Bernard Shaw A Guide To Research

Stanley Weintraub

Bernard Shaw A Guide To Research:

Bernard Shaw Stanley Weintraub, 1988-06-01 This is the first comprehensive annotated bibliography of works by and about Bernard Shaw No book has appeared before that has surveyed all of the research and writing that the life and work of Bernard Shaw have evoked The greatest dramaturgist in English after Shakespeare Shaw was one of the dominant public figures of his time a long lifetime 1856 1950 that began in the mid Victorian period and extended into the Atomic Age Inevitably someone who straddled his age so visibly and so memorably and whose works retain a continuing fascination has been the subject of thousands of articles and hundreds of books from criticism of individual works to multivolume biographies editions and studies Stanley Weintraub has distilled his forty years of experience of Shaw studies to bring them into useful focus and sort out the significant writings from the burgeoning mass of publications This book is an essential tool for both scholars and general readers interested in the multifarious world of Shaw Readers will not only find out what has been done but what still remains to be accomplished in Shaw studies what Shaw s influence has been on other writers even where Shaw has appeared as a character in other writers poetry fiction and drama *Bernard Shaw* Stanley Weintraub, 1992 This is the first comprehensive annotated bibliography of works by and about Bernard Shaw No book has appeared before that has surveyed all of the research and writing that the life and work of Bernard Shaw have evoked The greatest dramaturgist in English after Shakespeare Shaw was one of the dominant public figures of his time a long lifetime 1856 1950 that began in the mid Victorian period and extended into the Atomic Age Inevitably someone who straddled his age so visibly and so memorably and whose works retain a continuing fascination has been the subject of thousands of articles and hundreds of books from criticism of individual works to multivolume biographies editions and studies Stanley Weintraub has distilled his forty years of experience of Shaw studies to bring them into useful focus and sort out the significant writings from the burgeoning mass of publications This book is an essential tool for both scholars and general readers interested in the multifarious world of Shaw Readers will not only find out what has been done but what still remains to be accomplished in Shaw studies what Shaw s influence has been on other writers even where Shaw has appeared as a character in other writers poetry fiction and drama **A Play Analysis** R. J. Cardullo, 2015-10-28 Play Analysis A Casebook on Modern Western Drama is a combined play analysis textbook and course companion that contains twelve essays on major dramas from the modern European and American theaters among them Ghosts The Ghost Sonata The Doctor s Dilemma A Man s a Man The Homecoming The Hairy Ape The Front Page Of Mice and Men Our Town The Glass Menagerie and Death of a Salesman Supplementing these essays are a Step by Step Approach to Play Analysis a Glossary of Dramatic Terms Study Guides Topics for Writing and Discussion and bibliographies Written with college students in mind and possibly also advanced high school students these critical essays cover some of the central plays treated in courses on modern Euro American drama and will provide students with practical models to help them improve their own writing and analytical skills

