Corpse In Oozaks Pond:

The Corpse in Oozak's Pond Charlotte MacLeod, 2012-11-06 A copycat crime on Groundhog Day brings out Professor Peter Shandy's inner sleuth in this Edgar Award finalist from the international bestselling author. The rural town of Balaclava greets Groundhog Day as an excuse for one last cold weather fling. The students and faculty of the local agricultural college drink cocoa, throw snowballs, and when the temperature allows, ice skate. But Oozak's Pond is not quite frozen this year, and as the celebrations reach their peak, the students see someone bobbing through the ice. Long past help the drowning victim is badly decomposed and dressed in an old-fashioned frock coat with a heavy rock in each pocket. First on the scene is Peter Shandy, horticulturalist and when the college requires it, detective. But solving this nineteenth-century murder mystery will take more than Shandy's knack for growing rutabagas. Relying on his wife's expertise in local history, the professor dives headfirst into a gilded age whodunit that cloaks secrets potent enough to kill. *Corpse in Oozak's Pond* Charlotte MacLeod, 2015

The Corpse in Oozak's Pond Charlotte MacLeod, 1988 *Gender Bending Detective Fiction* Heather Duerre Humann, 2017-02-28 Since the middle of the last century, views on gender norms have shifted dramatically. Reflecting these changes, storylines that involve cross-dressing and transgender characters have frequently appeared in detective fiction. Characters who subvert the conventions of the genre and challenge reader expectations. This examination of 20th and 21st-century crime novels reveals what these narratives say about gender identity and gender expression and how they contributed to the evolution of detective fiction. **The Corpse in Oozak's Pond** Charlotte MacLeod, 1986-01

Kriminalroman **Gumshoes** Mitzi M. Brunsdale, 2006-04-30 The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before. This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured. Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears, the locales in which the detective operates, the detective's investigative methods, and other important information. Helpful bibliographical citations direct the reader to other interesting works. The volume closes with a selected general bibliography, various appendices, and an extensive index. The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before. Many of the most popular mystery books appear in series, and these series feature carefully developed detectives. *Bowker's Guide to Characters in Fiction 2007*, 2008-02 **Great Women Mystery Writers**

Elizabeth A. Blakesley, 2006-11-30 Mysteries are among the most popular books today, and women continue to be among the most creative and widely read mystery writers. This book includes alphabetically arranged entries on 90 women mystery writers. Many of the writers discussed were not even writing when the first edition of this book was published in 1994, while others have written numerous works since then. Writers were selected based on their status as award winners, their commercial success, and their critical acclaim. Each entry provides biographical information, a discussion of major works, and

themes and primary and secondary bibliographies The volume closes with appendices and a selected general bibliography Public library patrons will value this guide to their favorite authors while students will turn to it when writing reports

Corpse In Oozaks Pond Introduction

In today's digital age, the availability of Corpse In Oozaks Pond books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Corpse In Oozaks Pond books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Corpse In Oozaks Pond books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Corpse In Oozaks Pond versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Corpse In Oozaks Pond books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Corpse In Oozaks Pond books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Corpse In Oozaks Pond books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Corpse In Oozaks Pond books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Corpse In Oozaks Pond books and manuals for download and embark on your journey of knowledge?
