Pointe fulfills a childhood dream but also gives her the chance to stick it to her mom who owned the store before skipping town twenty years ago and never looking back Completing much needed renovations however while also competing for a prestigious flower competition with her mother as the head judge soon has Quinn in over her head Not that she d ever ask for help Luckily she may not need to Quinn s father and his meddling friends find the perfect solution in notorious Olympic skier Grady Benson who had only planned on passing through the old fashioned lakeside town But when a heated confrontation leads to property damage helping Quinn as a community service sentence seems like the quickest way out and the best way to avoid more negative press Quinn finds Grady reckless and entitled he thinks she s uptight and too regimented Yet as the two begin to hammer and saw Quinn sees glimpses of the vulnerability behind the bravado and Grady learns from her passion and determination qualities he seems to have lost along the way But when a well intentioned omission has

devastating consequences Grady finds himself cast out of town and Quinn's life possibly forever. Forced to face the hurt holding her back, Quinn must finally let go or risk missing out on the adventure of a lifetime. Includes discussion questions.

Just Look Up Courtney Walsh, 2017-07-04 After tirelessly climbing the ranks of her Chicago-based interior design firm, Lane Kelley is about to land her dream promotion when devastating news about her brother draws her back home to a quaint tourist town full of memories she'd just as soon forget. With her cell phone and laptop always within reach, Lane aims to check on her brother while staying focused on work, something her eclectic family doesn't understand. Ryan Brooks never expected to settle down in Harbor Pointe, Michigan, but after his final tour of duty, it was the only place that felt like home. Now knee-deep in a renovation project that could boost tourism for the struggling town, he is thrilled to see Lane, the girl he secretly once loved, even if the circumstances of her homecoming aren't ideal. Their reunion gets off to a rocky start, however, when Ryan can't find a trace of the girl he once knew in the woman she is today. As he slowly chips away at the walls Lane has built, secrets from his past collide with a terrible truth even he is reluctant to believe. Facing a crossroads that could define his future with Lane and jeopardize his relationship with the surrogate family he's found in the Kelleys, Ryan hopes Lane can see that maybe what really matters has been right in front of her all along if only she'd just look up. A Respectable Actress

Dorothy Love, 2015-10-13 When India Hartley is accused of murder, she must uncover the deceptions of others to save herself. India Hartley, a famous and beautiful actress, is now alone after her father's death and embarks upon a tour of theaters across the South. Her first stop is Savannah's Southern Palace. On the eve of the second night's performance, something goes horribly wrong. Her co-star Arthur Sterling is shot dead on stage in front of a packed house, and India is arrested and accused of the crime. A benefactor hires Philip Sinclair, the best and handsomest lawyer in Savannah, to defend India. A widower, Philip is struggling to reinvent his worn-out plantation on St. Simons Island. He needs to increase his income from his law practice in order to restore Indigo Point, and hardly anything will bring him more new clients than successfully defending a famous actress on a murder charge. Because India can't go anywhere in town without being mobbed, Philip persuades the judge handling her case to let him take her to Indigo Point until her trial date. India is charmed by the beauty of the Georgia lowcountry and is increasingly drawn to Philip. But a locked room that appears to be a shrine to Philip's dead wife and the unsolved disappearance of a former slave girl raise troubling questions. Piecing together clues in an abandoned boat and a burned-out chapel, India discovers a trail of dark secrets that lead back to Philip's secrets that ultimately may hold the key to her freedom. If only he will believe her. **A Little Book of Annuals** Alfred Carl Hottes, 1922 **Paper Hearts** Courtney Walsh, 2014-12-18 Abigail Pressman would never have guessed that love notes penned on paper hearts by an anonymous couple could restore her belief in love. As a business owner in a quaint town at the base of the Rockies, she's poured everything into dreams of expansion and resisting the matchmaking efforts of the Valentine Volunteers who gather in her store to continue Love's Park's tradition of stamping mail with the city's romantic postmark. When Abigail is unwillingly

drafted into the Volunteers she encounters the paper hearts a distraction that couldn't come at a worse time. A hard to read doctor has become Abigail's new landlord and he's threatening to end her lease to expand his practice. As she fights a growing attraction to this handsome man crushing her dreams, Abigail is inspired to string the hearts in her store, sparking a citywide infatuation with the artsy trend. But when a new batch of hearts reaches the Volunteers, it appears something tragic has happened to the couple. Will uncovering their story confirm Abigail's doubts about love, or could it rescue her dreams and her heart?

