Book of the Dead E. R. Vernor,2016-11-23 A study of death and mourning around the globe and through the ages Examine death its significance in religious and ethnic views cultural myths and its use in art and literature throughout the ages Find out how different religions and ethnic groups understand death the mourning that accompanies it and the implications that people have given it Victorian mourning old hearses and lots of other lavish photographs illustrate this thoughtful and poignant work *The Way of The Horned God* Dancing Rabbit,2012-05-25 If you are the parent of a teenage boy *The Way of the Horned God* will guide your son in growing to be a man who will be responsible courageous and true Son of the Great Goddess and Horned God If you are a young man who is serious about Pagan spirituality and is interested in working toward harmony within yourself and with nature *The Way of the Horned God* is written especially for you *The Jesus Myth* Kyle Weyburne, This book reveals the true story of what was unfolding in the Middle East in the centuries leading up to the emergence of Christianity as accurately as possible It will upset some but that is not my goal The true history of events is

always suppressed and this is an attempt to revive the actual story as it occurred as faithfully as possible A long lost prophecy in the Dead Sea Scrolls reveals that Judas Maccabeus was the original Messiah and he did do amazing things including liberating Israel from the oppressive Greeks He gave Israel independence for the first time in 400 years and began a golden period However in the centuries to come the spectre of the Roman army began to manifest The Jews needed hope and so the prophecy was revamped and extended This resulted in a whole swathe of messianic contenders and in the 70 s AD after Rome defeated the Jews in a bloody war a relatively unknown man was extolled as the Messiah The reason why Jesus was chosen He was the most Western of all the contenders he preached tolerance at a time when few Jews would This suited Rome and so in Rome in a foreign tongue his story was written A lot of it was made up I don t say these words lightly I will prove this This book answers many more questions too questions that have vexed us for millennia such as Where is the Garden of Eden What happened to Noah s Ark Who was the first man Who was the Devil The answers will surprise you and they ll challenge everything that you think you know We live in dangerous times when fact is hard to discern from fiction This book offers a glimmer of truth at a time when this is the rarest of commodities Jealous Kelly Jean Whitaker,2017-05-14
