Godefroy, Transform difficult relations complex issues and ideas down to concise actionable material The problem with difficult people is that well they are difficult and they are everywhere in the cafe at the office in stores or at school But with the ability to recognize them for what they are to protect yourself against them and to turn their defences upside down you can reach your goals Sadly most people don't know how to cope with difficult people Either they are contaminated by the aggressivity or negativity or they get into a verbal fight with these difficult persons Sometimes they even lose faith and try to go around the difficulties but that can only last so far But you can make difficult conversations painless There are different kinds of difficult people and what you will learn first in this book is to recognize them for what they are You won't be able to cure them they would have to go into therapy most of the time to become better selves But you will also find your weapons to overcome the obstacle that these aggressive negative or just silent people erect on your path Working in stages to assess the situation and the profile of the difficult people you face you will be able to shield yourself and turn their shortcomings into an opportunity for both of you You can reach your objectives without resorting to force You have a number of weapons at your

disposal whose effectiveness will astonish you once you learn how to use them Whatever type of difficulties you encounter you need a strategy to deal with difficult people effectively and make the occasions a cause for success instead of for failure Here s what you re going to learn inside What if others consider you a difficult person Recognizing the aggressive type Overcoming the negative type Opening up the Clam type Verbal Ping Pong or The Dangers of Playing Offense Four Important Stages The Weapon of Words Shields and Inner Strength The Supreme Weapon Humour How will this book improve you Never fall for people s dirty argument tricks Always find the better arguments to stop confrontation You ll radiate positivity a positivity that circles and comes back to you You ll listen to people in a way that makes them confident about you Finally dealing with difficult people also means dealing with your own fears dispelling those old demons and making your life a harmonious experience that others can share in and admire Your relationships will improve and grow with ease trust and honesty Know exactly how to capitalize on your strengths and minimize your weaknesses with others It s time to break out of your rut and discover what it takes to cope with difficult people Pick up your copy today *The Christian Pastor* Wayne E. Oates, Wayne Edward Oates, 1982-01-01 A standard work in seminaries and a reliable guide for clergy in many denominations for over thirty years The Christian Pastor has been revised to include up to date research on the role of pastors in contemporary life In examining today s changing ministry Wayne Oates makes use of recent psychological interpretations and at the same time preserves the biblical and theological emphases of earlier editions Christian Care Giving: God's Healing Power Priscilla Jaouni, 2021-06-28 Grief and pain is the root source of all that hurts us in life the ill that is our frailty as mortal beings This is disease and sickness in our lives spiritual social physical emotional Christ in us is the root of all that is good in us all that is God given and that enables us to live and grow through life in a healthy way to a healthy end The good that is our soul that we can nurture to maintain God s energizing power within ourselves to create the balance to be healthy God gave us his Son so we could learn this through His life and death In Christ we have the means for health and wellness throughout the seasons of our lives that transcends all understanding The Bible gives it all to us the Creation our corruption the rules and regulations for a healthy balanced life what happens to us when we are good what happens when we are bad The Old Testament tells us of God s character and expectations of us His requirements His disappointments His punishments His presence His Being in our lives His hopes He also gives us the how to do it Still in our human frailty we fail to find or fall short all the time of arriving at His Promised Land In large part because our earthly self denies ourselves the power God has given us to operate live and ultimately die according to His dictum because we cannot place faith in the intangible So God in His love and compassion for us and to remain our strict but kind Father in Heaven sent us His Son to show us how to be human in the sight of God In Christ He gave us the gift of how to achieve the health and wellness that God intends us to enjoy
