

Between Honesty and Hope

Toward an ecumenical conversation on democracy, governance and accountability

Edicio G. dela Torre

In early 2017, the global buzz about democracy, governance and accountability is more intense than before.

One major reason is the Trump presidency. Its actions and rhetoric keep triggering alarm and anxiety. Beyond the USA, there are more worrisome signs of what Project Syndicate calls the “fatal attraction” of right-wing politics and populist demagogues.

Is this a global trend, or just another case of voices from the global North defining what is global, even for us in the global South?

I think there are similar concerns in the global South. A senator from the Philippines writes: “Across the world, the culture of democracy - tolerance, debate, and unarmed truth - is on the decline and authoritarian tendencies are on the upsurge. Populism and its kin - racism, fascism, and extremism - are arising. . . In desperation, people have turned to the old, familiar, and more tyrannical ways of political leadership, falsely thinking that this will save them from a dark future.”

Despite these anxieties and their reasons, I join this ecumenical conversation with a focus on our hope. Hope for democracy and better governance, not perfect but better. Hope that we, the people, can exact accountability from leaders whom we have elected.

What reasons do we have to hope?

An honest look at our hope

I chose “Between Honesty and Hope” as the title of my contribution to our conversation. It is borrowed from a message of Latin American bishops in the late 1960s.

Honesty demands that we unflinchingly accept that there are problems. We shouldn’t underestimate them. Honesty includes acknowledging our own contribution by commission or omission. James Baldwin’s challenge rings true: “Not everything that is faced can be changed, but nothing can be changed until it is faced.”

But we cannot just recite a litany of woes, confess our sins, and analyze whom and what to blame. Without hope, honesty can dishearten, even depress. But without grounding our hope in honesty, it can be an illusion, a cheap solace for ineffective action.

Between Honesty And Hope

Fahad Aziz

Between Honesty And Hope:

From Morality to Mental Health Mike W. Martin, 2006-04-20 Morality and mental health are now inseparably linked in our view of character Alcoholics are sick yet they are punished for drunk driving Drug addicts are criminals but their punishment can be court ordered therapy The line between character flaws and personality disorders has become fuzzy with even the seven deadly sins seen as mental disorders In addition to pathologizing wrong doing we also psychologize virtue self respect becomes self esteem integrity becomes psychological integration and responsibility becomes maturity Moral advice is now sought primarily from psychologists and therapists rather than philosophers or theologians In this wide ranging accessible book Mike W Martin asks are we replacing morality with therapy in potentially confused and dangerous ways or are we creatively integrating morality and mental health According to him it s a little bit of both He surveys the ways in which morality and mental health are related touching on practical concerns like love and work self respect and self fulfillment guilt and depression crime and violence and addictions Terming this integrative development the therapeutic trend in ethics Martin uses examples from popular culture various moral controversies and draws on a line of thought that includes Plato the Stoics Freud Nietzsche and contemporary psychotherapeutic theories Martin develops some interesting conclusions among them that sound morality is indeed healthy and that moral values are inevitably embedded in our conceptions of mental health In the end he shows how both morality and mental health are inextricably intertwined in our pursuit of a meaningful life This book will be of interest to philosophers psychologists psychiatrists and sociologists as well as the general reader

Between Mick Humbert, 2022-08-19 Through three writing projects over a six year span the author explores the variety and extent of Mental Health and Mental Illness from personal experience over that same time span Having been diagnosed with a major depressive disorder which spans 30 years including three major inpatient as well as outpatient programs counseling and medication the author shares not only his insights during remission but also the raw impact of a Mental Health relapse

A Theology of Liberation Gustavo Guti rrez, 1988-01-01 This is the credo and seminal text of the movement which was later characterized as liberation theology The book burst upon the scene in the early seventies and was swiftly acknowledged as a pioneering and prophetic approach to theology which famously made an option for the poor placing the exploited the alienated and the economically wretched at the centre of a programme where the oppressed and maimed and blind and lame were prioritized at the expense of those who either maintained the status quo or who abused the structures of power for their own ends This powerful compassionate and radical book attracted criticism for daring to mix politics and religion in so explicit a manner but was also welcomed by those who had the capacity to see that its agenda was nothing more nor less than to give good news to the poor and redeem God s people from bondage

