Dariens World:

The Orphaned Worlds Michael Cobley, 2024-09-24 The fight is on So let the battle begin Darien is no longer a lost outpost of humanity but the prize in an intergalactic struggle Hegemony forces control the planet while Earth merely observes rendered impotent by galactic politics Yet Earth's ambassador to Darien will become a player in a greater conflict as there is more at stake than a turf war on a newly discovered world An ancient temple hides access to a hyperspace prison housing the greatest threat sentient life has never known Millennia ago malignant intelligences were caged there following an apocalyptic struggle and their servants work on their release Now a new war is coming The Forgotten Survivors of Gun Violence Loren Kleinman, Shavaun Scott, Sandy Phillips, Lonnie Phillips, 2023-06-30 The toll of America's gun violence epidemic is usually measured in lives lost more than 35 000 each year Ignored almost completely are the many more people who are shot every year and survive Shot and Forgotten The Trace Nearly 40 000 people die from gun violence in the US every year This uniquely American crisis leaves no community untouched but it doesn't have to be this way Gabrielle Giffords *The Forgotten Survivors of Gun Violence* collects 20 personal essays of survivors visible and invisible wounds from school shootings attempted suicide by firearm mass shootings gang violence and domestic violence Their stories remind us that these traumatic experiences are not exclusive to combat soldiers but more notably suffered by ordinary people during modern life With this collection editors Loren Kleinman Shavaun Scott Sandy Phillips and Lonnie Phillips expose the true lifecycle of a bullet and the trauma left in its wake Through personal narratives and select personal photos the wounded tell a story that's forgotten when the cameras go away This collection will be of interest to first responders officers therapists medical practitioners and educators Georges Darien: Robbery and Private Enterprise Walter D. guidelines for when it is right for states UN agencies and NGOs to help refugees repatriate **The Wildfire Collection, Volume 1** Lynn Hagen, 2025-03-06 Siren Publishing The Lynn Hagen ManLove Collection Erotic Romance Alternative Contemporary MM HEA Worth the Risk Isn't the chase half the fun That's what Darien thinks when he sets his sights on one of Wildfire's investors Sex is the only thing Darien is interested in until a scoundrel from Matthew's past resurfaces Now it's up to Darien to pull Matthew back from the brink of self destruction and he doesn't understand why he's going out on a limb for a guy he barely knows When Matthew and his friends invest in a podunk town he has no idea what he is in for Darien makes it known that he wants Matthew but after a bitter betrayal from a past lover Matthew doesn't trust anyone He thinks Darien isn't worth the risk Or so he thinks When his life begins to spiral out of control Matthew is shocked that it's Darien who comes to his rescue refusing to allow Matthew to sink into the depths of despair Rogue Operative When Jordan spots the new sheriff riding into town on his motorcycle he becomes infatuated with the sexy man but he's running from a past that still haunts him a past that has left him guilt ridden for too long He thinks he's the reason his lover is dead and is afraid to give his heart away again He convinces himself that he can be friends with Mason without falling for the sheriff but the heart wants what it wants and soon Jordan finds himself lost in Mason's arms Mason Blade Camden came to Wildfire to put his past behind him He retired from his mercenary work Unfortunately the agency didn't get the memo When they send him on an assignment things go horribly wrong Now Mason is a wanted man and must draw attention away from the small town even if that means leaving behind the man he loves Lynn Hagen is a Siren exclusive author *Love's Song* Brent A. Peters, 2009-04 In Darien's world music is king Since the age of sixteen he's filled a spiral notebook full of songs inspired by his own experiences and he now owns and plays at a thriving nightclub called Strings Lately though his mind has been consumed with thoughts of his ex girlfriend Candice if he could only get her out of his head he might be able to find peace When he meets Melody a talented writer for a local up and coming magazine Darien falls instantly and completely in love He now gets to fulfill his dream of creating songs from his heart And Darien touches the heart of Melody so skillfully that the two become inseparable But even the most perfect relationships can crack and despite all his best intentions Darien feels Melody begin to slip through his fingers Through the pain and confusion of his relationship with Melody Darien continues to write his songs seeking to understand the barrage of feelings hammering against his heart Is Melody indeed the love he has been writing about his entire life or does someone else wait in the wings Only time will tell but Darien knows that whatever lays ahead his music will illuminate the path he takes A beautiful love story entwined with the magic of music *Love's Song* reveals one man's commitment to discovering the song and the woman of his heart *The Darien Chronicles: Objects for Reflection, a Journey into Love* Steven Howard, 2016-06-10 Take a journey with Darien and his spirit guide Sundeep from pre birth into the after life In *The Darien Chronicles Object for Reflection A Journey into Love Part One* In the Beginning walk with him as he leaves behind vague recollections of being a cast off and develops his rules for survival in the drama of an adoptive family

