Dark Fathers Into Light Brendan Kennelly:

Dark Fathers Into Light Richard Pine, 1994 Brendan Kennelly is one of Ireland's most distinguished poets, lecturers and broadcasters. He is a renowned editor and anthologist and was Professor of Modern Literature at Trinity College Dublin until his retirement. This collection of essays addresses Kennelly's work comprehensively and includes a biographical portrait, an extensive bibliography and a penetrating interview. It portrays Kennelly as a man of two villages: his birthplace of Ballylongford in County Kerry and his workplace of Trinity College Dublin, while locating him in the world of poetry as a craftsman who cares passionately about the continuing importance of lyric and narrative poetry and indeed the nature of language and the status of writing. The essays are by leading literary critics and Kennelly specialists: Jonathan Allison, Terence Brown, Gerald Dawe, Gabriel Fitzmaurice, Augustine Martin, Kathleen McCracken, Ke Persson, Richard Pine and Anthony Roche. The book has a Foreword by Ireland's President Michael D. Higgins. The Oxford Handbook of Modern Irish Poetry Fran Brearton, Alan Gillis, 2012-10-25 The Oxford Handbook of Modern Irish Poetry consists of 40 essays by leading scholars and new researchers in the field. Beginning with W. B. Yeats, the figure who towers over the century's poetry, it includes chapters on the major poets to have emerged in Ireland over the last 100 years. **Transnational and Postcolonial Vampires** T.

Khair, 2012-11-14 Throughout the ages, vampires have transgressed the borders of gender, race, class, propriety and nations. This collection examines the vampire as a postcolonial and transnational phenomenon that maps the fear of the Other, the ravenous hunger of Empires and the transcultural rifts and intercultural common grounds that make up global society today.

The Cambridge Companion to Irish Poets Gerald Dawe, 2018 A fresh, accessible and authoritative study that conveys the richness and diversity of Irish poets, their lives and times. *Unbinding Medea* Heike Bartel, 2017-07-05 Medea simply to mention her name conjures up echoes and cross connections from Antiquity to the present. The vengeful wife, the murderess of her own children, the frail suicidal heroine, the archetypal Bad Mother, the smitten maiden, the barbarian, the sorceress, the abused victim, the case study for a pathology. For more than two thousand years she has arrested the eye in paintings, reverberated in opera, called to us from the stage. She demands the most interdisciplinary of study, from ancient art to contemporary law and medicine; she is no more to be bound by any single field of study than by any single take on her character. The contributors to this wide-ranging volume are Brian Arkins, Angela J. Burns, Anthony Bushell, Richard Buxton, Peter A. Campbell, Margherita Carucci, Daniela Cavallaro, Robert Cowan, Hilary Emmett, Edith Hall, Laurence D. Hurst, Ekaterini Kepetzi, Ivar Kvistad, Catherine Leglu, Yixu Lue, Edward Phillips, Elizabeth Prettejohn, Paula Straile, Costa John Thorburn, Isabelle Torrance, Terence Stephenson and Amy Wygant. **The Possibility of Love** Kathleen O'Dwyer, 2009 The Possibility of Love is an exploration of a concept close to the human heart. Grounded in the ordinary, everyday experiences of human living, the book provides an exploration of the diverse obstacles to the experience of love, the consequences of love, its absence and the unquenchable desire for love which propels, influences and ultimately motivates much of human behaviour.

The Possibility of Love poses the question is love actually possible between human beings or is it an ideal a fantasy an illusion or a comforting aspiration which enables a palliative denial and distortion of the reality of human being This expansive question is approached through an interdisciplinary analysis The author addresses the question of love TM s possibility as it is explored in a selection of literature from the disciplines of philosophy psychoanalysis and poetry The interdisciplinary nature of the study is based on the assertion of an interconnection between the three disciplines and that this interconnection enables a unique and insightful exploration of the question of love TM s possibility Thus the question is explored from diverse view points and also from different time frames convergences and divergences are noted and discussed and conclusions are drawn from the ensuing findings The book is essentially a philosophical analysis of an emotion that significantly impacts on human experience It attests to the gradually increasing acknowledgement of the power of emotional experience in the search for knowledge wisdom and truth Thus it is a uniquely honest exploration of human nature in contemporary times

