42nd Parallel Part 1 Of The Usa Trilogy

Wikipedia contributors

42nd Parallel Part 1 Of The Usa Trilogy:

The 42nd Parallel John Dos Passos, 2000 With his U S A trilogy comprising THE 42nd PARALLEL 1919 and THE BIG MONEY John Dos Passos is said by many to have written the great American novel While Fitzgerald and Hemingway were cultivating what Edmund Wilson once called their own little corners John Dos Passos was taking on the world Counted as one of the best novels of the twentieth century by the Modern Library and by some of the finest writers working today U S A is a grand kaleidoscopic portrait of a nation buzzing with history and life on every page The trilogy opens with THE 42nd PARALLEL where we find a young country at the dawn of the twentieth century Slowly in stories artfully spliced together the lives and fortunes of five characters unfold Mac Janey Eleanor Ward and Charley are caught on the storm track of this parallel and blown New Yorkward As their lives cross and double back again the likes of Eugene Debs Thomas Edison and Andrew Carnegie make cameo appearances *Words on Cassette, 2002* R R Bowker Publishing, 2002 *Profanity, Obscenity and the Media* Melvin J. Lasky, 2017-12-02 This is the second volume of Melvin J Lasky's The Language of Journalism series praised as a brilliant and original study in communications and contemporary language and as a joy to read When it was first published it broke ground in focusing on the comparative styles and prejudices of mainstream American and British newspapers and in its trenchant analysis of their systematic debasement of language in the face of obligatory platitudes and compulsory euphemisms Lasky documents the growing crisis affecting honest thoughtful and independent journalism in the Western world He extends the scope of his first volume in the trilogy and deepens the interpretation He also adds a personal touch of wit and anecdote as one might expect from an experienced international journalist and historian Lasky's examination of the use of formerly forbidden language is a triumph of sinuous semantics In his incisive analysis we see the tortuous struggle of a once Puritanized literary culture writhing to break free of censorship and self censorship This volume on the phenomenon of profanity adds another dimension to Lasky's thesis on mass culture's trivialization of real social and political phenomena It also underscores our society's embrace of banality in standardizing politically correct jargon and slang Readers of the first volume will find here a new range of references to illuminate the detail of what our newspapers have been publishing *The Routledge Introduction to American Modernism* Linda Wagner-Martin, 2016-02-12 The modernist period was crucial for American literature as it gave writers the chance to be truly innovative and create their own distinct identity Starting slightly earlier than many guides to modernism this lucid and comprehensive guide introduces the reader to the essential history of the period including technology religion economy class gender and immigration These contexts are woven into discussions of many significant authors and texts from the period Wagner Martin brings her years of writing about American modernism to explicate poetry and drama as well as fiction and life writing Among the authors emphasized are Ernest Hemingway William Faulkner Zora Neale Hurston Langston Hughes F Scott Fitzgerald Gertrude Stein Willa Cather John Dos Passos William Carlos Williams Mike Gold James T Farrell Clifford

Odets John Steinbeck and countless others A clear and engaging introduction to an exciting period of literature this is the ultimate guide for those seeking an overview of American Modernism **Narrative is the Essence of History** John Cameron, 2012-03-15 The historical novel has had a very interesting history itself During the 19th century the historical novels of Scott Hugo Thackeray Dickens Tolstoy and a host of other writers enjoyed both popular success and critical admiration Success has never really died out but admiration has been another matter During the 20th century historical fiction began to be disparaged by critics who looked down on the genre and its elements of romance adventure and swashbuckling This disparagement reached such a pitch that Robert Graves author of *I Claudius* and *Claudius the God* felt compelled to say that he wrote these novels only because of pressing financial needs As the century wore on the genre began to move in a variety of interesting ways and reached even larger audiences Some critics have continued to look down on the genre but a growing number of historical novels have begun to receive wide critical praise The Roman historian Ronald Syme once wrote that narrative is the essence of history What is the essence of historical fiction Why does it continue to be such a popular and resilient genre What is the history of historical fiction What is its future American Expatriate Writing and the Paris Moment Donald Pizer, 1997-09-01 Montparnasse and its caf life the shabby working class area of the place de la Contrescarpe and the Pantheon the small restaurants and caf s along the Seine and the Right Bank world of the well to do for American writers self exiled to Paris during the 1920s and 1930s the French capital represented what their homeland could not a milieu that through the freedom of thought and action it permitted and the richness of life it offered nurtured the full expression of the creative imagination How these expatriates interpreted and gave modernist shape to the myth of the Paris moment in their writing is the altogether fresh focus of Donald Pizer s study of seven of their major works Pizer elucidates a striking difference between the genres of expatriate autobiography and fiction and arranges his discussion accordingly He first examines Ernest Hemingway s *A Moveable Feast* Gertrude Stein s *The Autobiography of Alice B Toklas* and *The Diary of Ana s Nin* 1931 1934 all of which depict the emergence and triumph of the creative imagination within the Paris context He then turns to Hemingway s *The Sun Also Rises* John Dos Passos *Nineteen Nineteen* and F Scott Fitzgerald s *Tender Is the Night* which dramatize the tragic potential in seeking a richness and intensity of creative expression within the city s setting Henry Miller s *Tropic of Cancer* a relatively late example of American expatriate writing constitutes a synthesis of the two tendencies Pizer shows Through careful readings of the texts Pizer identifies both the common threads in the expatriates response to the Paris moment and the distinctive expression each work gives to their shared experience Most important he addresses the neglected question of how the portrayal of the Paris scene helps shape a specific work s themes and form He traces such experimental devices as fragmented or cubistic narrative forms the dramatic representation of consciousness and sexual explicitness and explores the powerful and evocative tropes of mobility and feeding As Pizer demonstrates Paris between the two world wars was for the American expatriates more than a geographical entity It was a state of mind an

experience that engendered the formal expression of a personal aesthetic The engaging and significant interplay between artist place and innovative self reflexive forms composes Pizer maintains the most distinctive contribution of expatriate writing to the literary movement called high modernism

