Better Days Coming:

The Spiritual Journey of a Coptic Christian Brain Surgeon: Views and Reflections Ramsis F. Ghaly

MD, 2018-11-09 Deeper and deeper as the human spirit roams with fascination unto Divinity Never enough roaming This is my eleventh book of Christianity and the human brain As a neurosurgeon for thirty years I have found unlimited bonds between the Christian Divinity and the human brain My neurosurgical humanity eagerly desires to explore Divinity Since my childhood goes back decades and is deeply rooted I meditate with my Christian brain searching for common understanding of spirituality in humanity It is hard to describe this through each book and I find myself seeking more Divine clarifications My meditation is achieved thorough reading the Holy Bible with my neurosurgical human brain I try to peel my deep thoughts layer by layer as if I am dissecting the human brain in neurosurgery in actual life The book touches on many timely aspects of our human life with personal spiritual views and poems The book consists of Twelve major Sections and each section ranges from 8 to 23 chapters with total of 137 chapters The main sections include My Christian Dreams in Neurosurgery Monasticism in My Life Mothers and Children Angels Living Human Brains and Spirituality Jesus Love The Persecuted Christ and Christ Followers Royalty and Heavens with Jesus Last Hours in humanity Spiritual Reflections Views and Poems Law and the Spirit Sacred Medicine and Patients Testimonials As a Coptic Christian from Egypt I was raised in keeping up with strong Christian Orthodox practice in daily living Perhaps the strength of the book is incorporating Jesus the Almighty God in everything I do not only in daily living but also with my patients in Neurosurgery practice There is a dire need of such a book especially in an era where Christianity continued to be persecuted worldwide and denied in a daily basis as evidenced through public restraining of Lord Jesus Christ in our daily life The human brain and Neurosurgery are in Jesus God as Christ the Lord is in human brain and Neurosurgery I hope for the reader to find spiritual use of the book and a closer relationship to our Holy Trinity God the Father the Son and the Holy Spirit

Stuck Dr. James Banks Jr., 2022-06-06 During this time of a pandemic season and beyond I hope to articulate a message in my book that you do not have to be stuck when you find out the root cause of your problem s Many situations arise because there are so many variations of sin used by the enemy to deceive people into thinking they have what they do not have Today not tomorrow quit trying to please whoever it is that does not appreciate you on your job church school college team family relationship or marriage God has a door appointed for you to go through Living in denial will delay prohibit your mobility Do not suppress your innermost feelings when you know you were once free but now it feels like a trap within everyday life because of what somebody does or does not do Life is meant to bring about trials and tribulations however if you can unravel the hidden truths you are destined to be set free Take charge and put action to your repetitive thoughts of what you constantly think about doing continually At some point in life you have to ask God for the revelation to say enough is enough Otherwise through time you will accumulate multiple regrets which will cause you to be incarcerated from your choices Today please break free and move into your destiny Do not bury

yourself while you still live Please act upon a solution get away from denial and make that long awaited change that gets you away from being stuck Hence that level of immobility will penetrate your mind until you take action After you conclude to take action you will not have to look back anymore Fear ye not stand still and see the salvation of the Lord The Lord will fight for you and ye shall hold your peace Exodus 14 13a 14 KJV Remember sometimes if not all the time you must take feasible action for change Failure to do so could result in being STUCK Living In Denial Will Prohibit Your Mobility **Shattered Dreams** Larry Crabb,2012-06-13 Using the Biblical story of Naomi Dr Larry Crabb shows you how to look through life s tragedies to see the lavish blessings God has for you in Shattered Dreams Shattered dreams writes Dr Larry Crabb are never random They are always a piece in a larger puzzle a chapter in a larger story The Holy Spirit uses the pain of shattered dreams to help us discover our desire for God to help us begin dreaming the highest dream To help you understand this neglected truth in the deepest and most helpful way author and counselor Larry Crabb has written a wise hopeful honest and realistic examination of life s difficulties and tragedies He wraps these insights around the bold story of Naomi in the Bible s book of Ruth As Crabb retells and illuminates this sometimes disturbing and often profoundly touching story we are shown how God stripped Naomi of happiness in order to prepare her for joy And we gain an unforgettable picture of how God uses shattered dreams to release better dreams and a more fulfilling life for those He loves Shattered dreams have the power to change our lives for good Join Larry Crabb on a life changing adventure to encounter God in the midst of life s most difficult times and learn to live beyond your Shattered Dreams My Daughter and Me Yolanda Burroughs,2019-03-29 This devotional will expose expound encourage and examine maternal and divine love as it is expressed through the written Word of God and the words Mama spoke Hopefully after reading this devotional you will engage in a meaningful prayer and dialogue with your daughter and feel excited enough to share it with other women and girls in your life Together mothers and daughters will evolve **The Voice upon the mountains, ed. by T.G. The Adventures of Arthur Conan Doyle Russell Miller,2008-12-09 As the creator of Sherlock Holmes the world s most famous man who never was Arthur Conan Doyle remains one of our favorite writers his work is read with affection and sometimes obsession the world over Doctor writer spiritualist his life was no less fascinating than his fiction Conan Doyle grew up in relative poverty in Edinburgh with the mental illness of his artistically gifted but alcoholic father casting a shadow over his early life He struggled both as a young doctor and in his early attempts to sell short stories having only limited success until Sherlock Holmes became a publishing phenomenon and propelled him to worldwide fame While he enjoyed the celebrity Holmes brought him he also felt that the stories damaged his literary reputation Beyond his writing Conan Doyle led a full life participating in the Boer War falling in love with another woman while his wife was dying of tuberculosis campaigning against injustice and converting to Spiritualism a move that would bewilder his friends and fans During his lifetime Conan Doyle wrote more than fifteen hundred letters to members of his family most notably his mother revealing his

innermost thoughts fears and hopes and Russell Miller is the first biographer to have been granted unlimited access to Conan Doyle's private correspondence The Adventures of Arthur Conan Doyle also makes use of the writer's personal papers unseen for many years and is the first book to draw fully on the Richard Lancelyn Green archive the world's most comprehensive collection of Conan Doyle material Told with panache The Adventures of Arthur Conan Doyle is an unprecedentedly full portrait of an enduringly popular figure

Unstuck in Time Gregory D. Sumner, 2011-11-08 In Unstuck in Time Gregory Sumner guides us with insight and passion through a biography of fifteen of Kurt Vonnegut's best known works his fourteen novels starting with Player Piano 1952 all the way to an epilogue on his last book A Man Without a Country 2005 to illustrate the quintessential American writer's profound engagement with the American Dream in its various forms Sumner gives us a poignant portrait of Vonnegut and his resistance to celebrating the traditional values associated with the American Dream grandiose ambition unbridled material success rugged individualism and winners over losers Instead of a celebration of these values we read and share Vonnegut's outrage his brokenhearted empathy for those who struggle under the ethos of survival of the fittest in the frontier mentality something he once memorably described as an impossibly tough minded experiment in loneliness Heroic and tragic Vonnegut's novels reflect the pain of his own life's experiences relieved by small acts of kindness friendship and love that exemplify another way of living another sort of human utopia an alternative American Dream and the reason we always return to his books