Ireland's Cultural Empire Giuliana Bendelli,2018-12-19 The volume highlights Ireland s cultural and linguistic influence in the world It springs from research carried out on the relationship between Ireland and England and pays special attention to the concept of colony Traditional adjectives like colonial and post colonial have been purposely avoided in the title of the book When referring to Ireland they reinforce a prejudicial perspective and blur the relevant influence of its cultural heritage and identity In the decades after independence Ireland was predominantly defined in terms of separatism and isolation and in a contrasting antagonistic relationship with Britain Recent studies have instead explored the essential connectedness of Irish culture The concept of an Irish cultural empire counterbalances this bias and this publication will advance the reader s understanding of international strands in Irish identity The wide ranging choice of authors and topics sets the essays here in a broader context which outlines a chronological thread starting by dealing with Ireland s major cultural impact in Europe during the Middle Ages and the influence of classic motifs in Anglo Irish culture Contributions focus on 18th 19th and 20th century Irish writers who export their legacy abroad In addition the volume offers new perspectives on Irish emigration to Australia and the USA

The Disappointed Bridge Richard Pine,2014-06-02 This original study is the first major critical appraisal of Ireland s post colonial experience in relation to that of other emergent nations The parallels between Ireland India Latin America Africa and Europe establish bridges in literary and musical contexts which offer a unique insight into independence and freedom and the ways in which they are articulated by emergent nations They explore the master servant relationship the functions of narrative and the concepts of nationalism map making exile schizophrenia hybridity magical realism and disillusion The author offers many incisive answers to the question What happens to an emerging nation after it has emerged

Irish Poetry: Politics, History, Negotiation S. Matthews,1997-04-12 The award of the 1995 Nobel Prize for Literature to Seamus Heaney recognized not only the aesthetic achievement of his work but also its political urgency Here Steven Matthews presents a genealogy of Irish poetry which centres upon Heaney s

recent preoccupation with the relations between poetry politics and history Writing from the perspective of Irish critical responses to the poetry he discusses a wide range of work from John Hewitt through Heaney himself to Paul Muldoon All of these poets have been inspired directly or indirectly by the situation in the North of Ireland Placing the poems in their historical context the author also analyses how these poets have reacted to the influence of W B Yeats This important book offers a new approach to Irish poetry linking it for the first time to the crucial political and historical events which lie at its centre

The Cambridge Companion to the Irish Novel John Wilson Foster, 2006-12-14 This is the perfect overview of the Irish novel from the seventeenth century to the present day

Sophocles' Antigone Brendan Kennelly, 1996 After the death of Oedipus his sons turn on each other When both are killed the inflexible Creon becomes King of Thebes While the loyal Eteocles is buried with due honour Creon orders that the body of his rebellious brother Polyneices should be left to rot But his sister Antigone refuses to let this happen Sophocles great play dramatises the resulting conflict a battle of wills which leads to inevitable tragedy Antigone was a set text on the new Leaving Certificate syllabus in Ireland This edition includes short essays by Brendan Kennelly Terence Brown and Kathleen McCracken This edition is now out of print but it is included in full in *When Then Is Now Three Greek Tragedies*

Politics and the Rhetoric of Poetry, 2022-06-13 The rich and varied nature of twentieth century Anglo Irish and Irish poetry is reflected in the essays presented in *Politics and the Rhetoric of Poetry* Perspectives on Modern Anglo Irish Poetry The linguistic and theoretical observations formulated in close readings of apparently non political texts disclose implied political positions and suggest to what extent rhetoric and the nature of language are at the root of such questions as how should we read contemporary poetry How can poems play a part in the resolution of the political and historic conflict

Nuala Ní Dhomhnaill's versions of *The T* in Brendan Kennelly's *Cromwell* Paul Muldoon's *Madoc* and Ciaran Carson's *Belfast Confetti* are analysed in detail as is the relationship between rhetoric and politics in Seamus Heaney and Derek Mahon Earlier twentieth century poets such as Thomas Kinsella John Hewitt Patrick Kavanagh John Montague Louis MacNeice and Padraic Colum are also examined The contingent nature of language is recognized by many of these poets and the seventeen essays bring out the political charge hidden in the poetry This includes the deliberate choice of the poetic form the internal dialogue or the complexity of voices in the poem and a particular preoccupation with endings These essays demonstrate Yeats's contention that Deliberation can be so intensified that it becomes synonymous with inspiration

Journey Into Joy Brendan Kennelly, 1994 In his essay on Patrick Kavanagh Brendan Kennelly writes A poet's critical judgements are always at bottom necessary justifications of his own most dearly held aesthetic This selection of his critical writing is as illuminating in what it says about his own ideas and methods as it is about the writers whose work he discusses The book contains his essays on the major Irish writers of the 20th century Yeats Joyce O'Casey MacNeice Kavanagh Austin Clarke Frank O'Connor Flann O'Brien and Liam O'Flaherty It brings together his writings on Derek Mahon Joseph Plunkett and George Moore Taken together they present his view that literature should be

lucidly expressed rooted in the real world and true to the writer's experience and to the world's sufferings and joy Kennelly believes that the light of poetry often finds its origins in the darkness of our natures and shares Yeats's belief that poetry comes from exploring and struggling with the self