where secrets thrive Be with him as he struggles to separate truth from fiction and find his own soul Is Sundeep real or imaginary Is Darien who he is seen to be or is there more to who he is Who can he trust The appearance of things suggests no one as he cautiously formulates a plan to fit in and be accepted Circumstances bring Darien a four year old boy into a working class family that includes an older boy whose friend causes him to question himself and shakes his very foundation as a boy wanting desperately to become a man Being a bastard boy and child of a trollop Darien finds refuge and a reflection of who he is in his secret friend Sundeep But does he believe what he hears Or do the other influences and experiences he encounters speak louder to him Find out Perhaps youll even find yourself in this story And this is just the beginning

Shadows of Reality Stephen N Berberich, 2013-01-24 Christmas Day 3 00 a m December 25 2015 The final chapter in man s search for truth began with a single event that took place in the wee hours of Christmas morning 2015 A crippling blizzard of epic proportion had blanketed the entire northeastern corridor with an opaque shroud of ice and wind driven snow All ground and air transportation was at a complete standstill as residents throughout the Atlantic coastal area hunkered down in their homes awaiting a reprieve from nature s fury This explains why Ray Hodges was fast asleep at his desk in the air traffic control tower of Dulles International Airport After doing absolutely nothing for the past six hours he was bored stiff and had planned to rest his eyes for only a moment Forty five minutes later Hodges was awakened by a high pitched alarm warning him of an incoming bogey The aircraft s radar signature was that of a TWA Constellation a prop driven plane that he had not seen since the early 1960s The anonymous intruder was flying dangerously close to the high value targets in Washington DC and Hodges was required to establish immediate radio contact with the inbound aircraft Using multiple radio frequencies he tried to hail the pilot with no response This perilous situation prompted an urgent call to the Strategic Air Command at Andrews Air Base and within minutes of notification a squadron of F18 jets had surrounded the aircraft The team leader contacted Hodges and reported that he too was unable to communicate with the pilot Then the pilot said something that made Hodges s skin crawl Dulles there seems to be multiple objects protruding through the fuselage of the plane Understand the visibility up here is marginal but those objects look a lot like body parts Hodges instantly felt a gnawing pain centered in the pit of his stomach Thus began one young man s journey into the crypts of the unknown It was a place where all reality was an illusion Darien's World: Dust from a grindstone William Burnet Kinney Bassett, 1961

Darien John McKendrick, 2007-07-05 An in depth look at the history of Scotland s attempt to colonize in Central America in the late 1600s The Company of Scotland and its attempts to establish the colony of Caledonia on the inhospitable isthmus of Panama in the late seventeenth century is one of the most tragic moments of Scottish history Devised by William Paterson the stratagem was to create a major trading station between Europe and the East It could have been a triumph but inadequate preparation and organization ensured it was a catastrophe Of the 3 000 settlers who set sail in 1688 and 1699 only a handful returned the rest having succumbed to disease The enormous financial loss was a key factor in ensuring union

with England in 1707 Based on archive research in the UK and Panama as well as extensive travelling in Darien itself John McKendrick explores this fascinating and seminal moment in Scottish history and uncovers fascinating new information from New World archives about the role of the English and Spanish and about the identities of the settlers themselves Praise for Darien A machete wielding history that sees its author leaping from dugout canoes and hacking through tropical vegetation in the footsteps of the lost colonists Scottish Field UK A meticulously detailed account that spares no one s blushes He makes his own travels vividly relevant to the central theme Scots Magazine UK **Darien** Eliot Warburton,1852 *Scotland's Grievances relating to Darien, etc. humbly offered to the consideration of the Parliament.
