Dare Me Megan Abbott, 2012-07-31 From the award winning author of *The Turnout* and *Give Me Your Hand* the searing novel of friendship and betrayal that inspired the USA Network series praised by Gillian Flynn as *Lord of the Flies* set in a high school cheerleading squad Tense dark and beautifully written Addy Hanlon has always been Beth Cassidy's best friend and trusted lieutenant Beth calls the shots and Addy carries them out a long established order of things that has brought them to the pinnacle of their high school careers Now they're seniors who rule the intensely competitive cheer squad feared and followed by the other girls until the young new coach arrives Cool and commanding an emissary from the adult world just beyond their reach Coach Colette French draws Addy and the other cheerleaders into her life Only Beth unsettled by the new regime remains outside Coach's golden circle waging a subtle but vicious campaign to regain her position as top girl both with the team and with Addy herself Then a suicide focuses a police investigation on Coach and her squad After the first wave of shock and grief Addy tries to uncover the truth behind the death and learns that the boundary between loyalty and love can be dangerous terrain The raw passions of girlhood are brought to life in this taut unflinching exploration of friendship ambition and power Award winning novelist Megan Abbott writing with what Tom Perrotta has hailed as total authority and an almost desperate intensity provides a harrowing glimpse into the dark heart of the all American girl

Dare Me Eric Devine, 2013-10-08 When Ben Candido and his friends Ricky and John decide to post a YouTube video of themselves surfing on top of a car they finally feel like the somebodies they are meant to be instead of the social nobodies that they are Overnight the video becomes the talk of the school and the boys are sure that their self appointed senior year of dares will live in infamy Every dare brings an increased risk of bodily harm but Ben cannot deny the thrill and sense of swagger that come with it The stakes become even more complex when a mysterious donor bankrolls their dares in exchange for a cut in the online revenue the videos generate But at what point do the risk and the reward come at too high of a price What does it take to stay true to one's self in the face of relentless pressure **Domestic Noir** Laura Joyce, Henry

Sutton, 2018-04-23 This book represents the first serious consideration of the domestic noir phenomenon and by extension the psychological thriller The only such landmark collection since Lee Horsley's *The Noir Thriller* it extends the argument for serious academic study of crime fiction particularly in relation to gender domestic violence social and political awareness psychological acuity and structural and narratological inventiveness As well as this it shifts the debate around the sub genre firmly up to date and brings together a range of global voices to dissect and situate the notion of domestic noir This book is essential reading for students scholars and fans of the psychological thriller **Dark Days** Joseph J. Capriccioso, 2012-05-10