The author is a close reader committed to a detailed yet objective examination of the structure style imagery and language of a play Moreover he is concerned chiefly with dramatic analysis that can be of benefit not only to playreaders and theatergoers but also to directors designers and even actors that is with analysis of character action dialogue and setting that can be translated into concepts for theatrical production or that can at least provide the kind of understanding of a play with which a theater practitioner could fruitfully quarrel *Shaw's People* Stanley Weintraub,1996 How could Bernard Shaw have found anything to admire in Queen Victoria Or in the passionate evangelical General William Booth of the Salvation Army What possible connections could there be between Shaw the passionate socialist and the Tory Winston Churchill who seemed to represent everything Shaw should have rejected and despised In *Shaw's People* noted Shaw scholar Stanley Weintraub explores the relationships between Shaw and twelve of his contemporaries including Queen Victoria Oscar Wilde H L Mencken James Joyce and Winston Churchill Weintraub chose these individuals as lenses through which to look at Shaw but also for the ways in which their lives are illuminated through their often paradoxical relationships with Shaw While Shaw never met Queen Victoria his sovereign during the first forty five years of his life the degree of her influence is apparent in Shaw's reference to himself in his ninth decade as an old Victorian Weintraub explores those in the literary world who interacted with Shaw such as H L Mencken one of Shaw's earliest American fans who turned against his hero at the peak of his transatlantic reputation and James Joyce who was loath to confess his respect for his fellow Irishman He investigates the curious mutual admiration between Shaw and W B Yeats and Shaw's championing of Oscar Wilde despite the vast difference in their lifestyles Weintraub's skillful investigation of each of these twelve relationships illuminates a different facet of Shaw from his pre dramatist years in London through the close of his long life **Shaw and Other Playwrights** John Anthony Bertolini,1993 The early conclusion that Shaw was mainly a magpie following the trails of many thinkers has led to the further consequence of neglecting Shaw's relationship to other playwrights This volume of SHAW explores Shaw's plays as inheritances and inspirations of dramatic art and also locates Shaw himself as a presence in the work of his contemporaries and successors The volume concentrates on Shaw in relation to other modern British playwrights notably Wilde Bennett Rattigan the Court Theatre playwrights and Shaw's successors from Coward to Stoppard Gwyn Thomas's 1975 BBC play *The Ghost of Adelphi Terrace* puts Shaw and Barrie together on stage and Shaw's 20 June 1937 Sunday Graphic obituary tribute to Barrie demonstrates Shaw's high regard for his contemporary and near neighbor There are also essays on how Shaw came increasingly to resemble Strindberg as a dramatist on the requirements of acting and directing Shaw alongside his contemporaries at the Shaw Festival at Niagara on the Lake and on *Heartbreak House* as a complex dialogue with Chekhov Shakespeare and Strindberg John R Pfeiffer has prepared a special bibliography of sources relating to Shaw and other playwrights in addition to the Continuing Checklist of Shawiana and Dan H Laurence has provided Shaw's pronunciation guide for the more troublesome names of his stage characters There are also reviews of four recent additions

to Shavian scholarship Contributors include John A Bertolini Fred D Crawford R F Dietrich T F Evans A M Gibbs Leon H Hugo Christopher Newton Sally Peters John R Pfeiffer Evert Sprinchorn and Stanley Weintraub **Nineteenth Century Prose** ,1994 **An Idea of the Drama** Bert Cardullo,2011 This is a collection of ten long essays arranged around the primordial subject of realism and non realism or anti realism in the drama as this subject manifests itself in modern Europe and contemporary America from Ibsen to Shaw to the symbolists expressionists surrealists dadaists futurists and absurdists This book treats not only the issue of realism versus anti realism in theater from a practical as well as a theoretical point of view It also treats at least two subjects related to this issue the superficial or bourgeois realism that has long crippled the theater versus the critical and sometimes poetic realism that liberates it and the avant garde the rearguard and the middle to advanced artistic ground in between claimed by Bertolt Brecht and Harold Pinter Special attention is paid moreover to the first thoroughgoing American avant garde dramatist Gertrude Stein In sum this book treats the subject of realism and non realism from the point of view of the theater s ability to create not only the illusion of reality onstage but also the reality of illusion Publisher s description back cover **A Contemporary Shavian Manifesto** Azeez Jasim Mohammed,2016-05-11 A Contemporary Shavian Manifesto presents an appraisal of George Bernard Shaw s position on women in his plays The dramatist s unconventional approach itself is praiseworthy as he creates unwomanly women who are deviant and create their own space outside social conventions and practices In creating a counterpoint to the norm Shaw succeeds in creating the image of a new woman who is no longer the angel of the house The book explores the ways in which Shaw addresses gender inequality in society through an examination of women s role in the social religious moral and economic spheres In addition to studying Shaw s exploration of the radical woman this book traces his attempts to project a new woman who is the pursuer rather than being pursued The playwright questions the relegation of woman to the domestic space the arbitrary distribution of duties between men and women and patriarchally determined codes of conduct imposed upon woman His foregrounding of women as the force behind what he calls Creative Evolution achieves a kind of feminisation of the life force the central theme in his plays **Edwardian Shaw** Leon Hugo,1999-01-28 Edwardian Shaw covers Shaw s campaigns and crusades in the crucial first ten years of the century when his career hung in the balance By going to contemporary documents and highlighting aspects of Shaw s career at this time particularly his emergence as a moral revolutionary and playwright of original and disquieting power Leon Hugo depicts a man who confronted a highly conservative world and managed by the force of his genius to stamp his personality on the age **Research in Education** ,1974 **Shaw and Other Matters** Stanley Weintraub,1998 Demonstrating the influence of scholar teacher Stanley Weintraub on his students Shaw and Other Matters reflects the scope of that influence in its concern with a variety of literary figures from Shaw to Joe Orton and of topics such as war memoirs and golem robots The variety is there as well in the approaches to the subjects Rodelle Weintraub s dream analysis of Arms and the Man Julie Sparks s comparison of Shaw with Bellamy Morris and Bulwer Lytton

