Forthcoming Books Rose Arny,1984-03 **Heart of Jesus** Bernhard Häring,1983 The heart has always been a symbol used to express emotion hurt rejection human understanding and above all love The Church in its devotion to the Sacred Heart of Jesus wants to waken us to a God who has hungered and suffered known joy and sorrow a God with a heart The thirty heart centered meditations in this book dramatically illustrate our need to turn to the heart of Jesus as a way of overcoming modern disregard for life justice and peace Shows us that veneration of the Sacred Heart is more than a pious practice It is a devotion deeply rooted in Scripture and tradition This devotion is needed today to bring us to the deep overflowing love of the heart of Jesus the hope of reparation and the source of redemption for our world **Freedom and Christian Conduct** John Augustus William Haas,1923 **Nigeria, Search for Peace and Social Justice** John Okwoeze Odey,1997 Free and Faithful Bernhard Häring,1998 Considered by many to be the most significant figure in Catholic moral theology in the second half of the 20th century Bernard Haring has had a pioneering role in the modern Church This is his long awaited autobiography the personal bittersweet memoir of a son brother soldier priest evangelist renowned writer While a young priest Haring was drafted as a German army medic in World War II A man of staunch will unshakable faith he defied orders forbidding him to say Mass risked his life to minister to refugees Jewish concentration camp inmates soldiers from the opposing side A prolific writer he is best known for Free Faithful in Christ a pioneering work of moral theology that proposed a life centered rather than a sin centered code of Catholic conduct Haring served as an expert peritus at the Second Vatican Council playing a seminal role in the drafting of the document Pastoral Constitution on the Church in the Modern World was a member of the papal birth control commission arguing strongly for a change in Catholic contraceptive teaching Later in life Haring lived under the shadow of an investigation trial by the Congregation for the Doctrine of the Faith yet never faltered in his efforts to speak out Free Faithful is both an insider s view of the major currents shaking the life of the Catholic Church as well as a deeply moving personal testament of faith **The Theory and Practice of Development Education** Douglas Bourn,2014-10-03 Development education is much more than learning about development it is a pedagogy for the globalised societies of the twenty first century that incorporates discourses from critical pedagogy and postcolonialism and a mechanism for ensuring that differing perspectives are reflected within education particularly those from developing countries Learning about development and global issues is now part of the school curriculum in a number of countries and terms such as global citizenship sustainable development and cultural understanding are

Woman's Work for Woman and Our Mission Field ,1917 **Guide to Christian Living** George V. Lobo,2004-09-28

Among all the theological disciplines perhaps moral theology has felt the impact of the conciliar renewal most There has been a mass of excellent literature calling for a synthetic presentation At the same time a more flexible and dynamic ethic based on the Gospel values of love and freedom while it has undoubtedly deepened the Christian life of many has also caused not a little confusion in the minds of many There are endless discussions on burning issues like contraception and abortion which often do not end in any satisfactory conclusion because the general principles for ethical decision are not clear There is also a polarization between conservatives and progressives which leaves the neutral observer puzzled This book is written to clarify the basic issues in Christian ethics in an age of secularism and pluralism Although it can be taken as a treatise on General Moral Theology this book is addressed to a wider audience than students of theology It is meant to be a guide to Christian Living according to Vatican II It seeks to transcend the unfortunate dichotomy between moral and spiritual theology as the Council clearly wanted when it spoke of the subject of moral theology as the Christian vocation of the faithful and their obligation to bring forth fruit in charity for the life of the world While discussing the basic principles of Christian ethics the main preoccupation has been to discover an approach to moral decision that would safeguard all the moral values in a given situation The broad orientations for moral guidance today have been brought out in several places Special attention has been given to the question of moral absolutes as it is central to ethical discourse now The ecumenical spirit common preoccupations and a shared respect for the Word of God have brought Catholic and Protestant moral theology

closer Hence an effort has been made to have a dialogue with the theologians of the Reformed tradition The strong influence of Protestant ethical writers on current Catholic moral theology has been brought out The Light in Their Consciences
