Seamus Heaney and the End of Catholic Ireland Kieran Quinlan, 2020-04-24 Seamus Heaney the End of Catholic Ireland takes off from the poet's growing awareness in the new millennium of something far more important in my mental formation than cultural nationalism or the British presence or any of that stuff namely my early religious education It then pursues an examination of the full trajectory of Heaney's religious beliefs as represented in his poetry prose and interviews with a briefer account of the interactive religious histories of the Irish and international contexts in which he lived Thus in the 1940s and 50s Heaney was inducted into the narrow punitive but also enabling Catholicism of the era In the early 1960s he was witness to the lively religious debates from the Anglican Bishop of Woolwich's Honest to God to the seismic disruptions of Vatican II When the conflict in Northern Ireland between Catholics and Protestants broke out Heaney was forced to dig deep for an imaginative understanding of its religious roots From the 1980s on Heaney more and more proclaimed his own religious loss while also recognizing the institution's residual value in an Irish society of rising prosperity weariness with the atrocities of a partly religion inspired IRA and beset by the scandals of sex abuse among the clergy Kieran Quinlan sees Heaney as an exemplar of this period of major change in Ireland as he engaged the religious issue not only in major writers such as James Joyce W B Yeats T S Eliot Wallace Stevens Philip Larkin and Czeslaw Miłosz but also in a diverse array of less familiar commentators lay and clerical creative and academic believers and unbelievers Irish and international Breaking new ground by expanding the scope of Heaney's religious preoccupations and writing in an accessible reflective and sometimes provocative manner Quinlan's study places Heaney in his universe and that universe in turn in its wider intellectual setting

Ireland's Arctic Siege of 1947 Kevin C. Kearns, 2011-10-21 On 19 January 1947 Ireland was invaded by a freakish anticyclonic weather phenomenon unleashed from the depths of Siberia Its prolonged two month grip entombed the country in snow and ice This arctic siege brought freezing temperatures of 7 Fahrenheit 14 C a piercing east wind reaching 60 70 mph five major blizzards and snowdrifts of 12 to 20 feet some topping 50 Cars buses houses and entire villages were buried leaving scores of passengers and inhabitants marooned Roads were blocked telephone and electricity lines felled and towns and farms isolated as food and fuel dwindled Tragically this happened amidst the worst fuel crisis in Ireland's history People were forced to strip wood from their homes and nearly half of all Dubliners were burning furniture to survive Severe food shortages and a virulent influenza epidemic weakened people By 19 February 1947 Dublin's death rate had more than doubled as the poor and elderly succumbed to hunger cold and illness Kevin C Kearns presents a graphic account of what was regarded as a near biblical calamity of blizzards freezing hunger floods and threatened famine so imperilling wrote one newspaper that it seemed almost as if the wrath of God was directed against Ireland It is a vivid tale of suffering and courage death and survival of human resilience and real heroism poignantly authenticated by the oral testimony of those who lived through the arctic siege

Feckers: 50 People Who Fecked Up Ireland John Waters, 2011-10-06 Which 50 People turned Ireland into the fecked up country she is today Bono Haughey Louis Walsh de Valera It's time to name and shame the great

the good and the gobshites Conventional wisdom has it that Ireland after a violent and tragic history had began to get things right But when the ill wind of recession cruelly snatched that self satisfied achievement away it all seemed like exceedingly back luck In his 50 brilliantly acerbic portraits Waters reveals a consistent pattern of self delusion myopia inferiority complex bravado defeatism cynicism sentimentalism and conceit He traces Ireland s story from the paranoid insularism and cultural myopia that followed national Independence through the post Sixties obsession with a faux self confidence to the final salutary meltdown of the Celtic Tiger and strangely lacking either Celts or tigers Once among the oldest civilization in Europe Ireland has ended up as a second rate version of the England it tried to discard It threw out not merely the bathwater and the baby but also the bathtub the sponge and the rubber duck

Ireland, a Bicycle, and a Tin Whistle David A. Wilson,1995-03-01 As he travels through the North Wilson gets beneath the political surface to portray both the tragedy and comedy of everyday life in the Protestant and Catholic communities Aware of the polarized image that each side has of the other he emphasizes the importance of finding common ground and of asserting the middle against the extremes Just as traditional Irish music is characterized by ornamentations and elaborations on a melodic theme Ireland a Bicycle and a Tin Whistle is full of variations and wanderings on the theme of the trip itself And just as traditional Irish musicians will follow a sad slow air with a lively foot tapping reel Wilson s mood ranges from the nostalgic and reflective to the irreverent and mischievous If there is a lament in one ear there is a song in the other
