Apostolic Digest:

Apostolic Digest Michael Malone,1994 *The Apostolic Digest* ,1987 Digest of the Decisions of the Supreme Court of Idaho ,1914 Bulletin Index-digest System ,1978 **The Truth Which Sets Free** Peter Dunstan,2007-02-26 He who has ears let him hear Jesus said those words many times What did he mean He also declared The truth will set you free Which truth Free from what This book will tell you in no uncertain terms a message to be stapled on the world s bulletin board for any who pass by and in particular for those who have the right ears It is a thorough explanation of the astonishing freedom won by Christ for his elect and the devastating implications this has for all world religion and philosophy especially Christianity It will shatter the myths underpinning many long cherished beliefs and rock the Church to its foundations Along with many other surprises you will discover that the word church is not even in the Bible This investigation covers most aspects of the Church with special reference to its origin in early times fathers councils creeds buildings names and titles saints priesthood and clergy celibacy ordination confirmation sacraments tithes sabbaths festivals gospels and media assurance second coming and ecumenical beliefs All these are weighed against Scripture namely the teachings of Christ the apostles and prophets and found to be either non existent obsolete not the same thing or quite the opposite However these concepts did not materialize from nothing all came from someone somewhere The revelation of each source will be quite a shock for readers who thought they had a handle on the facts Well documented and researched but written in dynamic style this presentation is often moving and alarming This is the truth which sets free Antichrist: The Beast Revealed Edward Hendrie,2015-04-16 The antichrist is among us here and now This book proves it by comparing the biblical prophecies about the antichrist with the evidence that those prophecies have been fulfilled This book documents the man of sin s esoteric confession that he is the antichrist You will learn how the antichrist has changed times and laws as prophesied by Daniel and how he is today sitting in the temple of God shewing himself that he is God in fulfillment of Paul s prophecy in 2 Thessalonians 2 4 The beast of Revelation has come into the world after the working of Satan with all power and signs and lying wonders And with all deceivableness of unrighteousness as prophesied in 2 Thessalonians 2 10 **The 1917 Or Pio-Benedictine Code of Canon Law** Catholic Church,Edward N. Peters,2001 Available for the first time in a comprehensive English translation this thoroughly annotated but easy to use presentation of the classic 1917 Code of Canon Law by canon and civil lawyer Dr Edward Peters is destined to become the standard reference work on this milestone of Church law More than just of historical interest the 1917 Code is an indispensable tool for understanding the current 1983 Code under which the Roman Catholic Church governs itself Dr Peters faithful translation of the original Latin text of 1917 along with his detailed references to such key canonical works as Canon Law Digest and hundreds of English language doctoral dissertations on canon law produced at the world s great Catholic universities now allows researchers to access directly this great fountain of ecclesiastical legal science No student of canon law and indeed no one with a need to

