Dark Progeny:

Dracula's America: Shadows of the West: Forbidden Power Jonathan Haythornthwaite, 2018-07-26 Since Dracula's rise to power a shadow has swept across the nation but nowhere is it darker than in the Deep South Throughout the plantations swamps and cities rumours abound of grotesque rituals hooded figures and bizarre creatures Most terrifying of all however are the whispers of ancient magic unspeakable arcane rituals and occult powers that can lead those who wield them towards mystical supremacy or reduce them to gibbering wrecks This new supplement for Dracula's America Shadows of the West introduces two new factions the corrupt cultists of the Church of Dagon and the Salem Sisterhood occult practitioners whose history dates back to the early Colonies New stealth rules allow for all manner of sneaky and underhanded tactics while expanded rules for arcane powers offer glory but could cost you your sanity Alongside these are a host of new scenarios Hired Guns monsters skills and gear to challenge or assist those who dare venture into the Deep South of Dracula's America

Dream Magic Michelle Mankin, The dreamscape is a place of magic and mystery and meaning In that nocturnal realm ideas images sensations and emotions drift on the currents of the unconscious mind Morpheus the Dream Falcon is most at home in that domain By night the one of a kind winged immortal soars on those winds observing and sometimes even entering the slumbering thoughts of another By day he is a highly sought after mercenary feared by his immortal kin for both his unmatched ferocity and his wicked obsidian talons None of his prey escapes him Cecilia Ramirez y Aguilera is the one he truly wants But the striking oracle of the Court of the Light Immortals is closed to the handsome outlaw even in her dreams Broken by unimaginable losses the seer is but a slave subject to the whims of a master who is mad and without mercy Drawn together by fate their impossible passion ignites But will that be enough to overcome the dangerous secrets each keeps from the other Or will mistrust and the desire for revenge threaten to unravel the powerful magic that binds them
