society's duties and obligations to them. Yet despite its rapid entry into force worldwide there are concerns that the Convention remains a high level paper treaty without the traction on the ground needed to address ever continuing violations of children's rights. This book based on papers from the conference 25 Years CRC held by the Department of Child Law at Leiden University draws together a rich collection of research and insight by academics practitioners NGOs and other specialists to reflect on the lessons of the past 25 years take stock of how international rights find their way into children's lives at the local level and explore the frontiers of children's rights for the 25 years ahead

Ecological Restoration in International Environmental Law Anastasia Telesetsky, An Cliquet, Afshin Akhtar-Khavari, 2016-12-01 Human activities are depleting ecosystems at an unprecedented rate. In spite of nature conservation efforts worldwide many ecosystems including those critical for human well being have been damaged or destroyed. States and citizens need a new vision of how humans can reconnect with the natural environment. With its focus on the long term holistic recovery of ecosystems ecological restoration has received increasing attention in the past decade from both scientists and policymakers. Research on the implications of ecological restoration for the law and law for ecological restoration has been largely overlooked. This is the first published book to examine comprehensively the relationship between international environmental law and ecological restoration. While international environmental law IEL has developed significantly as a discipline over the past four decades this book enquires whether IEL can now assist states in making a strategic transition from not just protecting and maintaining the natural environment but also actively restoring it. Arguing that states have international duties to restore this book offers reflections on the philosophical context of ecological restoration and the legal content of a duty to restore from an international law European Union law and national law perspective. The book concludes with a discussion of several contemporary themes of interest to both lawyers and ecologists including the role of private actors protected areas and climate change in ecological restoration

From Migrant to Worker Michele Ford, 2019-04-15 What happens when local unions begin to advocate for the rights of temporary migrant workers asks Michele Ford in her sweeping study of seven Asian countries. Until recently unions in Hong Kong Japan Malaysia Singapore South Korea Taiwan and Thailand were uniformly hostile towards foreign workers but Ford deftly shows how times and attitudes have begun to change. Now she argues NGOs and the Global Union Federations are encouraging local unions to represent and advocate for these peripheral workers and in some cases succeeding. From Migrant to Worker builds our understanding of the role the international labor movement and local unions have had in developing a movement for migrant workers labor rights. Ford examines the

relationship between different kinds of labor movement actors and the constraints imposed on those actors by resource flows contingency and local context Her conclusions show that in countries Hong Kong Malaysia and Thailand where resource flows and local factors give the Global Union Federations more influence local unions have become much more engaged with migrant workers But in countries Japan and Taiwan for example where they have little effect there has been little progress While much has changed Ford forces us to see that labor migration in Asia is still fraught with complications and hardships and that local unions are not always able or willing to act

The Rights of Refugees under International Law James C. Hathaway, 2021-04-22 Do states have a duty to assimilate refugees to their own citizens Are refugees entitled to freedom of movement to be allowed to work to have access to public welfare programs or to be reunited with family members Indeed is there even a duty to admit refugees at all This fundamentally rewritten second edition of the award winning treatise presents the only comprehensive analysis of the human rights of refugees set by the UN Refugee Convention and international human rights law It follows the refugee s journey from flight to solution examining every rights issue both historically and by reference to the decisions of senior courts from around the world Nor is this a purely doctrinal book Hathaway s incisive legal analysis is tested against and applied to hundreds of protection challenges around the world ensuring the relevance of this book s analysis to responding to the hard facts of refugee life on the ground

ARCHINESIA 5 Imelda Akmal (Editor in Chief), **GOOD DESIGN IN ARCHITECTURE NOW** One of the most important quite dominant processes in architecture is design process and the goal of architecture design is to obtain good design Good design has double meaning aesthetic and ethic In architecture the two should be united as a single goal that a design process should strive for Moreover an architectural product does not only effect its client and architect On a broader level architectural products also effect their surrounding environments In a large scale they may even have an effect on the economy and the social and political condition The question is How does an architectural design attain the label good design We tried to find the answer through a round table discussion by inviting the two groups of professionals in Indonesia practitioners and academics What are their thought on this matter You can peruse them in the main coverage of Archinesia vol 5 Built Project in Southeast Asia House in Semarang Revano Satria Serenity House phuket Duangrit Bunnag Spiral House Surabaya Archimetric B House Bali d associates Recycled Wood House Jakarta Mamostudio 1 The Mori Bandung LABO Ize Hotel Bali Studio Tonton River Safari Singapore DP Architects Anjung Salihara Studiomas Audi Centre Singapore Ong Ong Kineforum Misbar Jakarta Csutoras Liando Architravel special Scottish Parliament Building by Enric Miralles

