

# BETTY WHITE'S TEEN-AGE DANCE BOOK

Illustrated by Robert Dunn

"It took me two hours to read this book and I found it so interesting that I want to know in connection with dancing that I found in this book all I need. . . . These girls will want to pick up this book and read it over and over." —Betty B. Clark, Junior Librarian, "Teen Center, New York Public Library"

"If all the valuable advice included in this informative book were given to the teen-agers for whom it is written, they would all soon be dancing in steps and behaving like them too. The author, who is as well qualified to write on her subject as anyone very well could be, also gives to your page a wealth of good dancing lessons and general behavior, gives advice on what to wear for all dancing occasions, how to give one's best and take more love and gracefully receive the push for the next step, gives useful incidents. . . . The illustrations are so good as the text and the pictures make the book a winning value." —The Author

"How many teenagers get anxious to learn to dance or to help make others feel that they have to analyze the book step by step? Here's the answer, explained simply in this book. It has everything from waltz, tango, polka, and foxtrot to the latest, modern, modern, and modern. Excellent illustrations and diagrams throughout the book are of all the dance steps and figures. . . . Don't T. Lee, club or women will want this book as a library." —The Bookshelf, National Board of the Young Women's Christian Association of the U.S.A.

"Betty White's Teen-Age Dance Book is a book for boys and girls who like to dance and who want to improve their present knowledge and to add to it. The different moves are well described and intelligently added for dancing and social events." —Christina Louise Brown

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes.
