

BECKEL AND AURORA

STEWART S. HENDRICKS

Bethel And Aurora

Robert Joseph Wright

Bethel And Aurora:

Bethel and Aurora Robert J. Hendricks,1971 **Bethel and Aurora, an Experiment in Communism as Practical Christianity** Robert J. Hendricks,1933 **Dr. Wilhelm Keil, Founder of the Bethel, Missouri - Aurora, Oregon Christian Commune (1844-1883)** George Kraus (III),2001 *Communal Utopias and the American Experience Religious Communities, 1732-2000* Robert P. Sutton,2003-09-30 American communalism is not a disjointed erratic almost ephemeral part of our past but an on going essential part of American history This important study begins with an examination of America s first religious utopia at Ephrata near Lancaster Pennsylvania in 1732 and traces successive utopian experiments in the United States through the following centuries The author demonstrates that the utopian communal story is an integral facet of the Puritan concept of America as a city upon a hill and a beacon light for the world where the perfect society could be built and where it could flourish After discussing the Ephrata Cloister 1724 1812 the author turns to the dozen or so Shaker communities that spread utopian communalism from New England to the Ohio Valley frontier in the antebellum years Next he examines the various Separatists as well as the Oneida Community He traces the history of the Hutterite utopias from Russia to the Great Plains and Canada between the Civil War and World War I In a chapter on California counter culture communities he analyzes the Theosophist communes at Pint Loma and Temple Home Finally he discusses modern religious utopias ranging from the Koreshian Unity at Estero Florida to Zion City near Chicago Dorothy Day s Catholic Worker Movement the Sufi Utopia in the Berkshire Mountains and the Pandanaram Settlement in Indiana **Utopias in American History** Jyotsna Sreenivasan,2008-10-24 An insightful look at the long tradition of communal societies in the United States from colonial times to the present examining their ideological foundations daily life and relationships to mainstream American society With this volume a fascinating yet often overlooked part of the American story is brought to the forefront In *Utopias in American History* independent scholar Jyotsna Sreenivasan makes the case that from the founding of the American colonies to the hippie communes of the 1960s to the cohousing movement which started in the 1990s the United States has the most sustained tradition of utopianism of any modern country Accessible yet authoritative and highly informative *Utopias in American History* offers dozens of alphabetically organized entries covering all aspects of communal societies from colonial times to the present Featured are descriptions of over 40 major utopian communities both religious and secular Entries are organized in terms of their histories belief systems leadership economics daily life and the reactions they drew from mainstream society **The Steinbach and Ziegler Families of Bethel and Aurora** Robert William Steinbach,2004 *Freedom's Ferment - Phases of American Social History to 1860* Alice Felt Tyler,2011-03-23 In its first half century the United States was visited by scores of curious European travellers who came to investigate the strange new world that was being created in the Western Hemisphere In their accounts of the experience they praised or condemned the institutions and national characteristics spread out before them seized avidly upon all differences from the European norm

and worried each peculiarity beyond recognition and beyond any just limit of its importance Americans themselves with the keen sensitiveness of the young and the boasting enthusiasm natural to vigorous creators of new ideas and institutions examined the work of their hands and believing it good reassured themselves and answered their calumniators in a flood of aggressive replies Every American interested in a reform movement a new cult or a Utopian scheme burst into print adding another to the rapidly growing list of polemic books and pamphlets From this variety of sources it is possible to recapture something of the inward spirit that gave rise to the more familiar and more tangible events of America's youth

Communities of the Past and Present Ernest S. Wooster, 1924 **Pilgrims of a Common Life** Trevor John Saxby, 1987 A thorough but readable historical review of Christian Community of goods through the centuries Essential reading for all those interested in the practice of Christian community both in the past and in the present **The Communistic Societies of the United States** Charles Nordhoff, 2025-07-10 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Contented among Strangers Linda Schelbitzki Pickle, 2023-11-20 German Americans make up one of the largest ethnic groups in the United States yet their very success at assimilating has also made them one of the least visible Contented among Strangers examines the central role German speaking women in rural areas of the Midwest played in preserving their ethnic and cultural identity Even while living far from their original homelands these women applied traditional European patterns of rural family life and values to their new homes in Illinois Iowa Kansas Missouri and Nebraska As a result they were more content with their modest lives than were their Anglo American counterparts Through personal recollections including interesting diary material translated by the author church and community documents and migration and census data Pickle reveals the diversity and richness of the women's experiences **The Settlement of America** James A. Crutchfield, Candy Moutlon, Terry Del Bene, 2015-03-26 First Published in 2015 This encyclopaedic collection includes Volumes 1 A L and 2 M Z as well as essays on the settlement of America It can be argued that the westward expansion occurred only one week after the English landfall at Jamestown Virginia on May 14 1607 Beginning on May 21 Captain John Smith one of the colonization company's leaders and twenty one companions made their way northwest up the James River for some 50 or 60 miles 80 or 96 km **German American Annals**, 1910 **American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History** Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements

to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index *The Communistic Societies of the United States* Charles Nordhoff,1875 **Principia** Robert Joseph Wright,1875 Minutes United Presbyterian Church in the U.S.A. General Assembly,1887 **Principia** Robert J. Wright,1875 Report of the ... Annual Session Illinois State Fair. School of Domestic Science,1929 Minutes Presbyterian Church in the U.S.A. General Assembly,1888
