Anderson R Anthony C G Brown E A Cameron R J Finlay J O Foster C Harvie W Kenefick R A Lambert I Levitt A J MacIvor R J Morris and P L Payne *Contemporary Scottish Studies*, by C.M. Grieve Hugh MacDiarmid, 1926 *The Oxford Handbook of Contemporary British and Irish Poetry* Peter Robinson, 2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty eight chapters of ground breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book s introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly knowable category The five ensuing sections explore a history of the period s poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers

Contemporary Scottish Studies Christopher Murray Grieve, Hugh (pseudonym) MacDiarmid, 1977 **The Oxford Critical and Cultural History of Modernist Magazines** Peter Brooker, Andrew Thacker, 2009-03-26 The first of three volumes charting the history of the Modernist Magazine in Britain North America and Europe this collection offers the first comprehensive study of the wide and varied range of little magazines which were so instrumental in introducing the new writing and ideas that came to constitute literary and artistic modernism in the UK and Ireland In thirty seven chapters covering over eighty magazines expert contributors investigate the inner dynamics and economic and intellectual conditions that governed the life of these fugitive but vibrant publications We learn of the role of editors and sponsors the relation of the arts to contemporary philosophy and politics the effects of war and economic depression and of the survival in hard times of radical ideas and a belief in innovation The chapters are arranged according to historical themes with accompanying contextual introductions and include studies of the New Age Blast the Egoist and the Criterion New Writing New Verse and Scrutiny as well as of lesser known magazines such as the Evergreen Coterie the Bermondsey Book the Mask Welsh Review the Modern Scot and the Bell To return to the pages of these magazines returns us a world where the material constraints of costs and anxieties over censorship and declining readerships ran alongside the excitement of a new poem or manifesto This collection therefore confirms the value of magazine culture to the field of modernist studies it provides a rich and hitherto

under examined resource which both brings to light the debate and dialogue out of which modernism evolved and helps us recover the vitality and potential of that earlier discussion Contemporary British Novel Since 2000 James Acheson, 2017-01-17 Focuses on the novels published since 2000 by twenty major British novelists The Contemporary British Novel Since 2000 is divided into five parts with the first part examining the work of four particularly well known and highly regarded twenty first century writers Ian McEwan David Mitchell Hilary Mantel and Zadie Smith It is with reference to each of these novelists in turn that the terms arealist apostmodernist ahistorical and apostcolonialist fiction are introduced while in the remaining four parts other novelists are discussed and the meaning of the terms amplified From the start it is emphasised that these terms and others often mean different things to different novelists and that the complexity of their novels often obliges us to discuss their work with reference to more than one of the terms Also discusses the works of Maggie O'Farrell Sarah Hall A L Kennedy Alan Warner Ali Smith Kazuo Ishiguro Kate Atkinson Salman Rushdie Adam Foulds Sarah Waters James Robertson Mohsin Hamid Andrea Levy and Aminatta Forna *Edinburgh History of the Book in Scotland, Volume 4: Professionalism and Diversity 1880-2000* David Finkelstein, 2007-11-23 In this volume a range of distinguished contributors provide an original analysis of the book in Scotland during a period that has been until now greatly under researched and little understood The issues covered by this volume include the professionalisation of publishing its scale technological developments the role of the state including the library service the institutional structure of the book in Scotland industrial relations union activity and organisation women and the Scottish book and the economics of publishing Separate chapters cover Scottish publishing and literary culture publishing genres the art of print culture distribution and authors and readers The volume also includes an innovative use of illustrative case studies **Correspondence Between Hugh MacDiarmid and Sorley MacLean** Susan R. Wilson, 2010-04-08 This is both the first complete annotated edition of the letters exchanged by these major twentieth century Scottish poets and the first major exploration of their long friendship and literary association Spanning nearly fifty years from 27 July 1934 to 23 July 1978 this engaging correspondence offers a revealing and sometimes intimate look at their lively dialogical exchanges on a broad range of topics from major historical events such as the Spanish Civil War and WW II to the mundane challenges of daily life The introductory chapters chart the development of MacDiarmid and MacLean's enduring friendship in relation to their quite different literary contexts and careers discuss MacLean's significant contributions to MacDiarmid's Golden Treasury of Scottish Poetry and situate MacLean's literary innovations in terms of Gaelic modernism They thus provide comparative critical insights into the influence of cultural nationalism on each writer's developing poetics their work as translators and their mutual influence on each other's careers These private letters in which culture politics and modern history intersect offer a fascinating glimpse at the creative processes and collaborative work of Hugh MacDiarmid and Sorley MacLean Key Features The first complete annotated edition of the correspondence between the two poets The only major exploration of MacDiarmid and MacLean's

friendship and literary association Full biographical and historical Introduction bibliography and appendices History, Literature, and Music in Scotland, 700-1560 Russell Andrew McDonald, 2002-01-01 McDonald brings together contributions from scholars working in different disciplines but with a common interest in this history and society of Scotland between AD 700 and AD 1560 Edinburgh Companion to Hugh MacDiarmid Scott Lyall, 2011-05-16 The only full length companion available to this distinctive and challenging Scottish poet By using previously uncollected creative and discursive writings this international group of contributors presents a vital updating of MacDiarmid scholarship They bring fresh insights to major poems such as A Drunk Man Looks at the Thistle To Circumjack Cencrastus and In Memoriam James Joyce and offer new political ecological and science based readings in relation to MacDiarmid s work from the 1930s They also discuss his experimental short fiction in Annals of the Five Senses the autobiographical Lucky Poet and a representative selection of his essays and journalism They assess MacDiarmid s legacy and reputation in Scotland and beyond placing his poetry within the context of international modernism **Decadent Conservatism** Alex Murray, 2023 Decadent Conservatism argues that both literary Decadence and political conservatism in Britain at the turn of the twentieth century was driven by a common drive to find alternatives to liberal modernity Thematic chapters offer a new and much messier picture of fin de siècle literary politics

Robert Burns and Cultural Authority Robert Crawford, 1997 Celebrating Burns s bicentenary this work reflects upon and analyzes the achievements of Scotland s famous poet It looks at topics ranging from Burns and God to Burns and sex Amazon com **Working Verse in Victorian Scotland** Kirstie Blair, 2019-06-20 This volume reassesses working class poetry and poetics in Victorian Britain using Scotland as a focus and with particular attention to the role of the popular press in fostering and disseminating working class verse cultures It studies a very wide variety of writers who are unknown to scholarship and assesses the political social and cultural work which their poetry performed During the Victorian period Scotland underwent unprecedented changes in terms of industrialization the rise of the city migration and emigration This study shows how poets who defined themselves as part of a specifically Scottish tradition responded to these changes It substantially revises our understanding of Scottish literature in this period while contributing to wider investigations of the role of popular verse in national and international cultures **The Oxford Handbook of Modern Irish Fiction** Liam Harte, 2020 Presents essays by thirty five leading scholars of Irish fiction that provide authoritative assessments of the breadth and achievement of Irish novelists and short story writers
