Paper 12, maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question paper and the report of the examination.

© IGCSE will not print the discussion or correspondence in connection with these mark schemes.

IGCE is publishing the mark schemes for the October/November 2008 question papers for most IGCSE, IGCSE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.