Toni Morrison and the Natural World Anissa Janine Wardi, 2021-06-28 Winner of the Toni Morrison Society Book Prize for Best Single Authored Book 2019-2022 Critics have routinely excluded African American literature from ecocritical inquiry despite the fact that the literary tradition has from its inception proved to be steeped in environmental concerns that address elements of the natural world and relate nature to the transatlantic slave trade, plantation labor, and nationhood. Toni Morrison's work is no exception. *Toni Morrison and the Natural World: An Ecology of Color* is the first full-length ecocritical investigation of the Nobel Laureate's novels and brings to the fore an unequalled engagement between race and nature. Morrison's ecological consciousness holds that human geographies are enmeshed with nonhuman nature. It follows then that ecology, the branch of biology that studies how people relate to each other and their environment, is an apt framework for this book. The interrelationships and interactions between individuals and community and between organisms and the biosphere are central to this analysis. They highlight that the human and nonhuman are part of a larger ecosystem of interfacing and transformations. *Toni Morrison and the Natural World* is organized by color, examining soil brown in *The Bluest Eye* and *Paradise*, plant life green in *Song of Solomon*, *Beloved*, and *Home*, bodies of water blue in *Tar Baby* and *Love*, and fire orange in *Sula* and *God Help the Child*. By providing a racially inflected reading of nature, *Toni Morrison and the Natural World* makes an important contribution to the field of environmental studies and provides a landmark for Morrison scholarship.

Toni Morrison Carmen Gillespie, 2012-11-30 Toni Morrison, the only living American Nobel laureate in literature, published her first novel in 1970. In the ensuing forty-plus years, Morrison's work has become synonymous with the most significant literary art and intellectual engagements of our time. The publication of *Home* in May 2012, as well as her 2011 play *Desdemona*, affirm the range and acuity of Morrison's imagination. *Toni Morrison: Forty Years in The Clearing* enables audiences, readers, critics, and students to review Morrison's cultural and literary impacts and to consider the import and influence of her legacies in her multiple roles as writer, editor, publisher, reader, scholar, artist, and teacher over the last four decades. Some of the highlights of the collection include contributions from many of the major scholars of Morrison's canon, as well as art pieces, music, photographs, and commentary from poets Nikki Giovanni and Sonia Sanchez, novelist A. J. Verdelle, playwright Lydia Diamond, composer Richard Danielpour, photographer Timothy Greenfield Sanders, the first published interview with Morrison's friends from Howard University, Florence Ladd and Mary Wilburn, and commentary from President Barack Obama. What distinguishes this book from the many other publications that engage Morrison's work is that the

collection is not exclusively a work of critical interpretation or reference This is the first publication to contextualize and to consider the interdisciplinary artistic and intellectual impacts of Toni Morrison using the formal fluidity and dynamism that characterize her work This book adopts Morrison s metaphor as articulated in her Pulitzer Prize winning novel *Beloved* The narrative describes the clearing as a wide open place cut deep in the woods nobody knew for what In the heat of every Saturday afternoon she sat in the clearing while the people waited among the trees Morrison s *Clearing* is a complicated and dynamic space Like the intricacies of Morrison s intellectual and artistic voyages the *Clearing* is both verdant and deadly a sanctuary and a prison Morrison s vision invites consideration of these complexities and confronts these most basic human conundrums with courage resolve and grace This collection attempts to reproduce the character and spirit of this metaphorical terrain

The Bluest Eye Toni Morrison, 1993-12-28 NATIONAL BESTSELLER A PARADE BEST BOOK OF ALL TIME From the acclaimed Nobel Prize winner a powerful examination of our obsession with beauty and conformity that asks questions about race class and gender with characteristic subtlety and grace In Morrison s acclaimed first novel *Pecola Breedlove* an 11 year old Black girl in an America whose love for its blond blue eyed children can devastate all others prays for her eyes to turn blue so that she will be beautiful so that people will look at her so that her world will be different This is the story of the nightmare at the heart of her yearning and the tragedy of its fulfillment Here Morrison s writing is so precise so faithful to speech and so charged with pain and wonder that the novel becomes poetry *The New York Times*