as world betterers Michael Pharand's evaluation of Shaw's changing views of Napoleon Kinley Roby's tracing of Shaw's exchanges of views on playwriting with Arnold Bennett and Kay Li's archetypal exploration of characters in *Heartbreak House* *The Reference Book Review*, 1992 *Walford's Guide to Reference Material: Generalia, language & literature, the arts* Albert John Walford, Marilyn Mullay, Anthony Chalcraft, 1993 This book has achieved international recognition as a reference tool and a one stop daily information source This new edition features many topics and is indispensable to librarians and information professionals revising reference collections etc **Cicero in Heaven** Carl P.E. Springer, 2017-10-02 In *Cicero in Heaven The Roman Rhetor and Luther's Reformation* Carl Springer traces the historical outlines of Cicero's rhetorical legacy paying special attention to the momentous impact that he had on Luther his colleagues at the University of Wittenberg and later Lutherans While the revival of interest in Cicero's rhetoric is more often associated with the Renaissance than with the Reformation it would be a mistake to overlook the important role that Luther and other reformers played in securing Cicero's place in the curricula of schools in modern Europe and America Luther's attitude towards Cicero was complex and the final chapter of the book discusses negative reactions to Cicero in the Reformation and the centuries that followed *The Longman Anthology of British Literature* David Damrosch, 2003 The goal of this anthology is to present a wealth of poetry prose and drama from the full sweep of the literary history of the British Isles and to do so in ways that will bring out both the works original cultural contexts and their lasting aesthetic power **A Reference Guide for English Studies** Michael J. Marcuse, 2023-11-15 **Mozart's Ghosts** Mark Everist, 2013-06-11 *Mozart's Ghosts* traces the many lives of this great composer that emerged following his early death in 1791 Crossing national boundaries and traversing two hundred years worth of interpretation and reception author Mark Everist investigates how Mozart's past status can be understood as part of today's veneration Everist forges new paths to reach the composer examining a number of ways in which Western culture has absorbed the idea of Mozart how various cultural agents have appropriated deployed and exploited Mozart toward both authoritarian and subversive ends and how the figure of Mozart and his impact illuminate the cultural history of the last two centuries in Europe England and America Modern reverence for the composer is conditioned by earlier responses to his music and Everist argues that such earlier responses are more complex than allowed by a simple reception studies model Closely linking nine case studies in an innovative cultural and theoretical framework the book approaches the developing reputation of the composer from death to the present day along three paths *Phantoms of the Opera* deals with stage music *Holy Spirits* addresses the trope of the sacred and *Specters at the Feast* considers the impact of Mozart's music in literature and film *Mozart's Ghosts* adeptly moves the study of Mozart reception away from hagiography and closer to cultural and historical criticism and will be avidly read by Mozart scholars and students of eighteenth century music history as well as literary critics historians of philosophy and aesthetics and cultural historians in general *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1964 Includes Part 1 Number 1 Books and
