submerged drama of life the novel is a beautifully sculpted exploration of sexuality and sensibility **A Previous Life** Edmund White,2022-01-25 Elegant filthy and quite possibly the queerest thing you will read all year Guardian Intriguing and inventive Electric Literature Most Anticipated LGBTQ Book of the Year A dizzyingly enticing and kaleidoscopic take on the spectrum of sexual experiences Publishers Weekly starred review

_____ A daring category confounding and ruthlessly funny novel from National Book Award honored author Edmund White that explores polyamory and bisexuality aging and love Sicilian aristocrat and musician Ruggero and his younger American wife Constance agree to break their marital silence and write their Confessions Until now they had a ban on speaking about the past since transparency had wrecked their previous marriages As the two alternate reading the memoirs they ve written about their lives Constance reveals her multiple marriages to older men and Ruggero details the affairs he s had with men and women across his lifetime most importantly his passionate affair with the author Edmund White Sweeping outward from the isolated Swiss ski chalet where the couple reads to travel through Europe and the United States White s new novel pushes for a broader understanding of sexual orientation and pairs humor and truth to create his most fascinating and complex characters to date As in all of White s earlier novels this is a searing scintillating take on physical beauty and its inevitable decline But in this experimental new mode one where the author has laid himself bare as a secondary character White explores the themes of love and age through numerous eyes hearts and minds Delightful irreverent and experimental A Previous Life proves once more why White is considered a master of American literature **The Postmodern Short Story**

Farhat Iftekharudin,Joseph Boyden,Mary Rohrberger,Jaie Claudet,2003-12-30 Short stories are usually defined in terms of characteristics of modernism in which the story begins in the middle develops according to a truncated plot and ends with an epiphany This approach tends to ignore postmodernism a movement often characterized by a negation of objective reality where plots are seemingly abandoned surfaces are extraordinary and symbols turn inward on themselves This book examines postmodern forms and characteristic themes by analyzing a group of short stories that make use of postmodern narrative strategies including nonfictional fiction gender profiling and death as an image The volume begins with a discussion of the blurred lines between fiction and nonfiction in the short story and imaginative personal essay It then looks at the role of women in works by such authors as Sandra Cisneros Leslie Marmon Silko Joyce Carol Oates and Lorrie Moore This is followed by a section of chapters on postmodern masculinity and short fiction The next section focuses on death as an image and theme in works by Richard Ford Richard Brautigan and James Joyce The final set of chapters considers postmodern short fiction from South Africa and Canada **City Boy** Edmund White,2009-10-07 In the New York of the 1970s in the wake of Stonewall and in the midst of economic collapse you might find the likes of Jasper Johns and William Burroughs at the next cocktail party and you were as likely to be caught arguing Marx at the New York City Ballet as cruising for sex in the

warehouses and parked trucks along the Hudson This is the New York that Edmund White portrays in *City Boy* a place of enormous intrigue and artistic tumult Combining the no holds barred confession and yearning of *A Boy's Own Story* with the easy erudition and sense of place of *The Flaneur* this is the story of White's years in 1970s New York bouncing from intellectual encounters with Susan Sontag and Harold Brodkey to erotic entanglements downtown to the burgeoning gay scene of artists and writers It's a moving candid brilliant portrait of a time and place full of encounters with famous names and cultural icons

curriculum by helping students learn about LGBTQ writers and their works **Lord Gnome's Literary Companion** Francis Wheen, 1994 His review has got to be in by mid day tomorrow at about 9 pm his mind will grow relatively clear and until the small hours he will sit skipping expertly through one book after another and laying each one down with the comment God what tripe Then suddenly he will snap into it All the stale old phrases a book that no one should miss something memorable on every page jump into their places like iron filings obeying the magnet Thus did George Orwell writing forty years ago in Confessions of a Book Reviewer describe the labours of a typical literary hack Precious little has changed over the intervening decades the servility of the satirical magazine Private Eye Lord Gnome's Literary Companion assembles in thematic order the best of these columns to present an astringent rude and funny survey of publishers and the published

