Dannie Abse:

Dannie Abse Tony Curtis, 1985 Long overdue it will provide not only a cogent introduction for the uninitiated but also fresh insight for the many enthusiastic readers this reviewer included of Dannie Abse's work *Anglo Welsh Review* Dannie Abse Dannie Abse, 1963 **Ask the Moon** Dannie Abse, 2014-11-20 The definitive anthology spanning from 1948 2014 complete with new poems from multi award winning Dannie Abse one of Britain's most well respected poets This is the collection of a lifetime's work from one of Britain's best loved poets Dannie Abse has published an array of work including fiction autobiography and plays but he is best known and critically acclaimed as a poet Dannie Abse collects together here the definitive jewels of his cannon This volume comprises both a distinguished collection of his past work and a generous selection of new poems **Running Late** Dannie Abse, 2006 Dannie Abse's distinction as a poet lies in his responses to different worlds work as a doctor the experience of life in Wales and North London and others This work draws on these strands and is divided between personal experience and more general reflections counterpointed with transcendent moments of joy in ordinary things **Collected Poems, 1948-1976 [of] Dannie Abse** Dannie Abse, 1977 **Speak, Old Parrot** Dannie Abse, 2013-04-04 2013 marks Dannie Abse's 90th birthday In his lifetime he has published an astonishing array of work including poetry fiction criticism plays and autobiography but it is as a poet that he is best known and loved In *Speak Old Parrot* he returns to themes of loss love medicine and its moral implications the nature of creativity Jewish folk tradition and the passing of time The poems are observant of the outside world as well as the inner life and emotions but most of all they are a joy to read New and Collected Poems Dannie Abse, 2003 Dannie Abse's career as a poet spans more than fifty years and this volume comprises both a distinguished collection of his past work and a generous section of new poems I've long thought Dannie Abse one of the most remarkable poets now writing Godfrey Smith Sunday Times There is a persistent note of humanism throughout his poetry which is never wishful thinking or mere scepticism Peter Porter The particular joy of reading Dannie Abse's poems is that while they can be subtle glancing and are often complicated they are always welcomingly clear Observer His scalpel turns out to be a magical wand Such is the alchemical power of good poetry Elizabeth Jennings Daily Telegraph He is a story teller in verse a poet who keeps his ears and eyes open and offers item after item which ring unmistakably true Robert Nye The Times **A Poet in the Family** Dannie Abse, 1984 Dannie Abse Cary Archard, 2009 An essential companion to the poetry prose drama and critical writings of Dannie Abse Cary Archard has edited and written about Abse's work for over twenty years and here she has collected a marvellous representative selection of Abse's own writings together with criticism of his work which illuminates his achievements for both students and general readers **The Two Roads Taken** Dannie Abse, 2003 Dannie Abse's prose anthology draws together essays and autobiographical material spanning a lifetime of writing and practising medicine We are treated to amusing anecdotes of Abse's time as a trainee doctor in wartime Britain as well as more serious pieces on the Holocaust Jewishness and the impact

literature has had on his medical work His detailed critical essays on poets ranging from Keats to Plath allow us to engage with his own poetic principles I believe all poetry should be written out of a personal predicament and should be necessary that there is an unconscious aspect to poetry that it is not all on the surface The resounding voice like that of his poems is humorous compassionate and civilised **New Selected Poems** Dannie Abse,2010-03-30 The year 2009 marks the 60th anniversary of the publication of Dannie Abse's first poetry collection *After Every Green Thing* and since that time he has published an astonishing range of books including poetry fiction criticism and autobiography He remains a writer of great distinction who is at the height of his powers his memoir *The Presence* won the Wales Book of the Year in 2008 But it is as a poet that Dannie Abse is best known and to mark this extraordinary milestone he has compiled a new and definitive volume of selected poems which includes new work combining both passion and maturity *A Small Desperation* Dannie Abse,1968