understand modern Church administration can afford to be without this important volume **Professor Smith on the Bible, and Dr. Marcus Dods on Inspiration** James Smith, 2025-07-26 Reprint of the original first published in 1877 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Gospel Truth* Clinton Bezan, 2023-01-05 Where does a new believer turn to find truth The Christian narrative today has morphed into a fluid and philosophical commentary centered around social injustices and motivational messages that rarely align with the gospel that Jesus preached Sin is ignored and repentance is avoided by those who over exaggerate grace and diminish the holiness of God by suggesting he accepts us whether we are faithful to him or not In a knee jerk response to the strict religious shackles of the early church many of today s preachers bask in the hyper sensitivity that accompanies the cancel culture that proclaims it will not be judged In *The Gospel Truth* Bezan has endeavored to dissect prominent Christian religious denominations in order to expose their internal theologies and scrutinize the details of their doctrine under the litmus test of scripture He offers legitimate discernment to differentiate between truth and almost truth and conveys an intelligible recognition of the genuine vs the counterfeit in a detailed and comprehensive assessment that leaves the reader judiciously satisfied We have an opportunity in this life to sincerely contemplate the things of God We are provided with a window in time to question the hidden mysteries of scripture and truly discover who God is The good news is that God has provided a path to salvation through Jesus Christ and the gospel contains the truths that solve the mysteries that have eluded men for millennia Digest of the Decisions of the Supreme Court of Idaho Harold Ballard Clark, 1926 *A House Divided* Rudy Lopez, 2014-09-25 This book unabashedly explains and defends the doctrinal and dogmatic tenets of the Christian Catholic faith and attempts to reveal as well the obvious corollary attached thereto namely the untenability of the various protesting and schismatic Christian bodies who find themselves outside the pale of the original and ancient Catholic Church of Christ **Decennial Edition of the American Digest ,1922 Digest of Decisions of the Supreme Court of the United States Reported in Vols. 1-36 Supreme Court Reporter, Vols. 106-241 United States Reports, Vols. 27-60 Lawyer's Edition, United States Reports, 1882-1916, with a Table of Cases Digested ,1917 *The apostolic digest* Michael MALONE, 1987 **The American Digest Annotated, Key-number Series ,1912 The Omega** David Henderson, 2023-05-15 This book was written foremost because I love studying prophecies of the Bible Bible prophecy feels to me like putting a large puzzle together This book is a study of the book of Revelation but it is more than that There are over three hundred verses in the Old Testament about Christ s first coming and over five hundred verses about his second coming There are also many verses in the New Testament about Christ s second coming outside of the book of Revelation Understanding what will happen in the end times means studying all of the passages about future events Along with taking a look at the verses about the end times throughout the Bible I will also discuss various ways people interpret future**

prophecies This book is titled The Omega because it takes a look at what the end looks like as described by the God who will end it all *Apocalypse in Paradise* Robert R. Fiedler,2013-12 In this Volume is considered various things about life and living We will analyze some of what is evil and consider some of the universally good things The World is mostly good however some men have corrupted it with their greed and immorality Lying Fools have captured many important positions and control unimaginable wealth Those control very large segments of the information and publishing industries Those have assumed responsible positions in government and finance Those are the wealthy of today millionaires and billionaires Much of such wealth is earned from illicit means Those are slowly strangling the Civilization And the people of a wonderful World What can the good people do Such men are alien to decency They have no respect for their fellow man Those are arrogant and self assured in their contempt For others of their kind those are liar s thieves and hypocrites Those are greedy and sinful men that exploit all manner of opportunity Those are exclusive and stand apart from most other men and they have no shame Some live in the finest places fit for a King while being less than the lowest of creatures The contest is as it has always been The contest is between God as Father Son and Holy Ghost And the Devil as is found hiding in weak dull and corruptible men Both exist as an Idea and a Spirit and cannot be discounted Both are a part of Humanities destiny *A Voice Crying in the Wilderness* , *Meditations on the Song of Songs. Edited by the Rev. G. C. White. [With the Text.]* ,1874 *Seeking Truth* Clinton Bezan,2020-12-11 Today people are searching for truth in a world embroiled by contradiction misinformation and blatant lies that have created confusion division and mistrust in society The fear generated through terrorism and the handling of the global covid 19 pandemic have many questioning the future of mankind and turning to God for answers For those genuinely seeking redemption through Jesus Christ the tarnished reputation of the established Christian church offers little clarity in the path to salvation and serves as a living testimony to the fallen state of man Where does one begin to sort through the soupy mess that religion has become and discover the true meaning of Christianity In a revealing and illuminating examination of scripture history and the authentic Christian message Clinton Bezan dispels the fallacies and half truths propagated through Christian history by errant religious dogma and traditions There is a distinct paradox that organized religion fails to recognize in its efforts to maintain growth and influence in a civilization that is increasingly devoid of moral legitimacy and is struggling to maintain its sense of purpose amid the volatile and fluid post truth culture It is only by returning to the basic premise of faith in Christ that there is hope for peace and purpose in the Christian life