AIDS, Health, And Mental Health Judith Landau-Stanton, Colleen D. theoretical and historical developments since the late nineteenth century and tracing the conflict back to the fiction of Wilde Forster Genet Vidal Burroughs and Isherwood Other relevant topics discussed include gay fiction of the 1970s gays and the family sexual transgression gay fiction and the AIDS epidemic Historical Companion to Postcolonial Literatures in English Prem Poddar,2019-08-07 This is the first reference guide to the political cultural and economic histories that form the subject matter of postcolonial literatures written in English The focus of the Companion is principally on the histories of postcolonial literatures in the Anglophone world Africa the Middle East South Asia South east Asia Australia and New Zealand the Pacific the Caribbean and Canada There are also long entries discussing the literatures and histories of those further areas that have also claimed the title postcolonial notably Britain East Asia Ireland Latin America and the United States The Companion contains 220 entries written by 150 acknowledged scholars of postcolonial history and literature covers major events ideas movements and figures in postcolonial histories long regional survey essays on historiography and women s histories Each entry provides a summary of the historical event or topic and bibliographies of postcolonial literary works and histories Extensive cross references and indexes enable readers to locate particular literary texts in their relevant historical contexts as well as to discover related literary texts and histories in other regions with ease **Encyclopedia of Lesbian and Gay Histories and Cultures** George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public **Encyclopedia of Homosexuality** Wayne R. Ashbery's development in the light of this idea and from its origins in the dazzling artistic environment of 1950's New York the book evaluates his poetry against the aesthetic literary and historical backgrounds that have informed it The story of a brilliant career and a history of the period in which that career has taken shape John Ashbery and American Poetry provides a compelling account of Ashbery's importance to Twentieth Century Literature **Medicine, Health and the Arts** Victoria Bates, Alan Bleakley, Sam Goodman, 2013-10-23 In recent decades both medical humanities and medical history have emerged as rich and varied sub disciplines Medicine Health and the Arts is a collection of specially commissioned essays designed to bring together different approaches to these complex fields Written by a selection of established and emerging scholars this volume embraces a breadth and range of methodological approaches to highlight not only developments in well established areas of debate but also newly emerging areas of investigation new methodological approaches to the medical humanities and the value of the humanities in medical education Divided into five sections this text begins by offering an overview and analysis of the British and North American context It then addresses in depth the historical and contemporary relationship between visual art literature and writing performance and music There are three chapters on each art form which consider how history can illuminate current challenges and potential future directions Each section contains an introductory overview addressing broad themes and methodological concerns a case study of the impact of medicine health and well being on an art form and a case study of the impact of that art form on medicine health and wellbeing The underlining theme of the book is that the relationship between medicine health and the arts can only be understood by examining the reciprocal relationship and processes of exchange between them This volume promises to be a welcome and refreshing addition to the developing field of medical humanities Both informative and thought provoking it will be important reading for students academics and practitioners in the medical humanities and arts in health as well as health professionals and all scholars and practitioners interested in the questions and debates surrounding medicine health and the arts *Reflections* Paul Monette, 2017-09-05 From an acclaimed memoirist and National Book Award winner Three groundbreaking works of nonfiction put a human face on the AIDS epidemic Paul Monette's searing memoirs of growing up coming out and losing his beloved partner to AIDS are now available in a single volume Becoming a Man This National Book Award winning memoir follows Monette's childhood Growing up all American Catholic overachieving and closeted Monette wrestled with his sexuality for the first thirty years of his life priding himself on his ability to pass for straight This intimate portrait of a young man's struggle with his own desires and journey to adulthood and self acceptance through grace and honesty is witty humorous and deeply felt Borrowed Time Chronicling Monette's relationship with Roger Horwitz this tragic true story follows Horwitz's fight against and eventual death from AIDS A tender and lyrical memoir The New York Times Book Review it remains one of the most raw and human tales of the AIDS era a searing shattering ultimately hope inspiring account of a great love story San Francisco Examiner The Last Watch of the Night Compiling work from the last two years of his life this collection of essays documents Monette's