African Human Rights Yearbook / Annuaire africain des droits de l'homme 3 (2019), 2019-01-01 About the publication The African Charter on the Rights and Welfare of the Child African Children s Rights Charter is the continental instrument for protecting and promoting the rights and welfare of the Child The Children s Charter adopted in 1990 forms part of the salient features of the African human rights system complementing the parent human rights instrument the African Charter on Human and Peoples Rights African

Charter To give meaning and effect to its provisions the African Children s Rights Charter in article 34 establishes an organ namely the African Committee of Experts on the Rights and Welfare of the Child African Children s Rights Committee or Committee to monitor implementation by member states to advocate for children s rights and to hold state parties accountable to their obligations as state parties Working collaboratively on the continent s human rights system the organs comprising the African human rights namely the African Commission on Human and Peoples Rights Commission the African Court on Human and Peoples Rights Court and the African Children s Rights Committee have undertaken to publish the African Human Rights Yearbook This is an instrumental platform to highlight the mandate of the organs to foster collaboration and to illustrate Africa s commitment to uphold human rights It is an important initiative that highlights various aspects of the norms and institutions relevant for human rights on the continent This is the third volume of the Yearbook It includes a focus on the 2019 theme of the African Union Refugees Returnees and Internally Displaced Persons Towards Durable Solutions to Forced Displacement in Africa The African Children s Committee has at the same time undertaken and published a study on Children on the Move 2019 focusing not only on refugees detainees and internally displaced persons but also drawing inspiration from the protective mandate of the African Children s Rights Charter to draw the continent s attention to the protection and promotion of the rights and welfare of children who are on the move The focus on themes of the African Union enables a critical analysis of the extent of their implementation and relevance to the human rights discourse in the continent Furthermore the special focus of the Yearbook on various groups of people in vulnerable situation such as children and women signals the need to enhance their protection and prioritise their plight The role of academic writing in advancement of human rights deserves due notice and appreciation by human rights implementing bodies Peer reviewed academic research provides credible and independent knowledge about human rights in a specific country or region as well as in various contexts and thematic areas Academia plays a major role in the development of a human rights resource base that enables sustainable enhancement of human rights protection and promotion The African Human Rights Yearbook is an excellent example of the important role played by academia in strengthening human rights protection and promotion in Africa The breadth of knowledge enveloped in the Yearbook is evidenced by the long list of highly established scholars that informed it By questioning and analysing the institutional architecture and the work of the three human rights bodies the Yearbook has an invaluable role of ameliorating their functioning as a collective system For this reason it is critical that the Committee Commission and Court take note of the various recommendations stemming from the research and apply them when relevant for better protection and promotion of human rights in Africa Mrs Goitseone Nanikie Nkwe Chairperson of the African Committee of Experts on the Rights and Welfare of the Child La Charte africaine des droits et du bien tre de l enfant Charte des droits de l enfant est l instrument central en mati re de protection et de promotion des droits et du bien tre de l enfant en Afrique Adopt e en 1990 elle fait partie int grante des instruments cl s du syst me africain des

Rights and the Law Matthew Trail, 2025-03-31 This book discusses child welfare rights and participation in the foster care
 system Making decisions in a foster child's best interest is a widely used but also widely criticized international legal doctrine
 This work discusses the two major legal frameworks best interest and normalcy for which foster care decisions are made and
 how those frameworks might shape how child welfare professionals view and interpret children's rights and participation
 Normalcy the idea that decisions should promote a normal life is a separate legal doctrine which can be in conflict with best
 interest determinations However the concept of normalcy is also theoretically built into best interest decisions and therefore
 also plays a role in most child welfare systems Mixing both empirical legal and child welfare research the book demonstrates
 the ways in which risk aversion and fear drive best interest decision making to the detriment of both practitioners and the

children they aim to serve It argues that a children s rights framework starting with normalcy is a better tool for promoting child participation and centering the child within the dependency process The book will be of interest to academics researchers and policymakers working in the areas of children s rights law child welfare and international human rights law

Injustice Danny Dorling,2015-06-03 In the five years since the first edition of Injustice there have been devastating increases in poverty hunger and destitution in the UK Globally the richest 1% have never held a greater share of world wealth while the share of most of the other 99% has fallen in the last five years with more and more people in debt especially the young Economic inequalities will persist and continue to grow for as long as we tolerate the injustices which underpin them This fully rewritten and updated edition revisits Dorling s claim that Beveridge s five social evils are being replaced by five new tenets of injustice elitism is efficient exclusion is necessary prejudice is natural greed is good and despair is inevitable By showing these beliefs are unfounded Dorling offers hope of a more equal society We are living in the most remarkable and dangerous times With every year that passes it is more evident that Injustice is essential reading for anyone concerned with social justice and wants to do something about it

Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. 2014 Regional Convention Not For Kids : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. 2014 Regional Convention Not For Kids : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