Between Hope and Despair Roger I. Simon, Sharon Rosenberg, Claudia Eppert, 2000-03-15 At the end of a century of unfathomable suffering societies are facing anew the question of how events that shock resist assimilation and evoke contradictory and

complex responses should be remembered Between Hope and Despair specifically examines the pedagogical problem of how remembrance is to proceed when what is to be remembered is underscored by a logic difficult to comprehend and subversive of the humane character of existence This pedagogical attention to practices of remembrance reflects the growing cognizance that hope for a just and compassionate future lies in the sustained if troubled working through of these issues

Commanding Hope Thomas Homer-Dixon, 2022-06-14 Calling on history cutting edge research complexity science and even The Lord of the Rings renowned thought leader Thomas Homer Dixon lays out the tools we can command to rescue a world on the brink For three decades Thomas Homer Dixon author of The Ingenuity Gap and The Upside of Down has examined the threats to our future security predicting a deteriorating global environment extreme economic stresses mass migrations social instability and wide political violence if humankind continued on its current course He was called The Doom Meister but we now see how prescient he was Today just about everything we ve known and relied on our natural environment economy societies cultures and institutions is changing dramatically too often for the worse Without radical new approaches our planet will become unrecognizable as well as poorer more violent and more authoritarian In his latest work dedicated to his young children he calls on his extraordinary knowledge of complexity science of how societies work and can evolve and of our capacity to handle threats to show that we can shift human civilization onto a decisively new path if we mobilize our minds spirits imaginations and collective values Commanding Hope marshals a fascinating accessible argument for reinvigorating our cognitive strengths and belief systems to affect urgent systemic change strengthen our economies and cultures and renew our hope in a positive future for everyone on Earth *Revolution In Central America* Stanford Central America Action Network, 2019-06-12 Central America though affected for decades by profound socioeconomic transformations has been more or less quiescent politically The sudden eruption of revolutionary turmoil in the region as seen in recent events in Nicaragua El Salvador and Guatemala has shattered the political status quo and cast Central America into the U S foreign poli The Rebirth of Latin American Christianity Todd Hartch, 2014-04 Predominantly Catholic for centuries Latin America is still largely Catholic today but the religious continuity in the region masks great changes that have taken place in the past five decades In fact it would be fair to say that Latin American Christianity has been transformed definitively in the years since the Second Vatican Council Religious change has not been obvious because its transformation has not been the sudden and massive growth of a new religion as in Africa and Asia It has been rather a simultaneous revitalization and fragmentation that threatened awakened and ultimately brought to a greater maturity a dormant and parochial Christianity New challenges from modernity especially in the form of Protestantism and Marxism ultimately brought forth new life In The Rebirth of Latin American Christianity Todd Hartch examines the changes that have swept across Latin America in the last fifty years and situates them in the context of the growth of Christianity in the global South *Faith, Hope, and Charity* Peter Augustine Baines, 1836 **Between Anxiety and Hope: The Writings and**

Poetry of Czeslaw Milosz Edward Mozejko,1988 Czeslaw Milosz's poetry and other writings are becoming more widely read especially since he received the Nobel Prize for Literature in 1980 This collection of essays gives a cross sectional view of major themes and motifs in Milosz's poetry prose and criticism concentrating primarily on such questions as catastrophism the concept of reality Classicism and political prose *Facing Up to Climate Reality: Honesty, Disaster and Hope* John Foster,2019-03-29 We are used to hearing that the climate crisis is serious but still tractable if we start acting on it soon The reality is different Things are going to get much worse for a long time whatever we now do though hardly anyone wants to admit it This book from the Green House collective offers climate honesty The time for focusing primarily on mitigation is over We now need to adapt to the dark reality of climate breakdown But this means a deep reframing of our entire way of life The book explores how transformative adaptation might enable us to confront escalating climate chaos while not giving up hope Facing up to Climate Reality is a book for those brave enough to abandon the illusion of continuing normality and embark on a harder truer journey **Global Youth Citizenry and Radical Hope** Kathleen Gallagher,Dirk J. Rodricks,Kelsey Jacobson,2020-01-01 This book explores the affective and relational lives of young people in diverse urban spaces By following the trajectories of diverse young people as they creatively work through multiple and unfolding global crises it asks how arts based methodologies might answer the question How do we stand in relation to others those nearby and those at great distances The research draws on knowledges research traditions and artistic practices that span the Global North and Global South including Athens Greece Coventry England Lucknow India Tainan Taiwan and Toronto Canada and curates a way of thinking about global research that departs from the comparative model and moves towards a new analytic model of thinking multiple research sites alongside one another as an approach to sustaining dialogue between local contexts and wider global concerns **Faith, Hope, and Charity. The substance of a sermon preached at the dedication of the Catholic Chapel, at Bradford, etc** Peter Augustine BAINES (Bishop of Siga.),1829 **NKJV, The Bible For Hope** Thomas Nelson,2007-08-05 The Bible for Hope is a resource created to help Christian counselors lead others to healing and hope in the midst of the challenges and difficulties of life Tim Clinton pulled together an unparalleled team of biblical counselors to present key passages and concepts to lead the hurting to the feet of Jesus There they will find strength courage and emotional health Features include Book introductions from the perspective of inner healing Theme articles written by experts address life's most common challenges and difficulties anxiety anger insecurity depression sexuality pride and jealousy Personality profiles highlight the lives of people in the Bible who encountered and overcame bondage oppression or difficulty Key passages are interpreted offering the reader insights into the messages of freedom and hope Soul notes provide commentary on Bible passages that speak to the main themes Subject Index and Key Word Concordance **Herald of Truth** ,1835 *The Healing Art of Connecting with Patients* Fahad Aziz,2025-09-26 This book provides physicians with a practical insightful guide on mastering the often overlooked yet essential skill of patient

