There's something terribly broken in our industrial food, medical, and pharmaceutical systems. What's going wrong? Can we really avoid the leading causes of death just by changing our diet? Kip Andersen and Keegan Kuhn, creators of the revolutionary *What the Health* and the award-winning *Cowspiracy* documentaries, take readers on a science-based tour of the hazards posed by consuming animal products and what happens when we stop. *What the Health* will guide you on an adventure through this maze of misinformation with the same fresh, engaging approach that made the documentary so popular. Journey with Andersen and Kuhn as they crisscross the country talking to doctors, dietitians, public health advocates, whistle blowers, and world-class athletes to uncover the truth behind the food we eat. With the help of writer Eunice Wong, they empower eaters with knowledge about the lethal entwining of the food, medical, and pharmaceutical industries and about the corporate web that confuses the public and keeps Americans chronically and profitably ill.