Focus On: 100 Most Popular 20Th-century American Politicians Wikipedia contributors, *Dictionary of Midwestern Literature, Volume 1* Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

David Peace Katy Shaw, 2018-03-28 David Peace is an emerging author who is widely read and taught and whose novels are increasingly translated into commercial film The Damned United March 2009 and television Channel 4 adaptation of the Red Riding Quartet March 2009 Dr Katy Shaw s book provides a challenging but accessible critical introduction to his work through a detailed analysis of his writing as well as the socio cultural contexts of its production and dissemination The author explores Peace s attempts to capture the sensibilities of late twentieth century society and contributes to an ongoing debate in the media about Peace s representations Influenced by critical theory the text will be the first secondary resource concerning this rising star of contemporary British literature While UK readers will seek insight into the socio cultural contexts of England s regions and in particular his writing on the Yorkshire Ripper and the 1985 5 miners strike Peace also has a following in the US where both The Damned United and Red Riding are set to receive a national cinema release in 2009 10 This broad international appeal and readership will be explored and discussed especially in the context of crime fiction and social engagement This text is the first critical resource concerning this author and will cover the full body of Peace s writings to date the debates this work has generated and the often contentious representations offered by his novels

Books Out Loud , 2004 *Cybernetic Aesthetics* Heather A.

Love,2023-09-28 This book shows that modernist literature creatively negotiated the same issues of data processing that cybernetics technologies would later tackle Leon Uris Kathleen S. Cain,1998-08-27 In eleven novels written over four decades Leon Uris has chronicled the unceasing fight of dedicated individuals against the forces of oppression in particular fascism communism and imperialism In the tradition of the historical novel Uris sets his work during times of crisis World War II the founding of Israel the Irish fight for independence providing his plots with both political and social tensions as well as personal conflicts Uris s themes include the indomitability of the human spirit the power of patriotism and the restorative capacity of romantic love Through an exploration of these plots themes and characters this study recognizes Leon Uris as a writer whose examination of good and evil in the context of contemporary history raises important issues that have confronted us all This study is the first full length examination of the work of Leon Uris Following a biographical chapter that discusses his work in light of his personal history the study devotes a chapter to his place in the tradition of the historical and political novel Each of Uris s novels is discussed in an individual chapter Battle Cry 1953 The Angry Hills 1955 Exodus 1958 Mila 18 1961 Armageddon A Novel of Berlin 1963 Topaz 1967 QB VII 1970 Trinity 1976 and Redemption 1995 The Haj 1984 and Mitla Pass 1988 Each novel is analyzed for plot structure characterization and thematic elements In addition Cain defines and applies an alternative critical perspective from which to read each novel A complete bibliography of Uris s writing along with a listing of secondary sources and critical reviews of his work completes the study Words on Cassette, 1999 Bowker Editorial Staff,Staff Bowker R R,Bowker,1999-02 *American Literature and the Destruction of Knowledge* Ronald E. Martin,1991 This challenging study of a number of American writers belongs in the tradition of the history of ideas approach to literary history It offers an analysis of American literary developments and the relationship between writers and the philosophical and social thought of their times Martin examines the works of Emerson Whitman Dickinson Crane Frost Pound Hemingway Dos Passos Stevens Williams and several others with a sharp eye for the artistic consequences of changing epistemological assumptions and for the connection of ideas and form ISBN 0 8223 1125 9 29 95 **Writing in Nonstandard English** Irma Taavitsainen,Gunnel Melchers,Päivi Pahta,2000-02-15 This book investigates linguistic variation as a complex continuum of language use from standard to nonstandard In our view these notions can only be established through mutual definition and they cannot exist without the opposite pole What is considered standard English changes according to the approach at hand and the nonstandard changes accordingly This book offers an interdisciplinary and multifaceted approach to this central theme of wide interest The articles approach writing in nonstandard language through various disciplines and methodologies sociolinguistics pragmatics historical linguistics dialectology corpus linguistics and ideological and political points of view The theories and methods from these fields are applied to material that ranges from nonliterary writing to canonized authors Dialects regional varieties and worldwide Englishes are also addressed **The Drift: Affect, Adaptation, and New Perspectives on Fidelity** John Hodgkins,2013-06-06 Provides a new perspective on

the complex relationship between literature and cinema by rethinking adaptation as a generative affective dialogue between symbiotic mediums

Why American History Is Not What They Say Jeff Rigenbach, 2009 Americans have been warring with each other for more than a century over the contents of the American history textbooks used in the nation's high schools and colleges Page 4 of cover

Soviet Life, 1984

The Language of Journalism: The Language of Journalism Melvin J. Lasky, 2000