connection While clinical expertise is foundational to the medical profession the ability to build meaningful relationships with patients is equally important for achieving positive outcomes This book seeks to address the gap in medical education and practice by focusing on the emotional psychological and relational dimensions of healthcare This is an ideal guide for all physicians wanting to improve patient care

Devotions from Hope Paula M.S. Paquette MTS MPA,2011-09-14 Many of us have moments when we feel truly bleak We are living in the winter of our souls Spring seems like it will never come But spring does come and it will give way to summer which will be followed by a rich delicious harvest Life is about overcoming adversities and creating opportunities God graces us with comfort to overcome and courage to create Devotions from Hope is a collection of devotions prayers thoughts and insights that will help you find peace healing and hope in this world through the rediscovery of a true and lasting connection to God No storm can overcome me when my soul resides in Christ The winds cannot push me The rains cannot dampen me I live in his sweet calm Starting today let us make ourselves stronger brighter wiser healthier Let us do the work to reach the goal Starting today

Emerging Hope Jimmy Long,2004-08-18 How do we do church in this era of cynicism Jimmy Long looks at the connections between postmodernism and the emerging generations GenXers and millennials highlighting implications for evangelism and discipleship Here is a hopeful strategy for ministry that will appeal to a generation starved for belonging

Primary Care Pediatrics Carol Green-Hernandez,Joanne K. Singleton,Daniel Z. Aronzon,2001 This pediatric primary care text takes a family centered approach examining issues from the perspective of the child and the caregiver Unlike most primary care texts it blends traditional health care with complementary therapies Throughout it identifies needs based on culture and ethnicity and lists community resources including websites where families can obtain more information or help Features include Case Studies Clinical Pearls and Clinical Warnings Compatibility BlackBerry R OS 4 1 or Higher iPhone iPod Touch 2 0 or Higher Palm OS 3 5 or higher Palm Pre Classic Symbian S60 3rd edition Nokia Windows Mobile TM Pocket PC all versions Windows Mobile Smartphone Windows 98SE 2000 ME XP Vista Tablet PC

Reflections on Play Therapy David Le Vay,2024-08-06 This book explores an extensive range of questions and challenges within the training theory and practice of play therapy with the aim of providing a stimulating and thought provoking debate around many of the issues and dilemmas therapists experience Drawing upon the author s own experience as both a therapist and trainer educator supervisor the volume grapples with questions of power privilege self care and mental health It additionally addresses the wider challenges and impact of the Covid 19 pandemic climate change and international conflict upon practice and personhood Questions around training are explored as well as specific practice challenges relating to managing limits and boundaries within play therapy and working with adopted children Throughout the book the author will reflect upon aspects of personal and clinical experience sharing something of his own developmental narrative through training teaching and practice Reflections on Play Therapy will serve as a core text for trainee play therapists and also a valuable resource for any experienced clinicians working therapeutically

with children young people and families
